BRAY ORDERS INCREASED 10 TIMES IN 7 YEARS

Join the "Bray Family" in 1934

Bray orders have increased TEN times in the past seven years. That is a better recommendation for Bray chicks than anything else we could say. The fact that our customers come back, year after year, with repeat orders, is proof that Bray chicks SATISFY.
There are definite reasons for this increasing popularity of Bray chicks:

Livability and Growth—Bray chicks won 54% of the prize money in a chick-rearing competition last year, against chicks from 44 other hatcheries.
Vigor and Stamina—Our breeding flocks laid sterilly all last winter, while so many flocks were "held back" by cold weather.
Freedom from Disease—This is our 8th year of bloodtesting and 6th year of Government Approval.
See the manager of your nearest Bray Hatchery for information about Bray FOUNDATION GRADE chicks, from eggs averaging 27-28 ounces to the dozen. Or write to us direct for FREE booklet "Highway to Poultry Success in 1934."

DISTINGUISHED CITIZEN PASSES IN NINETIETH YEAR

ficial.

In politics he was an ardent Liberal, but was never influenced by any policy not for the public good, and was always a willing listener to any project that bid for the advancement of the Village or surrounding community, standing firmly and steadfastly, at all times to the inherent principles of right above might.

He was a devoted member of the St. Paul's Anglican Church, Jarvis for many years a Warden, and for forty years Lay Delegate to the Synod.

While it may not always agree with the sentiments of the Editor, it is far from us to expect such, but we consider open discussion is at all times beneficial on all matters pertaining to the public welfare. "EDITOR"

Mr. Editor:—

Would you kindly allow me to use a little space in your paper for an explanation. As is generally known, I was recently engaged as Secretary to the local Board of Education, but on Saturday last handed in my resignation. I understand, according to a report in "the floating talk of the Village," that I resigned over some Insurance policies, but this is absolutely false.

It so happened when I was checking over books and papers of the Board. I found two insurance policies which, according to dates, had been carried for over a year and paid for, but which were not in force because they had not been countersigned by the agent. Late Friday night I called the attention of two members of the Board to the oversight, or whatever it was, and a special Board meeting was called for 9 A.M. Saturday to deal with the matter. All but one of the members attended—I congratulate him on being absent. Things were explained — a good-natured discussion followed. I think the only direct "butting-in" I did was in saying I thought it was a rotten piece of business for two out of three insurance policies to be held by an outside agent on a local public building and the largest one in an American Company and some of the Board agreed with me. Outside of this, I made no suggestions. No, Mr. Editor, I did not resign over the insurance policies, but I did resign because of the fact that out of three meetings of the Board which I attended, two of them were disgraceful to any civilized community according to my standard of respectability. Let me say, not boastfully, that I have taken a prominent part in a great number of business meetings but even in the "wild and woolly west" they have never countenanced the behaviour ? of these two meetings and it is high time that the ratepayers or Ministry of Education would step in and take an interest in the education of the young people of this village instead of allowing personalities to be the ruling feature.

Pope in his "Essay on Man" said: "Lo, the poor Indian, whose untutored mind, sees God in clouds or hears Him in the wind." If Pope was alive today, I would like to introduce him to the other side of life as portrayed in some of the meetings of the Jarvis Board of Education.

Yours for Education,
Byron C. Simmons.

GEORGE WILLIAMSON OF SIMCOE BURIED

Was Former Mayor and Well-Known Business Leader

Simcoe, March 23.—Four times Mayor of Simcoe, and for many years a leader in the town's public and business life, George Williamson was today laid to rest in Oakwood Cemetery. The funeral was conducted this afternoon from his home Colborne Street South, Rev. A. R. Ferguson being in charge of the service, assisted by Rev. G. K. Bradshaw.

The late Mr. Williamson was a native of Walpole Township and was in his seventy-seventh year. He came to Simcoe in 1886 and had resided in this community continuously since then. Most of his business career was taken up with the proprietorship of one of Simcoe's leading stores, his retirement coming in 1927.

He was this town's wartime Mayor, having served in the chair for the four years from 1914 to 1917 inclusive, having been elected to office by acclamation, on each occasion. In addition to this he served as President of the Board of Trade the Phoenix Club and the Liberal Association and was one of the founders of the Norfolk Children's Aid Society. He was also closely connected with the work of the Norfolk Historical Society, of which he was First Vice-President.

Surviving him are his widow, two daughters, Mrs. D. A. H. Nelles, Simcoe, and Mrs. H. K. Detweiler, Toronto; and one sister, Mrs. J. A. Martin, Toronto.

Wesley United Church Easter Festival

Very successful services on Sunday concluded the Lenten and Easter period at Wesley United Church On Good Friday morning, a good congregation assembled for worship The minister, Rev. P. E. Deeth, spoke on the meaning of the Cross in our Christian living and Miss Willa MacMurchy and Miss Alice Simpson sang a duet, 'The Old Rugged Cross'

Sunday, despite the condition of the roads the church was well filled and the services were appropriate to the spirit of the occasion. In the evening the choir loft was filled with over thirty junior members in addition to the regular choir when the joint choirs rendered a Cantata entitled "Behold He Liveth." Solos, quartettes, duets and choruses were very much appreciated by the large audience. The minister spoke for a few minutes on the resolutions of the Easter story in the minds of the early disciples and its place in the life of Christians to-day.

Much credit is due to Miss MacMurchy and her associates who with such painstaking patience, trained the young folk to interpret such a splendid piece of music.

Knox Church Easter Cantata

The Cantata, "The Glory of The Cross," presented by the Presbyterian Church Choir on Monday evening in the Town Hall, was finely rendered.

It was the story of Christ's death and resurrection told by symbol which was worked out by junior members of the congregation; by passages of scripture, excellently read by Mrs. Fleming; by solos, quartettes and anthems given by members of the choir; and by hymns sung by all present.

This was not a concert, but an attempt by the choir to emphasize the message of Easter. It was a splendid effort successfully carried out.

The audience was fairly large, and the theme was followed with keen interest throughout the two hour presentation.

Congratulations are due the choir for offering the public this somewhat unusual type of enjoyment.

"Deacon Dubbs" Well Presented In Garnet Church

On Thursday evening of last week a play entitled "Deacon Dubbs" was presented in the Garnet Church under the auspices of School Section No. 11. The audience which filled the church to capacity, showed the warmest appreciation of the highly dramatic and humorous story. A foreclosure on a farm, a villian who tries to black mail his wife, and an uncle who rescues the unhappy lovers by his generosity and daring suggest part of the interest, to say nothing of a romantic Swedish girl and an impish niece. The parts are all unusually well taken and combine to provide a very interesting evening's entertainment.

Jarvis people will have an opportunity to see the play on Tuesday evening, April 10th, when it is to be presented in the Town Hall.

The Canadian Red Cross has not only maintained but increased its services, Dr. J. L. Biggar, national commissioner, reported to the annual meeting of the Society held at the Royal York Hotel, Toronto, recently. Increase of gross revenues was about $150,000 he said, despite the difficult times.
