Inspector's Report

(continued from front page)

been given this year in the above centres have demonstrated to the ratepayers that it is worth while teaching this subject as part of the regular work of the school.

HEALTH

Health of teachers and pupils has generally been good. Five rural schools were closed for ten days by Health Authorities where there were cases of Spinal Meningitis in the section. Rural Schools lose more time than urban schools through being closed by Trustees from time to time when a disease occurs in a section, sometimes without waiting for the word of the Medical Health Officer.

Sanitation is receiving some more attention from year to year. The standard is below what we would like to have. It is only through the co-operation of all ratepayers that the desired results can be attained.

Ventilation can be made fairly satisfactory by having a board or glass inserted at bottom of the window and inclined so as to deflect the incoming fresh air above the heads of the pupils.

Our unit of schools under nurse inspection has now been in force for eight years. During 1930 two rural schools were added to the unit. The rural people are taking a greater interest in the general health. The work being done is commendable in every particular. Pupils are examined for defective teeth, diseased tonsils, defective eyesight, loss of hearing. In every case a card is sent to the parent calling attention to these defects. The parent then must take the child to his local physician or dentist for treatment. The phrase through detection disease is able to prevent it spreading through the school. At all School Fairs a Health Demonstration and health play was given. This has been well received by the people.

All schools are provided with wash basins, soap and towelling. Teachers generally see that pupils maintain cleanliness.

The High School Entrance Exams were held at Atterdiffe Station, Canfield, Caledonia, Cayuga, Dunnville, Hagersville, Jarvis and Selkirk centres. Of the 299 candidates who wrote 254 were successful or 79% of those who wrote. Medals given by the County Women's Institute.

Late Thos. Parkinson

Residents of Hagersville and surrounding district were greatly shocked on Sunday morning last to hear of the sudden death of Thomas Parkinson of Hagersville aged 55 years, who was found dead in the basement of the Hagersville Armouries.

He had left his home on Saturday for his usual outing, feeling in the best of health and spirits. When he did not return home that evening his wife thought he had gone to visit some friends and did not become alarmed until Sunday morning. She told some neighbors that her husband had not returned and they organized a search party. As he had not returned and they organized a search party. As he had been caretaker of the Armouries and was in the habit of spending a considerable portion of his time there, the party proceeded to that building where they made a search for him.

They found a light burning in the basement and his body lying cold in death on the basement floor. Coroner Dr. Quance of Hagersville, was called, viewed the body and after hearing all the evidence decided that an inquest was unnecessary. Death was declared to be the result of a stroke.

The funeral was held from his late home in Hagersville on Tuesday afternoon, Feb. 10th, with service in St Paul's Anglican church, Jarvis, and interment in the cemetery there.

The pall bearers were six nephews of the deceased, Albert Pryett, Ralph Miller, Bruce Milier, Kenneth Parkinson, George Parkinson and Edward Parkinson.

Mr. Parkinson was born and spent all his life in this Township, a few miles north of Jarvis and his many friends in this district join in extending the sincere sympathy to the sorrowing widow, who was formerly Miss Giles of Hagersville, and to his two brothers, Edward and Dr. Parkinson and the three sisters, Mrs. Robert Wilson of Hagersville, Mrs. Miller and Mrs. James Bryant, who mourn at this time.

Firemen's Dance

The annual Firemen's Ball was held last Friday evening in Peacocks Hall with about 250 people present, which represents the high esteem and respect in which the Firemen are held by the people of the community. The fore part of the evening was spent in Progressive Euchre Mrs. Lloyd Mitchell succeeded in capturing first prize, a beautiful Boudoir set, Mrs. T. Guiler, received the consolation prize, a condiment set. For the Gentlemen, Mac Donavon was proclaimed champion and received a bill fold, while Afred Icnson received a box of writing paper.

After a bountiful lunch was served Dancing commenced with Richardson's Orchestra officiating, and as Pete Banks says, the dancing was still going strong in the wee hours of the morning.

The financial outcome is not yet determined, altho it is reported to be quite favorable.

Gratis Dance In New Garage

Approximately 1000 people attended the dance given by F. W. Reicheld in his neu Chevrolet Show Rooms on Tuesday evening last.

During the evening a contest took place and prizes are to be awarded the persons guessing the nearest to the number of gallons of gasoline sold at this new station between now and July 1st., 1931. A card being presented to each person on entering the building.

Ted Phillips of Simcoe supplied the music and merriment was maintained throughout the evening in all sorts of dances from the Tango to the Virginian reel.

During the course of the evening Reeve Marshall gave a few well placed remarks regarding the enterprise undertaken by Mr. Reichheld and the benefit drived from it since building operations commenced such a short time ago. Mr. Reichheld replied very briefly, hoping that every one would enjoy themselves to the full extent and take advantage of everything he had been able to arrange for, in helping them to have a good time.

A free lunch was prepared and distributed by Miller's Restaurant from 10.30 until 1 a.m. with everyone present enjoying sandwiches, coffee and ice cream.

The evening seemed to go altogether too quickly for everyone and it was rather dissappointing to hear the home waltz being played. We are sure everyone will remember the generousity of Mr. Reichheld in making possible such a wonderful time.

True Canadians

The Nanticoke True Canadians met in the Town Hall, Nanticoke on Thursday evening, Feb 12th, with 42 young people present, among whom was an interested group from Jarvis.

The meeting opened with the Pres. Carl Lindsay in the chair. Items of business were discussed after which a short musical program was much enjoyed, consisting of Community singing and vocal solos by Gladys Lindsay and Russell Hare. The feature of the evenings entertainment was a very interesting address by our educational secretary, Mr. H. H. Hannam, presenting to us the possibilities and achievements of Club work. In his remarks Mr. Hannam congratulated our club on having two provincial presidents chosen from our organization, an honor which no other club has had and of which we true Canadians are justly proud.

After Mr. Hannams address the Eye Opener was read by Ernest Healey which was very educational and humorous. A musical selection by the Field Brother concluded the program, after which refreshments were served and a period of games and dancing was enjoyed by all.

The next meeting will be held at the home of Cora Henning, on the evening of Thursday, February 26.

25th Anniversary

The 25th anniversary of the Jarvis Woman's Institute was fittingly celebrated on Thursday, Feb 12th., at the home of Mr and Mrs J. J. Parsons by holding a noonday banquet.

About 60 members and guests were in attendance and presided over by Mr. J. J. Parsons.

After ample justice had been done to the wonderful spread provided by this institution, a very lengthy programme was presented and the proceedings opened with J. J. Parsons as toast master. He expressed his thanks to the W. I. for the honor conferred in asking him to preside at such a wonderful gathering. Mrs J. C. Payne, president of the county Association, gave a very interesting resume of the early history of the County Association, stressing the necessity of making every effort on behalf of social and community welfare, doing so with the spirit of optimism and faith on the true principles of our motto, "For Home and Country."

Brief and reminiscent addresses were made by the following, Past President, Mrs J. J. Parson, Mrs. Albert Meehan, Mrs. R. A. McCurter, Miss Cullen, and Mrs. Robinson.

Mrs. Chas. Montague sang a solo very effectively.

Mrs. Walker, Prov. Pres., was in attendance and brought with her a message of encouragement to all Institute workers.

HOCKEY

Monday night's game proved to be one of the fastest between our old rivals, the Businessmen and the Buttermilkers, the Business men put forth every effort to win the game and that chicken supper but the Hamilton Dairies team was too much for them, carrying the game into 30 minutes overtime and coming out one goal ahead.

The old veteran, Jack Brown, former goal tender for the old Jarvis Intermediates was in the net for the Businessmen but the Buttermilkers swept down on him from every angle until it made him think he was out in a hail storm. McNeilly, the Dairys stalwart defense man and Harris, the star centre for the Business men had a little dispute, but were immediately given a major by Smith, who handled the bell.
