Men's & Boys' Clothing

Ready-to-Wear Clohing and pecial to Measure Clohing

If you haven't experienced the pleasure of buying Clothes where your satisfaction is more important than your money, you'll learn something when you come to us. We esteem good will more than profit and handle only such clothing as speaks for itself. They give expression and character to a man's figure and have an argument past common in beauty of design and materials. We are selling the highest quality of really fine clothing, at the lowest margin of profit ever attempted. Our clothing is not the so-called Ready-made but ready to wear.

Not union made—but better, and when you buy our clothing you are not paying for election signs, big show bills or 25 per cent. profit for the union men to live on in case of strike, which must be paid by the customer on all high advertised or union clothing.

SHOES! SHOES!!

Over 1200 pairs of Spring Shoes, both fine and heavy, just passed into stock last year. Our shoe sales were far beyend our expectations this year. By close prices he intend to make it greater. This may seem boastingly but our sales go to prove it and there is no better judge than the wearer.

Falling Hair

Mrs. Jas. Harris of Wappella, Sask, says:

"I have found Parisian Sage to be the best scalp and hair tonic and dressing I have ever used. My hair has been coming out in combs full and was very dry and brittle and the scalp was always itching and full of dandruff. I have used two bottles of Parisian Sage and it has stopped mv hair from falling, the itching and dandruff has disappeared and my hair is fine, soft and glossy. I would not be without this fine hair tonic for many times the price."

For women, men or children Parisian Sage is without any doubt the gnest preparation for the hair. Daintily perfumed, it is free from grease or stickiness and ought to be where every member of the family could use it daily. Large bottle 50 cents at all druggists or from the proprietors, The Giroux Mfg. Co., Fort Erie, Ont., postpaid. The girl with the Auburn hair is on every package. Sold and guaranteed by T. E. Morrow.

Take a Hint.

A preacher at the conclusion of one of his services, said: "Let all in the house who are paying their debts stand up." Instantly every man, woman and child, with one exception arose to their feet. The preacher seated them and said: "Now every man not paying his debts stand up." The exception noted a care worn, hungry individual, clothed in a last summer suit, slowly assuming a perpendicular position. "How is it my friend," asked the minister, "that you are the only man not able to meet your obligations?" "I run a newspaper," he meekly answered, "and the brethren who stood up are my subscribers. and—" "Let us pray" exclaimed the minister.

Farm Values and Wages in Canada

The Census Monthly for January says that values and wages in Canada make a good record for 1910. The total value of live stock on the farms is $593,768,000, which is $34,979,000 more than in 1909. The price per head of horses is $132.50 as against $130.72 in 1909, of milch cows $42.60 against $36.36, of other cattle $30.90 against $28.81 and of sheep $6 against $5.89. Swine alone show a drop in average price, being 11.30 per head again, 11.80. The total value of horses is $293,398,000 for last year against $278,789,000 for 1909, of milch cows $121,613,000 against $103,601,000, of other cattle $131,781,000 against $126,326, and of sheep $15,819,000 against $16,735,000. The value of swine however fell from $34,368,000 in 1909 to $31,157,000 in 1910.

The highest average price of horses was in Saskatchewan, of milch cows, other horned cattle and sheep in Ontario, and of swine in Quebec. Horses three years old and over reached the highest price in British Columbia, where the average was $225. Swine per 100 lb. live weight ranged from $6.50 in Manitoba to $9.62 in Quebec. The price of unwashed wool was 18 cents in 1910 and 17 cents in 1909, and of washed wool 24 cents for each year.

The average value of occupied farm land in the Dominion was $38.45 per acre or 15 cents less than for the previous year. It was highest in British Columbia, where the cost of clearing is heavy and the land largely occupied for fruit growing,—the average being 74 per acre, or 56 cents per acre more than in the previous year. Ontario comes next with $48 per acre, which is $3.22 less than in 1909. Farm help for the summer shows an average of $3.15 per month for males and $20.70 for females, counting board, as compared with $35.69 and $19.08 respectively in the previous year. Males have an average of $247.10 and females $209.69 per year ounting board, as against $336.29 and $206.98 respectively for 1909. The highest prices per month in summer are paid in Saskatchewan, Alberta and British Columbia, where they are $40 and over for males and $25 and over for females, counting board. The average rate of board per month ranges from 8 for males and $6 for females in Prince Edward Island to $20 and $17 respectively per month in British Columbia.

The rates of wages and board are quoted for the farm, where males are employed on the land and females in the house. They are average computed from a large number of returns by farmers to the Census Office.
