EFFECT OF 4% COUPON

The successful conclusion of the 1932 Government Loan should produce beneficial results. Although the yield on the bonds is 4½ per cent the Department of Finance has floated an issue with a 4 per cent coupon rate, the lowest coupon with which the Dominion has offered on a long term issue in many years.

The establishment of a 4 per cent coupon rate is a gain of immeasurable benefit to all borrowers, particularly to all bodies having outstanding funded obligations. In Canada the average price of commodities has dropped virtually to pre-war levels. This has increased the burden on the shoulders of all debtors. Even with no diminution in the turnover, lower prices bring lower profits.

The only fashion in which debtors such as municipalities and corporations, can reduce the load is by replacing capital bearing interest at high rates with capital on which the lender will accept a lower annual return. Thus the lower coupon rate of the 1932 loan will ultimately have benign effects on Canadian business generally by establishing the precedent which will lead to lower interest rates.

On the conversion of the British 5 per cent loan of £2,085,000,000 into securities bearing 3 per cent interest, the London Times makes these comments which apply with almost equal force to the recent Canadian Loan

"The gain to industry and commerce will be no less marked than to Governments. It will, for instance enable companies with dear securities to refund them on a cheaper basis, and the resultant savings would inure to the advantage of equity holders upon whom has fallen, quite properly, of course, the full weight of the depression in trade and in earnings. This, however, does not exhaust the benefits of conversion. Capital values have been restored by it to the tune of hundreds of millions and the practical and psychological effects of this appreciation of securities, though difficult to measure, are unquestionably very great. It helps, for instance, to recreate reserves which last year had to be encroached upon to make good depreciation in securities, and to improve the balance-sheet of every company holding investments. The fact that an investors securities are rising instead of falling pre-disposes him to spend and to invest afresh."

Youthful Strength

Dr. Magnus Hirschfeld, the world-known authority on Sexology and Director of the Institute for Sexual Science of Berlin, Germany, created

TITUS-PEARLS

to help the millions of men and women who have lost or are losing their vital physical power. In his 35 years of practice and research, however, he realized that the weakening of many glands was also responsible for other troubles: High blood pressure, hardening of the arteries, physical exhaustion after work or exercise, dizziness, depression, neurasthenia, etc.

All these troubles can be removed with Titus-Pearls. Numerous cases were treated by Dr. Hirschfeld in his Berlin Institute.

L. S. (State Official; 60 years old, married) complained of physical exhaustion, dizziness and tremors. Was easily tired. Mental powers dull and slow moving. Physical powers had been incomplete for previous 5 years. Blood pressure too high. Given 2 Titus-Pearls 3 times a day! 2 weeks later the medical report on this man was: General health better, more vigor; dizziness much less and returning of power. Treatment continued and 2 weeks later L. S. reported again, this time to say that all weariness and exhaustion had gone; he felt fresh and buoyant. His blood pressure had fallen and at 60 years of age he had gained the physical power and virility that he had known in the prime of his life.

Start regaining your youthfulness now! To-day! In 2 weeks time you will be aware of the new, virile force within you. Send $5.00 (cash registered or money-order) for 2 weeks treatment. Write for booklet. C.O.D. Orders accepted.

SANDUSK

Miss Frances Nicol has been enjoying a weeks holidays visiting with friends in Buffalo, N.Y.

Mr. Walter Hill attended the Royal Winter Fair in Toronto last week.

Mr. and Mrs. Court Evans, visited with Mr. and Mrs. F. C. Booth on Sunday last.

On Friday evening last, about seventy-five of the friends and neighbors of Mr. and Mrs. Kenneth Dougherty gathered at the home of his parents Mr. and Mrs. L. R. Dougherty, to offer to them congratulations, on their recent marriage, and present them with a variety shower. The evening was spent in games and community singing, and after the presentation of gifts, which were many and useful, the party were all served with a dainty lunch provided by the guests 'Twas early in the morn, when all journeyed home to their homeward after wishing the bride and groom many years of happy married life.

Sincerity and pure truth in every age shall pass current.

PIONEER PASSES

Last Rites Held for Mrs. Margaret Moody. Interment at Fernhill

The late Mrs. Moody was formerly Maggie DePlante and lived in Jarvis many years ago. The family were quite popular here, way back in those early seventies. Their residence at that time was the house on the south side of the Bank or Commerce.

Mrs. Margaret Moody, pioneer of Aberdeen, Wash., U.S.A., died recently at the age of 79. Mrs. Moody came to Aberdeen in 1893 and was widely known among old-time residents of the city.

Surviving her are a son, Fred G. Little, Portland; another son, Alber D. Moody, Aberdeen, with whom she made her home, a granddaughter, Frances Moody, a sister, Mrs. Nancy Brackinreed, Aberdeen, and a brother, Allen DePlante, Portland. She was a charter member of the Review club of this city.

Funeral services were held at 1 o'clock at the Whiteside chapel with Rev. William D. McDowell officiating and interment was made at Fern Hill cemetery. Pallbearers were friends of many years. Messrs Jose Hanson, Ernest Lindstrom, Dr. B. N. MacLafferty, W. L. Brackinreed, William Wallace and I. H. Engen. the later being nephews of the deceased.

Mrs. Moody was the widow of R. N. Moody, an early pioneer and builder of this city. Their home was one of the ideal spots in Aberdeen Both were lovers of flowers, and their home life was a model. Mr. Moody was one of the founders of the Quick Print Company, a man widely respected and of unimpeachable character. Mrs. Moody was an ideal helpmate to him, and their influence on the early history of this town was of the very best.

The following account of the death of the late Mrs. Moody was taken from an Aberdeen paper.

RODGERS AT HIS BEST IN "DOWN TO EARTH"

Offers His Most Brilliant Humor In New Comedy From Fox Films

After traveling about in various wild portions of the globe, both actually and in his recent screen plays, Will Rogers elects to return to his native Oklahoma for his latest Fox Films offering, "Down to Earth," which opens at the Regah Theatre on Tuesday.

While a prophet is proverbially without honor in his own country, a philosopher fares better. In this highly arousing picture the noted humorist delivers himself of some pungent observations on world-wide conditions that were joyously relished by the last audience.

This doesn't mean, however, that Rogers is growing didactic. Despite the economic background and the fact that the film has rather more of a plot than its predecessors, it is in many ways one of the funniest offerings our unofficial ambassador has yet turned out. Mirth-loving fans should find plenty of entertainment as the story unrolls.

The charming Irene Rich reappears in "Down To Earth" as Will's socially ambitious wife, with Dorothy Jordan, Matty Kemp and Mary Carlisle as the juvenile trio who handle the romance of the picture delightfully.

Theodore Lodi, Brandon Hurst and Clarence Wilson head the supporting cast. David Butler's direction is noteworthy, as is the story itself, written by Homer Croy specially to fit the star's personality.

Doctor—"Where shall I vaccinate you ?"

Modern Girl—"Oh, anywhere; it's bound to show."
