One of the local ratepayers has complained to the Record of the unusually abundant crop of weeds on a number of vacant lots in the village, the weeds being so rank as to become an eyesore as well as an aggravation to those to have pride in their property. Apparently as property owners have no intention o cutting the weeds the duty devolves up on Council to have it done by statute labor.

Mr. and Mrs. Albert Littler, and son, Charlie of Toronto are visiting in town.

The local ball team journeyed to Caledonia on Thursday afternoon last and got trimmed by that town's aggregation by a score of 14-4. Apparently the boys played in hard luck as they put up a much better showing against the same team at the Hagersville tournament. However, in the return game, we are confident the locals can give "Patsy's Wonders" something to think about.

Who can tellwhat went wrong with the Simcoe merchants on Saturday? Our local paper informed us last week that the citizens of the surrounding country would be amply waited upon on Saturday even though it was declared a holiday by the King. It being a busy day for the farmers a great many of us went to Simcoe at night to do our shopping, but got disappointed, Please explain.

Drowned Near Langton

On Sunday last, July 20th, the sixteen year-old son of Mr. and Mrs. W. S. Collins, of Langton, John Russel, was drowned in Big Creek near that place. The unfortunate lad was in swimming in the creek with three others when, presumbly, he got beyond his depth and sank in some fifteen feet of water. One of the other boys could swim but owing to his being so much smaller could not save him. It was some two and a half hours before before the body was recovered.

The funeral, which was largely attended, met at his parents' home on Tuesday at 2.30 p.m., service and interment taking place at the Methodist church at Wycombe.

Of the immediate family, the deceased boy is survived, besides his father and mother, a brother and sister. The young lad was a grandson of Mr. and Mrs. Elisha Farr.
