

SELKIRK.
To the Editor of the JARVIS RECORD:
Sir,—I thought I would write you a few lines: Grizzly Ed. and Dave had their beaux to the Hamilton fair. They either got lost, strayed or stolen, as they didn't make their appearance until the next evening. If Ed. isn't careful he will have to skip like Jim did.

The Governor has purchased two Jersey cattle. They are beauties. Who will be the next to invest?
Mr. W. Williams has started a lumber yard at stoney creek. He has appointed Ike general agent.

Mr. George Waugh is visiting friends in this village.

He has caught his "kitten" at last. He fought hard for it.

Mr. J. Trotter has arrived from the North-West. Rumor says he is going to ship wood back with him. It looks a little dot very.

It was fun to see the machine man and Ben saw at the Rainham show the other day. They didn't blow any, oh no.

Little Bell and big Bell were at the show, and so was Lake Shore Joe; but the concert was not given. Try, try again, Joe, don't be scared of old Pete. When is Barney going to make a dash on Gentle Annie?

Yours truly, JOE SIDEWALK.

NELSON'S CORNERS.

Our village has not been heard from for some time. What grand changes take place in so short a time. We have two new grocery stores here now; Mr. C. Cowell and Miss A. Johnson are the keepers thereof.

Little Bobby is soon to leave us, I hear, and great will be the loss.

Prof. C. seems to be very busy in the County Town now with music teaching. But Miss L. seems to take the lead here. Jacob don't give Bob and Locke any more lessons. Wonder what is wrong there?

You ought to have seen those boys and young men coming home from church on Sunday last with their hands in their pants pockets. It must have been very cold.

What was the Bailiff out this way a short time ago for? Who is up now?

I hear the DeCewville base ball players gained an easy victory on Saturday last.

Business Bob has purchased a Salvo Tricycle, but the roads have been so bad he has not been able to enjoy it much. He is of the opinion he will be able to crowd some of the bicycle boys next season. I saw Mrs. L. enjoying a ride on the tricycle in the yard a few days ago. Bob says the concern cost \$135.00.

HALL'S Vegetable Sicilian HAIR RENEWER

was the first preparation perfectly adapted to cure diseases of the scalp, and the first successful restorer of faded or gray hair to its natural color, growth, and youthful beauty. It has had many imitations, but none have so fully met all the requirements needed for the proper treatment of the hair and scalp. HALL'S HAIR RENEWER has steadily grown in favor, and spread its fame and usefulness to every quarter of the globe. Its unparalleled success can be attributed to but one cause: the entire fulfillment of its promises.

The proprietors have often been surprised at the receipt of orders from remote countries, where they had never made an effort for its introduction.

The use for a short time of HALL'S HAIR RENEWER wonderfully improves the personal appearance. It cleanses the scalp from all impurities, cures all humors, fever, and dizziness, and thus prevents baldness. It stimulates the weakened glands, and enables them to push forward a new and vigorous growth. The effects of this article are not transient, like those of alcoholic preparations, but remain a long time, which makes its use a matter of economy.

FOR THE WHISKERS

Will change the beard to a natural brown, or black, as desired. It produces a permanent color that will not wash away. Consisting of a single preparation, it is applied without trouble.

FOR ALL THE FORMS

OF Scrofulous, Mercurial, and Blood Disorders, the best remedy, because the most searching and thorough blood-purifier, is

Ayer's Sarsaparilla.

Sold by all Druggists; \$1, six bottles, \$5.

AYER'S Sarsaparilla

cures Rheumatism, Neuralgia, Rheumatic Gout, General Debility, Catarrh, and all disorders caused by a thin and impoverished, or corrupted, condition of the blood; expelling the blood-poisons from the system, enriching and renewing the blood, and restoring its vitalizing power.

During a long period of unparalleled usefulness, AYER'S SARSAPARILLA has proven its perfect adaptation to the cure of all diseases originating in poor blood and weakened vitality. It is a highly concentrated extract of Sarsaparilla and other blood-purifying roots, combined with Iodide of Potassium and Iron, and is the safest, most reliable, and most economical blood-purifier and blood-food that can be used.

Infammatory Rheumatism Cured. "AYER'S SARSAPARILLA has cured me of the Infammatory Rheumatism, with which I have suffered for many years." W. H. MOORE, Durham, Ia., March 2, 1882.

"Eight years ago I had an attack of Rheumatism so severe that I could not move from the bed, or dress, without help. I tried several remedies without much if any relief, until I took AYER'S SARSAPARILLA, by the use of two bottles of which I was completely cured. I have not been troubled with the Rheumatism since. Have sold large quantities of your SARSAPARILLA, and it still remains its wonderful popularity. The many notable cures it has effected in this vicinity convince me that it is the best blood medicine ever offered to the public." E. F. HANNAH, River St., Buckland, Mass., May 13, 1882.

"Last March I was so weak from general debility that I could not walk without help. Following the advice of a friend, I commenced taking AYER'S SARSAPARILLA, and before I had used three bottles I felt as well as I ever did in my life. I have been at work now for two months, and think your SARSAPARILLA the greatest blood medicine in the world." JAMES MAYNARD, 520 West 12d St., New York, July 19, 1882.

AYER'S SARSAPARILLA cures Scrofula and all Scrofulous Complaints, Erysipelas, Bores, Ringworms, Itchings, Sores, Bells, Tumors, and Eruptions of the Skin. It cleanses the blood of all impurities, aids digestion, stimulates the action of the bowels, and thus restores vitality and strengthens the whole system.
