

HALL'S
Vegetable Sicilian
HAIR RENEWER

was the first preparation perfectly adapted to cure diseases of the scalp, and the first successful restorer of faded or gray hair to its natural color, growth, and youthful beauty. It has had many imitators, but none have so fully met all the requirements as this. HALL'S HAIR RENEWER has steadily grown in favor, and spread its fame and usefulness to every quarter of the globe. Its unparalleled success can be attributed to but one cause: the entire fulfillment of its promises.

The proprietors have often been surprised at the rate at which orders from remote countries, where they had never made an effort for its introduction. The use for a short time of HALL'S HAIR RENEWER wonderfully improves the personal appearance. It cleanses the scalp from all impurities, cures all humors, fever, and dizziness, and thus prevents baldness. It stimulates the weakened glands, and enables them to push forward a new and vigorous growth. The effects of this article are not transient, like those of alcoholic preparations, but remain a long time, which makes its use a matter of economy.

W. H. MOORE,
Durham, N.H., March 2, 1882.

"Eight years ago I had an attack of Rheumatism, and so severe that I could not move from the bed, or dress without help. I tried several remedies, without much if any relief, until I took AYER'S SARSAPARILLA. By the use of two bottles of which I was completely cured. I have not been troubled with the rheumatism since. Have sold large quantities of your SARSAPARILLA, and it still remains its wonderful popularity. The many notable cures it has effected in this vicinity convince me that it is the best blood medicine ever offered to the public."
River St., Buckland, Mass., May 13, 1882.

"Last March I was so weak from general debility that I could not walk without help. Following the advice of a friend, I commenced taking AYER'S SARSAPARILLA, and before I had used three bottles I felt as well as I ever did in my life. I have been at work now for two months, and think your SARSAPARILLA the greatest blood medicine in the world."

"I certify that I was troubled with Catarrh in the head, gathering of phlegm in the throat, choking and coughing at night for years, so I could not sleep, often troubled with dull, lifeless feelings, pains in the chest and back. After giving hundreds of dollars to doctors and giving up all hopes, I tried the PRIDE OF THE VALLEY, and am now able to do my work after seven years' sickness."
