Death of Mrs. Watkin Miell

There passed away at St. Joseph's Hospital, Hamilton, on Monday, Dec. 13, Mrs. Watkin Miell, of Garnot, in her 36th year.

Mrs. Miell was the eldest daughter of Mr. Martin Anderson, of Rockford. She was married to Mr. Miell in December 1906. For the last few years she has had ill health, and on Sunday was taken to the hospital. Deceased leaves behind her husband and one son, Charlie, aged 13 years.

Mr. Miell, who has always lived at Garnet, has the sympathy of all. His way has not been the smoothest. Some twelve years ago he had nine weeks in the hospital with his eye, and again last spring, in April, he was taken to the hospital with a lame ankle and after three months came home minus his foot.

Mrs. Miell, who was a member of the Methodist Church, Garnet, will be much missed in both church and home. The funeral took place this Wednesday to the cemetery in Hagersville, Rev. H. L. Smith having charge of the service.

Explosion at Hagersville

The new home of Wm. Risdill and family, who moved to Hagersville last week from Garnet, was badly damaged on Sunday by a gas explosion. Mr. Risdill was showing his uncle, Mr. Harris, through the house at the time and had lighted a match to show him the cistern which was in the cellar, when the explosion occurred, wrecking the walls and windows in the house, but fortunately the occupants escaped serious injury. Mr. Risdill's hair was singed, Mr. Harris was burned about the face, and Mrs. Risdill received some burns about the hands. Their daughter also had one hand slightly burned. Gas was not being used in the house and it is supposed to have got through the cellar drain,

Damage by Wind at Simcoe

The heavy gales that have been raging over this part of the province have not left Simcoe untouched. At 7.45 Tuesday morning the west wall of the new building the City Dairy is constructing there was blown down to the cement foundations. The workmen had begun so put up the gable end. An expanse of brick work of 40 feet by 14 feet will have to be replaced.

During the morning recess period at the Central Public School a huge tree on the south of the campus was blown over as if it had been a stick of wood. A number of children were in the neighborhood of the scene.. but all fortunately were untouched.

The Family Herald and Weekly Star.

The Family Herald and Weekly Star of Montreal has announced that after December 31st, 1920, the subscription price of that great weekly will be $2.00 per year in Canada, England or Scotland, and $2.50 to the United States. The recent heavy increase in the cost of white paper makes the slight advance necessary, in fact it is only a small portion of the increased cost over pre-war prices of production. All renewals and subscriptions, the publishers say, mailed before December 31st, 1920, will be accepted at the old rate of $1.50. Even at the advanced price of $2.00 a year The Family Herald is regarded as the best value on the Continent. It is acknowledged to be absolutely without a rival, hence its enormous circulation.

Very Sad Accident

Thursday afternoon last Mr. Ham Nelles of Seneca township was running a cutting box on the farm of Mr. A. C. Phipps, a neighbor, when the mitt which he was wearing got caught in the rolls of the machine, and before he could get it off his hand was drawn in and his arm chopped off inch by inch before the machine could be stopped, as the men had to jump off the stack to throw off the belt. He was taken to his own home and medical aid summoned, and we understand is getting along as well as could be expected under the painful circumstances.—Sachem.

Jarvis Women's Institute

The Jarvis Branch of the Woman's Institute met at the home of Mrs. W. Henning on Dec. 8th, there being present twenty-eight members and five visitors.

The meeting opened by singing the Ode; after which all joined in repeating the Lord's Prayer. Minutes of previous meeting read and approved, and the members responded to the roll call. Solos were sung by Miss Lillie Henning and Miss Norma Stallwood, who was accompained by Miss Marguerite Johnson. Miss Clara Walter rendered two instrumental selections. The musical part of the program was specially attractive, owing to the fact that the younger ladies are becoming interested and giving their assistance. Mrs. Owen gave a most interesting and instructive paper on "Christmas in other Lands."

The meeting closed by singing "Blest be the Tie that Binds," after which a dainty luncheon was served by Mrs. Henning, which was enjoyed by all.

Park Grounds Meeting

The meeting called for last Friday evening to consider the important question of securing suitable grounds for athletic and other purposes was not as largely attended as it should have been, the citizens either being indifferent about the matter or satisfied to leave it to the few who are willing to assume the necessary work of securing grounds. However, after discussing several properties available for such purposes, a committee, composed of Messrs. A. Fallis, G. L. Miller and E. T. Carter, was appointed to look over the various properties and secure the necessary information and report to Council on Wednesday night. The meeting then adjourned to meet again at the call of the chairman of the committee.

In Loving Memory of Mother.

Lines written on the death of Mrs. Richard Roberts, who passed away December 17th, 1918:

Through many long years of suffering,
Her patience never worn,
A mother dear has left us,
Her great loss to mourn.

Sons and daughters miss her,
But far more than we,
Will he to whom for forty years
She had been a loving wife.

Our home it is so lonesome,
But Father dear is here;
We will try and bear our sorrow,
And his loneliness to cheer.

She who has gone but two years,
We hope to meet again,
When we are called home by Him
Who doeth all things well.
