Tendered Reception

The people of Jarvis and vicinity greeted their second returned war hero on Wednesday evening last when a reception was given Pte. John Montague. son of Mr. and Mrs. N. Montague, of the Stage Road Walpole.

Pte. Montague arrived home on Monday evening from Toronto, where he has been in the hospital for the past few weeks. and owing to his unannounced home coming, no one was at the station to receive him. He was driven to the home of his parents by Mr. Ed. Eaid, of the village.

On Wednesday evening, as aforementioned. a procession of 17 motor cars bedecked with the allied flags, headed by riders on horseback, the local Boy Scouts and the Band, escorted the returned hero to the town hall, where a packed house paid glowing tribute to one who has done his bit. Standing room was hardly available and it is safe to say if the weather and roads had been favorable a turnout would have been witneseed seldom seen in the village.

The chairman of the meeting was the village Reeve, R. W. Smith, who filled his position in a most efficient and worthy manner. After the introduction of the hero by Mr. R. A. McCarter, the following gentlemen delivered addresses: Revs. A. W. Hare, J. Hirst Ross and H. L. Smith and Messrs. G. L. Miller, Dr. Wm. Jaques, M. P. P., J. J. Parsons and F. R. Lalor, M. P. The speeches, though short, were such as to arouse favorable comment from those present, and Pte. Montague, as he listened, must have understood that the welcome accorded him was tribute to his sacrifice.

Pte. Montague enlisted at London in the fall of 1915 with the 142nd battalion, and was a unit of said battalion during its training in this country and in England. For many months he served in active warfare and was wounded on Feb 17, 1917, on the Somme Front by the bursting of a shell just as he, along with others, were leaving the trenches for a rest at the base The wound necessiated the amputation of both feet, a number of operations having to be performed owing to poisoning. He was invalided some months in England before being allowed to return to his native land. For the past few weeks he has been in a Toronto hospital.

At the close of the speech making Dr. Wm. Jaques, M. P. P., presented Pte. Montague with a purse of $120.00 as a token of the esteem which the donators hold him for the sacrifice he has made for his Country's canse. The purse was made up $100 from the people of Jarvis and vicinity, $10 form Judge Hopkins and $10 from F. R. Lalor.

During the evening songs and music was rendered by the Boy Scouts and the Band.

Those on the platform besides the aforementioned were Mr. and Mrs. N. Nontague and Mr. and Mrs. S. Allen.

The meeting broke up with the singing of the national anthem.

Pte. Montague returned to Toronto on Thursday morning.
