

"THE JARVIS RECORD"

THURSDAY, SEPT. 6, 1888.

BONA FIDE NO. OF SUBSCRIBERS, 748.

APOLOGY.

Know all men by these presents that F. Erro, of the Village of Selkirk, for and in consideration of the "reprehension" I observe for causing to be published in the Record certain offensive remarks against one J. A. Langrill in replying to "Walpole's" letter which appeared in the Record some weeks ago, do hereby acknowledge that those remarks made by me were intended for the author of said letter; that I now am satisfied that said author is not a Township officer, nor does he reside in Jarvis. Therefore, I do hereby offer my humble apology unto the above mentioned gentleman for said attack, under fear that unless I do he will commit some violence upon my person, agreeable to the latter clause of his letter in last week's issue.

Witness my hand and seal this 1st of Sept., A. D. 1888.

In presence of: ERRO: L. S.

SELKIRK.

To the Editor of the Jarvis Record:

A. C. Smith, the horse king of the Great North-West, returned from Texas last week bringing with him four carloads of Mexican ponies. They appear to be a fine lot and will doubtless find a ready sale as they are a nice size for drivers.

We were visited by a tramp on Saturday evening—a man of drunken and profane habits—believed to be a "bad one." We would warn our friends to keep a watchful eye over him should he be seen about town. He has lost one leg, is clean shaven, and about forty years old. Had John's refrigerator been in running order we would have been tempted to have him locked up for the night.

ERRO.

NECESSARY BRIEFS.

As there were no "briefs" from here in last week's Record, I concluded to send you a few items for this week's and they must be brief too.

Chas. George is in town at present. He was at the A.O.U.W. picnic at Cayuga, and appeared in a suit of striped denim, but in the evening he had a change of "log" which fitted him for the garden party.

Since the boys have been stopped playing cards on the Lord's Day they have taken to playing dominoes.

John Shors is in town at present. He is a "Bell" man, and says he don't care for them for they make too much noise.

Mr. Wm. Hicks, from Toronto, arrived in forty-five minutes, three seconds with his little Shetland pony.

Rev. Mr. Best's, from Toronto, delivered an interesting discourse in the Disciples Church last Sunday.

The Widow's boy who fell from the tree and hurt his head is recovering.

NEW POTATOES.

Mr. Jas. Bunnister and wife, of Otterville, were in the village last Sunday. Miss Grace Harris took her departure for Hamilton on Monday morning.

Mr. Jas. Voskes, wife and daughter, of Hamilton, are visiting friends in this section.

Miss Edwards and her friend, Miss Fields, of the Blind Institute, Brantford, have been spending the past week with Mrs. Gibbs, of this place.

I am happy to see that James Melon, who has been ailing for some time, has recovered greatly. Perhaps Jim is letting his domestic affairs dampen his spirits too much. He should never mind, for his wife may yet return from her travels.

A number of friends from the surrounding community repaired to the premises of Thomas Jackson, recently, and found and shocked a large quantity of oats, to Tom's extreme satisfaction.

The school section known as Lamb's school is at present in quest of a teacher, on account of which the school is now idle. At one time some in this section were afraid that they would have two teachers holding certificates imposed upon them if any improvement in the school house, while here is a school with equal advantages that cannot get even one. How much pain these evils occasion which will never happen.

Card of Thanks.

MR. EDITOR.—Kindly permit me to return by sincere thanks to the Directors of the "Home Benefit Association of Haldimand and Norfolk," for the prompt and satisfactory settlement of my claim under Beneficiary Certificate No. 68, held by my late husband in said Association.

WILLIAMA LEASE.

PORT DOVER.

FROM SCHOOL.—Our new Head Master arrived upon his duties on Monday last, and I must admit his appearance is in his favor. He possesses a good physique, has a good address, don't part his hair in the middle, don't sport a bamboo cane, don't put on airs, and looks as if he would be a steady giving a mechanic or working man a nod of recognition or a shake of the bones. He will have

the hearty support of the Record in his efforts to build up our High School, and it don't much matter how our "local rag" goes, since, as all its readers well know, it has no influence any way.

REWARD.—Rev. J. C. Quinn offers a reward of \$40 for the conviction of the parties who last week entered his premises and destroyed his fruit. It is to be hoped the guilty parties will be discovered and punished, as it is almost impossible for any one to raise fruit of any kind in a garden here without getting it stolen, or destroyed, often before it is half ripe.

EXCURSION.—The person got left when attempting to board the excursion train to Brantford last week. It has been intimated to me that Mr. Ross, the circulator of the civic holiday petition, must also have got left, as he was not seen by any of the excursionists.

BUILDING.—Our "local rag" last week informed its readers that the two Passmore had purchased 13 acres of land in the suburbs of Port Dover, but couldn't see the new house Mr. Fawcett is erecting on St. Patrick street.

PILE DRIVER.—Our Woodhouse Council in addition to doing the work of the township with the pile driver has this summer received thirty-one dollars from private individuals for its use, the parties using it also keeping it in repair. This is not a bad investment as the whole machine only cost the township \$136.

BOY PREACHER.—Port Dover can now also boast of a boy preacher who sometimes holds forth in the neighboring hamlets.

ALTAR.—I have it from good authority that Professor Smithergiggs and Rosa were spliced at Lapeer, Michigan, on Wednesday, 22nd ult. No keards.

POUND.—Several members of the bovine race were impounded by Mr. Franks on Saturday last for breaking into and damaging his garden. Damages estimated at five dollars, which were paid.

WAR OF THE "BEARS."—On Tuesday last a man named Pascoe laid information before Justice Abel against J. S. Smith for assaulting him. The trial was fixed for three o'clock. In the meantime Smith laid a counter charge against Pascoe for assault, before Squire Alderson, who fixed the trial at two o'clock, or an hour before the other. Pascoe was fined a dollar which the magistrate at once remitted. Justice Abel then began to proceed with the hearing of his case when Squire Alderson, I am informed, told the complainant to leave the court with him and actually took him away. Justice Abel then adjourned the case until he could appear before the County At-

ORGANS AND PIANOS!

—(o)—

The THOMAS ORGANS having been before the public for over fifty years, have a on their excellence alone, attained an unpurchased pre-eminence that pronounces the unrivalled.

Their Tone combines great power, sweetness in fine playing quality, as well as great purity of intonation and evenness throughout the entire scale.

The Touch is pliant and elastic and entirely free from that stiffness found in many instruments.

In workmanship they are unequalled, being made with the very best material. The large Capital employed by E. G. Thomas & Co., enables them to keep constantly on hand an immense stock of lumber, &c., of the very best quality, and to manufacture superior before using. Their machinery and factory arrangements are among the best in the country, and none but the very best workmen are employed. This, together with the most strict personal superintendence by themselves, must insure an instrument as perfect as can be made.

THE THOMAS PIANO

The only strictly first-class Piano manufactured in the Dominion. Every instrument fully warranted for six years.
