• • •

HEN'S SPEEDING UP PRODUCTION

Moncton, N.B., August 21 — Technocracy has reached the henroosts in the Maritimes. At Dalhousie, New Brunswick, a hen which recently brached out into quantity production has taken to laying two-yolked and four-yolked eggs and as a result has got her barnyard associates all guessing. The four-yolked egg weighed exactly half a pound, was three and seven-eighths of an inch long and eight inches in circumference. Hearing of the feat of the New Brunswick hen, a bantam in Truro, Nova Scotia, thought she would go one better. At noon on examination, her nest was empty. Three and a half hours later the bantam was sitting on two eggs and while the surprised attendent was staring at the two eggs the hen produced a third. All three eggs were full size and normal in every way.

PARKINSON REUNION

(Continued from page one)

Egg Race—
1st. Laura Howard; 2nd, Stella Parkinson; 3rd, Mabel Thrasher.
Fat Ladies Race—
1st, Ethel Hazlett; 2nd, Arletta Parkinson; 3rd, Evelyn Hazlett.
Married Men's Race—
1st, Geo. Townson; 2nd. Geo. Parkinson; 3rd, Albert Fryatt.
Married Men Over 50—
1st, Emerson Miller; 2nd, Doc. Parkinson; 3rd, Will Parkinson, Manitoulin.

All too soon the hour of return to home duties approached and supper was served. The president, Mr. Wray Parkinson, expressed his satisfaction at the splendid success of their first effort and hoped for its continuance in future years. He referred to the branches of the family spreading over the Dominion and well into the neighbouring country to the south. He also reminded that the roots were formed in the glorious old land across the seas and asked loyalty of all to that land on all occasions. After singing "God be With You Till We Meet Again" many returned to their homes while some remained to the ball game between the married and single men, the latter carrying off the honours.

The next reunion will be held in the town park Port Dover, on the Second Wednesday of August, 1934.

CHIP OFF THE OLD BLOCK

The St. Thomas Times-Journal under date of August 21st has the following to say about Bruno Pollock, the star centre fielder of the St. Thomas Cats, in the third game of the playdowns with the Guelph Maple Leafs at St. Thomas on Saturday August 19th.

"The real star of the game was Bruno Pollock. He took eight fielding chances and didn't miss a one. In fact when he sprinted about fifty yards and leaped six more in the air to snatch Johnson's lovely swat just as it was about to leave the diamond for a homer, the crowd had to gasp a moment or two to get it through its head. In addition, he accounted for three of the eight runs brought in, and he walked twice."

All the old-timers around Jarvis will remember his dad, "Jim" Pollock when he played behind the bat with the Jarvis Wild Cats, and Oh Boy, how he used to pull them down.

UNIDENTIFIED WOMAN DIES

Injured in Motor Car Accident Near Simcoe

Simcoe, Aug. 29—An unidentified women died in Simcoe hospital late last night as a result of injuries received when the motor car in which she was ridin g overturned near Vanessa, Saturday.

The auto was driven by Chester Beumert of Welland. The woman died without regaining consciousness a third occupant of the car, Kados Sigmond, was also injured. The driver was unharmed.

Beumert told police he was driving Sigmond to Delhi when they picked up the woman after passing Hagersville.

A piece of paper with the name Lee on it was found in one of the pockets of her dress.

FOURTH MEETING JARVIS GRAIN CLUB

The fourth meeting of the Jarvis Grain Club was held on the 25th of August at the home of Mr. Richard Doughty. The following members were present: Harry Gowan, Cornelius O'Mahony, Billy Holland, Morgan Williamson, O. W. D. Sayer, Robert Doughty, Edwin Harvey, Earl Slater, Harold Harvey, Arthur Winger Lloyd Marr George Anderson and Stephen Payne.

At their meeting Mr. Skinner showed the members how to make a sheaf for exhibit at the fair.

The business part of the meeting was held and a short address by Mr. Skinner. The discussion of where to hold the next meeting.

Moved by Arthur Winger and Seconded by Edwin Harvey that we hold our next meeting at the home of Arthur Winger at 7 o'clock. Carried.

Moved by Edwin Harvey and Seconded by Lloyd Marr that we hold our next meeting on Monday September 18th. Carried

Moved by O. W. D. Sayer and seconded by Lloyd Marr that we do now adjourn. Carried.

President, Harry Gowan, Secretary
Stephen Payne.

No matter what one's interest or vocation in life, there is education combined with profit at the Canadian National Exhibition, Toronto. The dates this year are August 25th, to September 9th.

WRIGLEY ANNIVERSARY CHILDREN PLAN

The William Wrigley, Jr. Company Limited, Toronto, are this year entering 500 boys and girls between the ages of 12 and 16 years at the Canadian National Exhibition, Toronto, on Friday and Saturday, September 8th, and 9th. Railway transportation, including meals and berths as required, and official badges will be furnished, and from the time the children arrive at the Union Station Toronto, until the time they are again aboard homeward bound, the women attendants will also be provided. Boys will occupy quarters on one floor of the Hotel and the girls another. Jarvis will have the privilege of sending one boy and one girl, who have never been at the Exhibition and the selection will be made by a committee named by the Reeve, Mr. Lea. Marshall.

Mr. Denton Massey, founder and Leader af the York Bible Class of Toronto, a great lover of children, has agreed to act as Master of Ceremonies while the children are in Toronto. Responsible chaperons will look after the children from beginning to end, supervised by the Young Women's Christian Association of Toronto.

Beneath the roof of the combined Horse Palace, Coliseum and Live Stock Pavilion at the Canadian National Exhibition, Toronto, there are 24½ acres of floor space.

GOLDEN OPPORTUNITY FOR INVESTORS

The following prospectus was received by a well-known lady in the Village and she is anxious that all interested should have the opportunity to invest funds that are not working.

Monday, Aug. 21, 1933

Dear Madam:—

Knowing that you and your husband are interested and open for an investment in good live propositions I take the liberty of presenting to you what seems to me to be a most wonderful business and which no doubt you will take a lively interest in and perhaps write me by return mail the amount of stock you will wish to subscribe towards the formation of this company.

The object of this Company is to operate a large Cat Ranch in Northern Ontario where land can be obtained for the purpose.

To start with we will collect about one hundred thousand cats, each cat will average twelve kittens a year. The skins run from ten cents each for white ones to seventy five cents for black ones. This will give us Twelve Million skins a year to sell at the average price of thirty cents each making our revenue about Ten Thousand Dollars a day gross.

A man can skin fifty cats a day at two dollars. It will take one hundred men to operate the ranch, therefore the net profit will be about nine thousand, eight hundred dollars per day.

We will feed the cats on rats and will start a Rat Ranch next door. The rats will multiply four times as fast as the cats. If we start with One million rats, we will have therefore four rats per day for each cat, then we will feed the rats on the carcasses of the cats from which the skins have been removed giving each rat a fourth of a cat. It will thus be seen th t the business will be self acting and automatic all the way through. The cats will eat the rats; the rats will eat the cats and we will get the skins.

Awaiting your prompt reply and trusting you will appreciate this glorious opportunity of getting rich very quickly.

I remain, yours very truly,
Automatic Cats Unlimited.

P.S.—If you want to buy stock, now is the time to get a seat on the ground floor. The cellar is full. Stock subscriptions may be paid for in cats, live ones preferred.

Address:—
Secretary, U. C. Scatt,
c/o Rat Building, Catbourg.

This is no skim game.

President, I. Ketchem,
Treasurer, U. Skinem.

The dates of the Canadian National Exhibition at Toronto this year are Friday, August 25th, to Saturday September 9th, exclusive of Sundays.

Roaring plunging outboard motor boats, graceful yachts, and the sleek flimsy shells of the oarsmen will be aquatic features at the Canadian National Exhibition this year.

Farm Junior Services Well Attended

A gathering of more than 1000 people from all parts of the county assembled in the Dunnville Town Park on August 27th, to witness and take part in the third annual Sunday service under the auspices of the Junior Farmers Association and the Junior Women's Institute of Haldimand County. Mr. Geo. Dickhout and Miss Joan Richardson, presidents of the two organizations presided and His Worship Mayor Congdon opened the proceedings with a short address of welcome.

The program consisted of three hymns, the Lord's Prayer, led by Rev. Geo. W. Moore, scripture read ing by Miss Joan Richardson, two numbers by the Kohler Cayuga Male choir under the direction of Rev. K. Gretzenger, a selection by the Caledonia Junior Girl's Chorus led by Miss Jean Johnston and the benediction by Rev. Donald McQueen. The Fisherville band which had given a fine concert for half an hour before the meeting opened, also played a number while an offering was being taken. Among those on the platform was Mr. Mark C. Senn, M.P. Introduced by Mr. A. Gordon Skinner Agricultural Representative, Dr G. I. Christie, President of the Ontario Agricultural College, Guelph, the guest speaker, delivered an inspiring and instructive address. His subject was announced as "Some Rural Life Problems," but his remarks were just as applicable to urban conditions. Recalling the wonderful advances that have occurred during the past century, including telephones, motor cars, radios and aeroplanes he pointed out that in spite of all these it is evident there is something wrong. In the attempt to improve conditions Russia has been trying its five-year plan, and the United States has started an ambitious experiment, the outcome of which no one can forsee.

Whether Canada should follow the example of its neighbor to the south is now under discussion. In Dr. Christie's view it will be wise to wait for a time and to adopt such measure as experience shows to be successful, while rejecting the failures. His diagnosis of the cause of all the trouble led him to the conclusion that too many people were trying to get something for nothing. One of the problems to which he devoted some consideration was the lack of interest shown in educational and religious movements, and as a remedy he advocated that more gatherings for these purposes should take place in the homes, rather than in churches and halls.

The service was voted a great success by all who attended and in commenting on the event, Mr. Dickhout president of the Junior Farmers organization, took occasion to thank those organizations and individuals who assisted in making the service possible by the loaning of equipment or rendering personal service.

Bride Elect Honoured

Mrs. Ward entertained in her usual charming manner, the bridal party of her grand daughter, Miss. Kathleen Snowden, in honour of her approaching marriage to Mr. Harvey C. Lindsay, of Hamilton. Mrs. Turner poured tea, while Mrs. Bannister and Miss Jean Bannister very capably assisted.

The wedding took place on Monday, September 4th.

Special Exhibit At School Fairs

A $10,000,000. Loss. Farmers Take Notice

An announcement of some considerable importance to live stock men and farmers in general has just been made by the Department of Agriculture, Cayuga. By special arrangement with Dr. Lionel Stevenson, Provincial Zoologist, a special exhibit, dealing with one of the greatest menaces which the present-day farmer has to face, namely "Parasites," will be on display at each of the seven School Fairs held in the County.

It is conservatively estimated that Warble flies or gad or heel flies as they are often known, alone cause an annual loss of five million dollars in actual reduction of milk flow and loss of flesh, to say nothing of the suffering and discomfort caused by the grub in the animal's back. Internal parasites in sheep are responsible for the annual loss of another five million and no estimate has yet been made of the loss due to parasites in swine and poultry. Bot flies are another scourge which could be entirely eliminated in three years if the necessary precautions were taken.

Do not fail to see this exhibit which will be at your School Fair and discuss the problem with Dr. V. R. Brown, who will be in charge. He will be pleased to have you ask questions.

Tennis Notes

Tennis is gaining more enthusiasm as time goes by. Through the efforts of the young Peop e of the United Church, a suitable court was made on the church property in 1932, with a very few members signing up however this year over thirty two have become members and use the court for their spare time in healthful recreation. At the present time a tournament is in progress amongst the members and anticipation is reaching a high pitch over the result of the tournament which should be completed in the course of a week or so.

Robertson and Thomson Reunion

The annual reunion of the Robertson and Thomson families, was held on Labor Day, last, at the home of Mr. and Mrs. Matthias Grantham, Oakland, Ont.

Over Sixty members of these notesable Scotch families were present from Detroit, Sandwich, Paris, Hamilton, Brantford, Cainsville, Onondago, Rockford, Erie and Jarvis, and deep regret was expressed that others were prevented from attending.

A most sumptuous dinner was served at high noon and the afternoon spent in the usual round of games and sports in which both old and young took part.

At the tea hour each persons appetite seemed to return and after all had done ample justice the regular course of business followed.

Arrangements were made to meet next Labor Day at the home of Mr. Thomson, Onondago. Mr. Jas. Allen was appointed President and Mrs. Jas. Allen, Secretary for the ensuing year.

MRS. A. G. SAVITS

The funeral of Mrs. A. G. Savits, (nee Miss Myrtle Norrie) whose death accurred in Detroit, Mich., on Thursday last, following a serious operation, took place Sunday afternoon from the residence of Mrs. Frances Norrie, 31 Niagara Street, Hamilton and was very largely attended by a host of sympathizing relatives and friends. The services were in charge of Rev. H. A. Graham of Wesley United Church, a former pastor of Mrs. Savits, who brought a beautiful message of comfort to the bereaved and to all who were present. The pallbearers were four brothers, John Norrie, Wm. Norrie, Frank Norrie and Edward Norrie, and two brothers-in-law, Hubert Clark and Leslie Metcalfe. Interment took place in the family plot in Mount Hope cemetery. There were numerous beatuiful floral tributes testifying to the high esteem in which the deceased was held Mrs. Savits was a daughter of the late Mr. and Mrs. James D. Norrie, and for many years lived at Cainsville, (then in Brantford, removing to Detroit about eight years ago. In April, 1931, she was married to Albert G. Savits, of Detroit. She was of a particularly bright and cheery disposition, a splendid church worker, particularly in the choir, always ready to co-operate in any good work. Mrs. Savits was a loyal member of the Metropolitan M. E. church Detroit, and her pastor Rev. Dr. Allen, paid tribute to her beautiful Christian character at a service which was conducted on Saturday afternoon at her late home in Detroit, prior to the body coming to Brantford for burial. The immediate family were all in attendance at the funeral with the exception of a brother Lloyd Norrie of Winnipeg. His beautiful floral offering was a silent expression of his love and presence with them in thought.
