Victoria Day Celebration.

Large Crowd—Good Baseball and Football Matches — Splendid Horse Races—Lots of Games —First-Class Concert.

A great many of our citizens were awakened on Tuesday morning by the Royal Salute at sunrise, but the morning was cloudy and threatening rain and it was feared the celebration would be a tame affair. The clouds began to clear away soon after eight o'clock and by noon the streets were swarming with men, women and children. The Caledonia band arrived early in the forenoon and after giving a few selections on the streets marched to the grounds where the games was to take place.

The baseball match between Jarvis and Sandusk teams was close, the former team getting the first prize and the latter second.

For the baseball games between the school scholars of the schools of Walpole there were but two entries, both teams belonging to the Jarvis school.

The football games were contested by teams from Townsend Centre, Garnet, Caledonia, Jarvis. Townsend Centre winning first money, Garnet second.

The running race was a good one, and the horses that took first and second place were farely evenly matched. Chas. Parkinson rode a horse belonging to Mr. Cassidy of Cayuga, and took first place. The horse taking the second place was owned by Blake Humphrey of Cayuga and third place was taken by Percy Armstrong's horse.

In the potato race on horse back Charles Parkinson got first prize and George Peters second, and in the hitch-up-race Chas. Parkinson took first prize and Isaac Osborne second.

Most of the athletic sports were well contested and furnished lots of amusement for the large number of people who gathered to witness them. Following are the prize winners:

Warning

Since its introduction into Canada the sales of Parisian Sage have been phenomenal. This success has led to many imitations similiar in name. Look out for them; they are not the genuine. See that the girl with the Auburn hair is on every package. You can always get the genuine at T. E. Morrow's.

Parisian Sage is the quickest acting and most efficient hair tonic in the world.

It is made to conform to Dr. Sangerbond's (of Paris) proven theory that dandruff, falling hair, baldness and scalp itch are caused by germs.

Parisian Sage kills these dandruff germs and removes all trace of dandruff in two weeks, or money back; it stops falling hair and itching scalp and prevents baldness.

And remember that baldness is caused by dandruff germs, those little hard working, persistent devils that day and night do nothing but dig into the roots of the hair and destroy its vitaliry.

Parisian Sage is a daintily perfumed hair dressing, not sticky or greasy, and any woman who desires luxuriant and bewitching hair can get it in two weeks by using it. 50 cents a large bottle.

Prize Lists are Out.

Splendid Premiums Offered by Canadian National Exhibition For 1910

The Prize List of the Canadian National Exhibitiation, August 27th to September 12th, is being distributed and it shows a list of premiums more liberal than ever for exhibits from the farm, the garden, the home and the public schools.

The list on the whole calls for the distribution of $50,000.00 and as there are no prizes for manufactures the whole of the amount goes to live stock, dairy products, women's work, horticultural educational exhibits and similar lines of Canadian industry. The amount given to horses alone is $12,000.00, every class from the pony to the draught horse receiving recognition, while cattle, sheep and pigs are liberally dealt with.

Particular attention is being paid to the encouragement of public school work, and there are liberal prizes for sewing by children, penmanship, drawing, etc.

The list can be had by writing Manager J. O. Orr, City Hall, Toronto,

That the attraction end of the Exhibition is not being neglected is evidenced by the announcement that one of the musical attradtions will be the Grenadier Guards Band, of England, the Empire's finest Military Band.
