The March meeting of the Nantcoke Institute was held at the home of Mrs. Howey on Saturday. March 31st. A very interesting paper was given by Mrs. Stanley Field, "How to Save Work." This was followed by a piano solo, by one of our most noted artists, Mrs. Howey. An instructive paper was then given by Mrs. F. A. Pratten, "The Arrangement of a Farm Lawn." Miss Miss Eva Thompson, rendered very pathetically, the song entitled, "Take me back to Old Ontario." Mrs. Hind then read a letter from Pte. Bert Crawley, of the 13 Batt., France, thanking the ladies of the Institute for the boxes sent to the boys. He said, "the ladies would have felt proud. could they have seen the boys when they opened the boxes, and heard the exclamations and the three hearty cheers for the ladies of Nanticoke. A dainty lunch was then served. The meeting was closed with the National Anthem.

The adage, "that if March comes in like a lamb, it will go out like a lion," proved to be quite true, when on Saturday, as March was drawing to a close, over the panorama fell a shadow. The atmosphere was in motion. The march of the tempest wss on! The jarring sounds, as of far distant artillery could be heard. Suddenly the clouds were cut by fiery strokes, following the heavy peels which shook the earth and rattled in booming echoes along the hillsides. For an hour the storm raged, but to some it seemed much longer, for some of our good ladies had assembled for the "betterment of home and country" and were unable to return home to their home and children until the storm subsided. The lightning shivered a few trees which fell crashing to the earth. The top of the chimney of Mr. J. Vokes' house was shattered, outside of this no harm was visible,

Better Mail Service Needed

Brantford may have reason to kick about mail service but Cayuga has much more so. There is scarcely a day that the old mixed is in on schedule time or before one o'clock, and as a consequence the morning papers are evening papers before they are perused in town, while the country people get them and their mail a day later. On Saturday the poor decrepit old engine with a train of freight cars was stalled about half way between Canfield and Dunnville and the passenger train had to push the train back to a siding at Dunnville. Considerable of this delay would qe overcome if the "Granny" were compelled to wait at the junction until the eleven o'clock train from Caledonia reaches there, thus bringing the mail back It would cause little or no inconvenience to passenger traffic by doing so.—Haldimand Advocate.

Tillsonburg Girl Wins Decoration

Tillsonburg, March 30—Nursing Sister Hope Gray, a Tillsonburg girl, is spending a few days, the guest of Dr. and Mrs. S. Joy, recuperating while on furlough from the front. Miss Gray spent two years on active service in very trying circumstances. During eleven months she was on duty at Saloniki and abroad the hospital ship carrying wounded soldiers from Saloniki to Malta. The heavy work and the high temperature impaired her health, and she was ordered to England, and was for a considerable time Matron of the Duchess of Connaught Hospital at Clividen. She was later sent to France for a short period. For the splendid service she has rendered her country she is to be decorated by the King with the Red Cross of the second order when she returns to England very shortly.

Another Business Change

Last week we recorded the sale of G C. Hoshal's grocery and confectionary. This week there is another business change. J. A. Toohey has sold his general store to Robt, D. Kerr, or rather a trade has been made and Mr. Toohey will go farming on a 200 acre farm in Grey county. Mr. Toohey has always had a hankering for farming that he will now be able to carry out. Mr Kerr has been in the west and no doubt will introduce some of the western progressiveness into his business here. We welcome Mr. Kerr to our midst.—Haldimand Advocate.

FROM A GERMAN PRISON CAMP

Miss M. Secord received the following letter on March 27th from her brother Walter who has been a prisoner in Germany for nearly two years.

Gressen, Allenmange, Feb. 5, 1917.

Dear Sister—Have received your parcel of clothing o.k. but you forgot the belt, but that can come next time. Believe me the sweater and mitts came in handy. I got them just as a cold spell commenced over here, the coldest in 100 years, something like 20 under the cellar. Have not been feeling well this last week, but am feeling better now. Of coure you may imagine I don't belong to the list of heavyweights. Now that your parcels are coming through o. k. send me a couple of mouth organs, you know the brand, in b. f or g, single reed, Marine Band. Well tell me all the news home, and don't forget dear old Uncle Sam, and for the love of mike why don't the boomer write Love to all. Yours

Walter.

P. S.—Hello, dad. Congratulations, many happy returns. How old are you now, I have forgotten.

Warning To All

I have been directed by the Council of Jarvis to warn the boys and all that the practice of running those little wagons on the sidewalks, must cease, as it has become a public nuisance, and if persisted in persecutions will follow.
