COUNTY BASEBALL

Hagersville 20—Fisherville 12

The first home league game of the season was played at the High School grounds on Thursday afternoon between Fisherville and the local nine. The new diamond which has just recently been fitted up was in fair condition, and when the work on the grounds is completed Hagersville will possess one of the best baseball fields in the county. The brand of ball displayed by both teams was one of a varied character, some good plays being made and on other occasions erring quite easily, this being accountable to lack of prarctice. The home team outhit the visitors and with their misplays occurring at less important times won out quite handily by a score of 20 to 12 with an inning to spare. The local pitcher, Geo. Peters, twirled a fine game and with good support would have held the visitors' score down to a small figure. W. Gailing, who did the catching for the locals, also put up a fine game and gave Peters good support. Fisherville used three pitchers, but they all met with the same fate, the home team taking kindly at their offerings. Art Reicheld, of Fisherville, and Wm. Held, of Hagersville, were the umpires.—News, Hagersville.

HOLD PICNIC AT HICKORY BEACH

Reunion of the Webb Family of Haldimand County—31 Families Present

Sixty-five years ago, this coming 4th of November, 1924, the late Wm. Webb and his wife, Sophia Downing, with six sons and three daughters, settled in Walpole Township, Haldimand County.

On Saturday, June 14, the family followed the lead of others by holding a family re-union picnic at Hickory Beach park, Nanticoke, along the shore of old Lake Erie.

Last year, as a few picnicked there, they suggested the idea of inviting all of the descendants this year, and as a result 51 families were invited and 31 families responded, 115 being present.

This pioneer, Wm. Webb, died Sept. 19th, 1891, at the age of eighty-one, and his wife on Oct. 10th, 1889, at the age of seventy-eight, and were buried in the Baptist cemetery. They came from Weat St., Mary Cornwall, Eng., in 1847, spending three months on the Atlantic. They resided about three months at Bowanville, Ont., thence moving to Illinois, U.S.A., where they remained for about twelve years, returning to British soil in 1859. The nine children grew up and married in Haldimand county, and today there are forty-seven grand children, one hundred and five great grand children and seventeen great great grand children.

Of the children the two youngest, Mr. Henry Webb, of Hagersville, and Mrs. Rora McCarthy of Port Dover, are still living.

At the picnic goup picturers were taken, one of which included the two living children with three daughters-in-law and one son-in-law. Others included the granddaugthers and grandsons, and the daughters-in law and grandsons-in-law, the great-grand-children, and the great-great-grand-children. Many other groups were also taken.

Surprising as it is how many of the descendants have clung to Haldimand county, the gathering included members from Georgetown, Guelph, Hamilton, as well as a few scattered from the Atlantic to the Pacific.

Most of those present have followed the agricultural calling, but there were those whom the professions and trades have called. Many met for the first time while others renewed acquaintances.

All enjoyed the bounteous dinner and supper. Games were indulged in during the afternoon. The outing was finally brought to a close by the singing of "God Be With You Till We Meet Again."

The president, Mrs. Webb, and the secretary, Mrs. Calvin Thompson, were re-elected to prepare for a greater re-union on the second Saturday in June next year, at Woodland Park, Cheapside. All the connections are heartily invited.

INTERESTING LECTURE BY KNOX MINISTER

A very interesting lecture on "The Great War, as I Saw It," was given by Rev. W. T. Brown in Knox Church, Jarvis, under the auspices of the Ladies' Aid, on Friday last, June 13.

Telling how he joined in December, 1915, the speaker took the audience, in fancy at least, to France with the Third Canadian Divisional Artillery and followed their track until their return in March, 1919.

Dr. Jaques acted as chairman of the meeting and in his remarks stressed the fact that the war was a war between two ideals of government, the democratic and autocratic. The democratic ideal had triumphed and it was the duty of everyone to make democracy a thing worth while.

Howard Guiler sang a solo entitled, "When the British Bulldog's Watching at the Door."

DEFENDANTS FINED

A charge of assault and battery against W. J. Anthony and wife, and breaking lock and stealing strap from schoolhouse No. 6, Walpole, against the former, was laid by Miss Donavan, the school teacher.

The case was tried before Col. Massie at the Temperance Hall on Tuesday morning. H. Arrell, K.C., pleaded for the plaintiff., and Lawyer Lindsay of Hagersville, acted for the defendants. Quite a number of witnesses were called, and after hearing the evidence for both sides, the Magistrate fined the defendants $10 and costs, total $32.75, or fourteen days, with a year's suspended sentence.

BIG PROGRAM FOR HAMILTON STEAMERS

This Season—One Feature of Special Interest to Motorists.

Summer enjoyment was appropriately ushered in with the commencement of Canada Steamship Lines full summer service between Hamilton and Toronto on Sunday, June 15th.

Once again the lovers of outdoor recreation and open-air dancing will find oceans of pleasure on the big broad decks of the splendid steamers "Turbinia" and "Corona."

Delightful dance trips are scheduled for every Wednesday and Saturday afternoon, and entrancing twilight sals every Wednesday, Saturday and Sunday.

Special dance music by the most popular orchestras has been arranged that will be as great a treat to listen to as to dance to.

A new feature of special interest to motorists is the free parking arrangement that Canada Steamship Lines has made for their patrons. A parking space at the dock sufficient for 150 cars has been laid out, graded and enclosed with a high board fence. This space will be illuminated at night and a watchman placed in charge.

When motoring on hot, dusty roads becomes monotonous the motorist can now drive his car to the dock, leave it in charge of courteous attendants at the dock without charge and without the slightest worry as to ts safe keeping and go aboard the boat for a restful refreshing trip on the cool waters of the lake. This new feature will undoubtedly be greatly appreciated by motorists living in and around Hamilton.

CARD OF THANKS

We hereby wish to extend our sincere thanks and appreciation to the many friends and neighbors for the kindness and sympathy shown during our recent sad bereavement, also for the beautiful floral tributes.

Mrs. A. Rodgers and Family.
