WEDDING ON A TELEPHONE POST

Stirred by the growing tendency of his fellow townsmen to use the newspaper for everything but advertising, a South Dakota editor recently asked them pertinently, in a page one box: If a member of your family died would you send out the obituary in a circular letter ? If your wife entertained, would you run a slide on a screen of the movie show ? If you were to enlarge your store, would you tell the folks in a hotel register ? If you were to have a wedding at your house, would you tack the news on a telephone post ? Then why in heck don't you put your advertising in the newspaper, too

ANGUISH FAMILY REUNION HELD

Large Gathering in Lynnwood Park to Mark 100th. Anniversary of Coming of Louis Anguish. Simcoe Man President.

One of the largest family reunions in this district during the present summer was that of the Anguish family, held in Lynnwood Park Simcoe, on Civic Holiday. There were 160 relatives present, coming from all parts of Ontario and a few from the United States.

It was the first Anguish reunion and it marked the 100th anniversary of the coming of Louis Anguish, progenitor of the family and United Empire Loyalist, who settled in Haldimand County a century ago. Among the numerous direct descendants in this vicinity are: Mrs. Andrew Vanderburg, a daughter of Louis Anguish, who resides just north of Simcoe; Mrs. Elizabeth Miller, of Simcoe, a granddaughter and Mr. John Anguish, a grandson, who was elected the first president of the gathering on Monday.

Following a sumptuous dinner, the afternoon was spent in sports and races, which were in charge of Earl Fleming, a great-grand-son of the pioneer. The oldest member of the family present for the occasion was Mr. William Rutherford, of Selkirk, aged 85 years, and the youngest was a little Brantford girl, who represented the sixth generation of descendants of Louis Anguish.

Mrs. Donald Harrison attended from Jarvis.

SANDUSK

Sandusk W.I.

On August 2nd. the ladies of the Sandusk W.I. entertained the ladies of the Varency W.I. at their grandmother's meeting held on the lawn at the home of Mrs. J. R. Pond. There were about seventy in attendance.

The meeting opened by singing the Ode followed by the Lord's Prayer. The minutes of the last meeting were read and approved.

The roll call "Where I Was Born" was responded too by both institutes. A few minutes were spent in community singing and items of business were discussed. It was decided that we should make a quilt. The Varency president, Mrs. Frank Saunders was called upon for a few remarks. This was followed by a vocal duet by Mrs. H. K. Saunders and Mrs. Frank Saunders which was much enjoyed. Mrs. Robert Miller, of Varency gave an interesting few minutes talk on the Haldimand Historical Society. We were then favoured by a recitation from little Miss Dorothy Lefthouse, in old fashioned costume.

The Sandusk trio the Misses Merle Kruger, of Hespeler and V. Bush and L. Werner of Sandusk, then favoured with hawaiian and vocal music. The trio were dressed in old fashioned costumes.

The topic was pleasingly presented by Miss Bertha Lofthouse, of Sandusk. More community singing was enjoyed, led by Miss L. Werner, after which we sang "God Save the King."

The parade of old fashioned hats and dresses took place and first prize went to Mrs. Smith, of Varency and second prize to Miss Anna Parkinson of Varency and third prize to Miss Merle Kruger in a wedding dress of fifty years ago.

A bag bursting contest was won by Mrs. Arthur Lefthouse of Sandusk. The grandmother's race was won by Mrs. Lunky, of Varency and the prize for the grandmother with the longest name was won by Mrs. Wm. Werner, of Sandusk.

Various snapshots were taken during the afternoon and refreshments of ice cream and cake were served by three grand daughters, Misses Kruger, Werner and Bush, who wore grand mother's costumes.

ANOTHER SUPER LIFTER

(Experimental Farms Note)

Lifting heavy super and honey off and on to a colony when the latter needs an examination is a back breaking job and bee-keepers have long been looking for some device whereby this particular part of the work might be made easier. Several super lifters have been devised but few if any of them have proved satisfactory in a one man apairy. Mr. Birch of the Bee Division at Ottawa has been interested in this problem for a long time with the result that he has now devised a lifter that can be operated easily and swiftly by one person. The "Big Four" lifters as its designer is pleased to call it, will raise one or more supers weighing 30 Opounds or more from the colony, en bloc, with an expenditure of very little energy. As the supers are being raised from the colony they are carried to a position out of alignment with the brood chamber and held there, thus permitting the brood chamber to be examined without iterference.

Furthermore, when the examination of the brood chamber is over, the supers may be put back in place with the same ease with which they were removed. It is true that the lifter does not permit of the placing of new supers next the brood chamber but some beekeepers are now claiming that it is immaterial whether the new supers are placed above or below the full ones.

The lifter is made of hardwood, weighs approximately 40 pounds, and costs about five dollars to construct. Hardwood, however, is not necessary for straight grained soft wood, will make just as strong a lifter, if a little stouter wood is used for the different parts. Any person handy with tools would find no difficulty in making such a lifter. The lifter is equipped with wheels to facilitate movement from hive to hive, but they play no part in the lifting of the supers.

JUNIOR SERVICE NEXT SUNDAY AT CALEDONIA

(Continued from page one)

standard time, in the afternoon. Plans have been completed for this annual event and a most cordial invitation is extended to all to join with the Haldimand Farm Juniors on this occasion.

The guest speaker for the service is the Rev. Geo. W. Tebbs, Rector of St. Luke's Church, Burlington, for the past sixteen years. Mr. Tebbs is also well known for his radio work appearing his one thousandth continuous broadcast without a break in the past three years. His work as a horticulturist is also widely recognized and he is a past president of the Ontario Horticultural Association. It would be difficult to find a speaker who is more capable of more pleasing to hear, and the Juniors are to be congratulated on their enterprise in bringing such an outstanding personality to the county. It is anticipated that an extra large crowd will be in attendance.

A special musical program is being arranged with the Fisherville Band giving a band concert before and following the service and also accompanying the congregational singing. The Caledonia Male Chorus, under the leadership of Mr. Cecil Shaw, will also appear on the Order of Service and render a number of selections.

In case of rain or inclement weather the service will be held in the Presbyterian Church, the auditorium being placed at the disposal of the Junior Committee through the kindness of Rev. David Jack, the Session and the Board of Managers of the Church.

Plenty of seating accommodation has been arranged for everyone in the grand stand at the Agricultural grounds with ample parking space nearby.

The death of Hazel Marion Wride, daughter of Mr. and Mrs. H. A. Wride of Walpole occurred at her home on August 6th., 1934 in her twenty first year after a short illness. Ha zel was well and favorably known in this community taking an active part in church work and public life in general. Her ability as a reader was outstanding and her efforts were always looked forward to in any entertainments in which she took part. After graduating from the Robinson Business College at Waterford, she took over the teaching duties at the Welland branch of that institution until forced to give up on account of her health.

DR. MURIEL MacLENNAN

Following an illness of some months duration. Dr. Muriel MacLennan, Eldest daughter of Rev. Geo. A. MacLennan and the late Mrs. MacLennan passed away in Victoria Hospital, London, yesterday, August 22. Dr. MacLennan graduated from McGill University in 1927 and for three years taught Anaethesia at the Medical School of Western University, London, later starting practice of her own in which she was eminently successful.

Muriel spent her early years in Jarvis and during that time she had endeared herself to many warm friends who will deeply regret her untimely passing.

The funeral is being held today in London. Her mother predeceased her two years ago. The many friends in Jarvis and vicinity extend deepest sympathy to her father and sister who are left to mourn her early demise.

Canadian and international model airplane competitions will be a novel feature of the Canadian National Exhibition this year. The sustained flights of these little scale model "ships" are remarkable. Canadian boys recently distinguished themselves at the United States national model competitions at Akron, Ohio.

Jarvis Girl Suffers Unfortunate Accident

While enjoying a brief holiday at the home of her aunt and uncle, Mr. and Mrs. Wm. Walker of Williamsville, N.Y., Miss Marjorie Reicheld had the misfortune of breaking her shoulder on Tuesday of this week when she fell from one of the tables in the park adjoining Mr. Walker's home. She was immediately removed to the children's hospital in Buffalo for treatment. Although no serious complications are likely to arise from the injury the period of convalescense will unboubtedly be very painful. Her mother, Mrs. F. W. Reicheld and Mrs. Fred Creswell left for Buffalo immediately upon hearing of the accident.

BASEBALL

Down in history once more for an other year at least goes the activities of the two Jarvis baseball teams the Juveniles and the intermediate "B". With both teams away to a poor start at the first of the season they made a fine showing toward the end and the Juveniles became the Haldimand County League champions, while the intermediates accepted defeat at the hands of the Dunnville team.

The Juveniles came up against company altogether out of their class when they met "McLarens Invincibles" of Hamilton, which team looks to be the champions of the Province. The first game at Jarvis went in favor of the visitors so a score of 12—3, while the second and deciding game in Hamilton gave the home team a decisive shut out 16—0. However the boys had nothing to be ashamed off in being beaten by such an outstanding team.

The intermediates lost their game with Dunnville for the league championship by a rather decisive score also. The Dunnville team played outstanding ball while the Jarvis boys had just one of those days when the black cat was everywhere. Dunnville were confident of a victory and they sure got it, it was certainly one time when confidence was responsible for a win. Their belief that they are more capable of representing the Haldimand County league than Jarvis is possibly an attitude accepted by themselves alone. However we hope that the efforts they put forth for the provincial championship will put them right up on top even though it seemed impossible for Jarvis and Dunnville to co-operate in a very satisfactory manner throughout the season.

The Gospel Tent Has Gone

The townsfolk of Jarvis and vicinity join in wishing it and the two enthusiastic young Evangelists Gods blessing upon their efforts, both here and elsewhere. They were greeted with a wind storm on opening night in the tent, and strange to say the final Sunday afternoon, the wind held sway again for a short time. But inspite of their difficulties the campaign was enjoyed by everyone that attended. But we hear of some people that intended to be there but found that Sunday P.M. was the final service. There was no new theory or doctrine taught, just the plain Old Gospel. That Jesus Christ came into the world to save sinners. These two boys who have given their life to God for service and the extension of His Kingdom deserve a lot of support and credit for their untiring efforts. The close of the campaign here, marked the 16th. week of services held in the Gospel Tent this year. Visitors from Hamilton, Hagersville, Boston, Simcoe, St. Marys and elsewhere attended these services and the denominations represented far out numbered the towns and cities from which they came. But all returned home blessed and inspired by their visit to the Gospel Tent.

The campaign here closed with several deciding to serve God more closely and give Him their all. They leave town with the knowledge that their efforts have been rewarded and they leave the results in the hands of the God that they serve, knowing that His word shall not return unto Him void, but shall accomplish that whereunto it was sent.

After a short rest they will take up their work again wherever their Master whom they serve shall please to send them. —Contributed

Plowing Match To Be Held Near Caledonia

Thursday, October 25th., 1934 Is the Date Set

The farm of Mr. Ed. Grinyer about three miles north-west of Caledonia in Seneca township was approved at a meeting of the Haldimand County Plowmen's Association held recently as the site for the 1934 Plowing Match.

The field selected was described by members of the Grounds Committee as being one of the most satisfactory yet used by the Association from standpoint of soil condition, it being of a loamu nature. The farm is well located and easily reached by good roads from any direction, being about a mile west of Highway No. 6 on Unity Church side road.

The date for the Match is October 25th., the fourth Thursday of the month.

The Officers and Directors are making every effort to see that the 1934 Match is up to standard and plans are being made to accommodate an increased number of plowmen and a very large attendance.

Appreciation

The programme committee of the Women's Association of the United Church, Nanticoke, wish to express their sincere appreciation to the Jarvis Band upon the excellence and ability of their newly formed organization, who so ably assisted with the programme at our recent lawn social.

(Signed) Committee.

The above expression of appreciation from the Nanticoke Women's Association, is a worthy comment to the efforts of the leader and members of the Jarvis Band organization and they will undoubtedly be spurred to greater efforts knowing that their present efforts are being recognized.

Jarvis Students Did Well

The three young people from Jarvis who attended the Robinson Business College of Waterford last year did credit to themselves and to the school.

Miss Gladys Haslett enrolled for an Advanced Secretarial Course usually requiring from sixteen to eighteen months and Gladys will graduate in fourteen or fifteen months. Arthur Holterman and Bruce Slater enrolled for our Complete Office Training Course, usually requiring from thirteen to fifteen months, and these young men should graduate in twelve and thirteen months respectively.

The ordinary Commercial, Shorthand and Stenographic Courses can be completed in from eight to ten months, but our Jarvis students decided to take heavier courses and are to be congratulated on their showing.

Fall Term opens on Tuesday, September 4th. Good board at $3.50 from Monday to Friday or furnished rooms for light housekeeping may be obtained. O. U. Robinson, Principal, Telephone 98 Waterford.

Nowhere else in Canada is the unquestioned business recovery so emphasized as at the Canadian National Exhibition. The uptrend was quite apparent last year and Exhibition authorities assert that there is ample indication of further progress toward normalcy this year. The improvement is particularly marked in the industrial section.

CARD OF THANKS

Mr. and Mrs. H. A. Wride and family wish to express their sincere thanks to the friends and neighbors for their kindness and sympathy during their recent sad bereavement.

CUPIDS CAPTURE

BARRETT—MACPHERSON

A wedding of interest to a wide circle of friends took place at the United Church, Waterford, on Tuesday, August 14th., at six P.M. when a large number of friends witnessed the marriage of Dorothy Dell, eldest daughter of Dr. and Mrs. A. D. MacPherson, to Mr. Hubert J. H. Barrett, son of Mr. and Mrs. W. H. Barrett of Port Dover. The church was tastefully decorated with ferns and gladiolli, the guests' seats being designated with bouquets of pink roses and white satin ribbon. The ceremony was performed by Rev. H. Wilkins, of Waterford, assisted by Rev. D. J. Cornish, rector of St. Paul's Church, Port Dover, Mr. Francis McLean, of Hamilton, sang in a fine voice "Because" during the ceremony. The ushers were Mr. Gerald MacPherson, of Toronto Dental College, brother of the bride and Mr Arthur Barrett, Port Dover, brother of the groom.

The beautiful young bride entered the church on the arm of her father, to the strains of Lohengrin's Wedding March, played by Mr. P. G. Marshall, L.A.B., of Simcoe.

The bride looked charming gowned in white lace with chiffon yoke, over white satin, having long sleeves with point over the hand, long train, and were the customary long trailing bridal veil caught up with orange blossoms in cap effect. Her shower bouquet was lilies of the valley and bouvandia. Her a tendants were Mrs. E. H. Graham of Leamington, as the matron of honor. Miss Mildred Miller of New Liskeard, school friend of the bride at MacDonald Institute, and her sister, Miss Elosie MacPherson, as bridesmaids, becomingly gowned alike in light blue organza over blue satin, with flounces at the bottom of the long skirts, large matching hats and white accessories. They carried shower bouquets of Johanna Hill roses. Little Miss Nora Barrett, niece of the groom, of Port Dover made a lovely flower girl, dressed in yellow organdy with large matching hat, and carried an old-fashioned nosegay of yellow roses and delphinium. The groom was supported by his brother, Mr. R. P. Barrett, of Toronto.

After the marriage ceremony a reception was held at the beautiful home of the bride's parents on St. James Street, the living room being decorated with gladiolli in light shades. The bride and groom were assisted by the parents of the contracting parties, Mrs. MacPherson being tastefully gowned in white chiffon printed in black with large black hat and white accessories; and wore a corsage bouquet of Talisman roses. Mrs. Barrett was dressed in a gown o grey suede lace, with blue hat and accessories, wearing a corsage of roses. A dainty buffet lunch was served to about seventy guests, the dining room being tastefully decorated with yellow roses and other flowers in blue shades. Mr. and Mrs. Hubert J. H. Barrett left later by motor for Hamilton, taking train to Montreal and sailing Friday morning on the Duchess of York for a stay of about three months in England, after which Mr. and Mrs. Barrett will be home to their friends in Toronto after November. The bride travelled in a gown of pink crepe with long plaid coat in shades of pink and brown, with Breton sailor of brown and brown accessories.
