BRIEF NOTES FOR THE BUSY FARMER
— By Haldimand Harry —

October was the first time in many months the percentage of Haldimand hogs in the top grade was higher than it was for the corresponding month of the previous year. During the month just closed, Haldimand producers sold 2258 hogs of which 803 or 35.56 per cent were in gradee "A". A year ago thee sales were 1455 hogs with 33.88 per cent in the top grade. It is of course too early to know if the downward trend in hog quality has been stopped.

-oOo-

Speaking at a meeting of the presidents and secretaries of the Ontario Hog Producers Association recently, Mr Elgin Senn deplored the low grade that was being produced. He stated that in his opinion the reason for this situation was partly a lack of concern and interest in the "Quality" premium. Other reasons advanced were, increase in the use of the self-feeder, crossbreeding, low quality of breeding stock and the use of antibiotics.

-oOo-

Incidentally Haldimand hog producers should be interested in the new marketing scheme that is being promoted by the Ontario Hog Producers Association. Space does not permit a full discussion of all the details of the "Central Marketing Agency" here but it wold appear that an effort is being made to keep more control of the selling of the hogs in the hands of the producers or the producers' agent. The whole matter will be discussed at a meeting of the Haldimand Hog Producers Association to be held at the Rural Youth Centre on Friday, November 21st.

-oOo-

A new bulletin on soils and their improvement has just been issued by the Ontario Department of Agriculture. It is number 492 and is written for the farmer in non-technical terms. In reality it is a review of the whole soil situation in Ontario that should constitute "must" reading for every farmer in the province. Haldimand farmers will find much or interest for them and they can se. cure a copy by writing to their agricultural representative.

-oOo-

Live stock populations for Haldimand county have just been issued as of June 1st and they are rather interesting. As might be have expected there has been a further drop in the number of horses kept in the county and the new figure is the lowest it has ever been since statistics have been kept, the figure being slightly under 3,000 head. On the other hand and no doubt as a result of the embargo on cattle going

to the U.S. there has been an increase in the number of cattle in the county. This is reflected all along the line in both beef and dairy sections and all ages. The total increase is not quite as much as might have been expected, although sufficient to create an awkward situation in the cattle industry

Meeker is on the regular line-up of Toronto Maple Leafs of the National Hockey League.

C.C.F. HEALTH PLAN

Ontario C.C.F. leader E. B. Jolliffe in a radio broadcast this week urged that Ontario municipalities be relieved of the burden of certain health costs. He said this would be a good start on establishment of a national health plan.

Mr. Jolliffe said Premier Frost should be urged to give such relief. "Instead of abusing the municipalities and telling them to tighten their belts, he should be using some of his swollen surpluses to take up burdens which they cannot carry any longer" he said.

The C.C.F. leader said that just how soon a national plan is established depends on the people themselves. He urged that letters be sent to federal and provincial members of parliament by all persons who believe a national-provincial health plan is over-due.

HELP FOR HOUSEWIVES

Housewives waste too much time, talent and energy on routine housework, says Ontario Health Minister Mackinnon Phillips. He said the Ontario Health Department plans to try to teach housewives how to do their work more efficiently. For instance the department will show how kitchen equipment can be arranged to save steps. He said the department also is considering reorganizing rural and small town public health services on a new basis. Neighboring townships would be combined into health units regardless of county lines.

On The Farm Front

BRIEF NOTES FOR THE BUSY FARMER
— By Haldimand Harry —

Probably one of the most significant bits of information that comes out of the hog marketing statistics for the month of October is that the marketing of sows is just as timed what they were for the same month of last year. Whereas, during October 1951, Haldimand farmers sold 26 sows, they sold 161 last month. This would seem to add up to a considerable drop in hog population before too many months.

-oOo-

No doubt the reason for this is that farmers are finding that it is not paying them to stay with pigs at current prices. This is fairly well borne out by the hog-barley ratio which is frequently used as a measuring stick to determine whether or not hogs are a profitable venture. The long-time ratio of 17.4 is supposed to give a reasonable return. However at the present floor price of $26.00 and current costs for feed this ratio stands at 15 and this pretty well wipes out the profit angle.

-oOo-

This has been an excellent fall for the gathering of soil samples and all farmers who intend to plant spring grains and use fertilizer would do well to have their fields tested. This is a service which the Department of Agriculture is glad to supply. Soil boxes and full instructions for the taking of samples can be obtained free of charge from your agricultural representative. It would be a good idea to get these samples gathered and sent in before the freeze-up.

-oOo-

Clean barnyards have been no problem this fall with all the dry weather. It is quite possible however that the rain to start almost any time and then the trouble of mud and manure mixed yards will commence. Dry conditions contribute to foot rot, make cows dirty and add to the chore of cleaning the stable. On the other hand paved yards are easy to clean and keep clean, give the herd a sanitary and safe footing and contribute to the general sanitation of the entire farm set-up. Paved yards are not new in Haldimand and it might be a good idea for more farmers to give some consideration to this matter.

-oOo-

Over-crowding is one of the greatest sins in the housing of poultry and particularly is this true during the winter season. It should always be kept in mind that there should be at least 3 to 4 square feet per bird, with the lower figure applicable to the lighter breeds and the higher for the heavier breeds. There should be a minimum of 32 lineal feet of feeding space per 100 birds; an eight gallon waterer per 300 birds and one quart per five birds in the pen. As for roosting space, the minimum is 6 inches and even up to as much as 9 inches for the larger breeds.

-oOo-

If there are crowding conditions in your laying pen then it may be time to cull the flock down to the proper size. As a matter of fact it is good business to follow a continuous culling practice during the whole year. When a bird stops laying she stops paying for her keep and she eats. It is of course comparatively easy to tell non-layers. It is not quite so easy to pick the non-producers which will lay again from those that are permanent boarders. The "start" boarders are the birds that should be eliminated from the flock.

SILVER STAR REBEKAH LODGE REGULAR MEETING

The regular meeting of Silver Star Rebekah Lodge was held on Tuesday night in the I.O.O.F. Temple. In memory of the late Sister Mrs. Laura Braund, the ceremony of Draping the Charter was exemplified by the officers, under the direction of Mrs Mary Marr with Mrs. Margaret Parkinson reading an appropriate selection.

The meeting was conducted by the Noble Grand, Mrs. Nellie Miller, assisted by Mrs. Gertrude Smith, Vice Grand, who reported Mrs Flora Dosser as being on the sick list.

The Secretary, Mrs. Mary Krause read a letter from D.D.P. Mrs. E. M. Oberholtzer of Port Rowan, reporting on the visit on November 15th, 1952 of Mrs. Ethel Hobbs, Deputy Vice President, Mrs. Bothwill of Toronto to Simcoe District 18. On the Fifteenth, Mrs. Bothwill will be the guest of the Port Rowan Lodge, where following the business, a tableau of the "Holy City" will be portrayed. On the Seventeenth the Lodge will gather at Cayuga, where Jarvis will perform the opening ceremonies, Echo Lodge, the business and closing portions and Forward Lodge a Friendship Ceremony. On the Eighteenth, Simcoe will be the hostess lodge with Central Link performing the opening and Fern the business section and the closing ceremonies with Silver Lake, Port Dover the initiation degree. Honour War Dead At Remembrance Service Sunday

Remembrance Day Services as arranged by the Ministerial Association of Jarvis for the Councils of the Township of Walpole and the Village of Jarvis were held in the Jarvis Churches and at the Cenotaph last Sunday afternoon, November 9th.

Remembrance services were held in the local churches by the respective congregations at eleven o'clock then shortly after noon the servicemen and citizens of Jarvis and district joined together at the Cenotaph to make a joint act of Remembrance to the fallen of both World Wars.

The servicemen, in charge of Squadron Leader Harry Gowan, D.F.C. and Bar, paraded from the Town Hall to the Cenotaph where the service was held. "O Valiant Hearts" sung by all opened the service with the Rev. J. M. Dykstra of the Jarvis Christian Reformed Church reading the Scripture. The roll call for the fallen of Walpole Township was called by Reeve E. M. Waldbrook and for those to be remembered from Jarvis, by Reeve George W. Walker. Following the period of silence, the Rev. W. H. Fuller of Knox Presbyterian Church led in prayers of remembrance. The Rev. Dr. Arthur Packman of Wesley United Church gave a short but very thoughtful address following which Mrs Berkley Mitchell placed the wreath for the Province of Ontario at the foot of the Cenotaph and Mr Gordon Blight in memory of his brother, Leslie on behalf of the family. The service closed with the prayer of dedication by the Rev. K. S. G. Richardson of St. Paul's Anglican Church.

At the R.C.A.F. Plot in the Presbyterian Cemetery, flowers were placed on the graves of men killed while in training at the No. 1 Bombing and Gunnery School at Jarvis during their training in the war years. At the conclusion Dr. Packman pronounced the Benediction.

Local Teachers Visit Washington

The annual Convention of the Haldimand Teachers Institute this year was held in the form of a conducted tour to Washington, D.C. and parts of the State of Virginia. The tour commenced last Friday afternoon, November 7th and returned to Canada on November 11th. Several teachers from Jarvis and the surrounding area were among the Eighty-eight who attended together with members of their families. Among them were Mr. and Mrs. A. J. Smith, Mr. and Mrs. Harold Smith, Jackson, Mr. and Mrs. Carl Jaques, Mr. and Mrs. Russell Pond, Mr. and Mrs. Ross Bailey, Miss Ruby Johnson, Miss Myrtle Johnson and Miss Dorothy Voley. The trip, conducted by the Lucas Travel Service, of Hamilton, was entirely by bus and included visits to the White House, the Capital Building, the Pentigon, Smithsonian Institute, Several National Monuments, the Revenue Department and the Pan American Building. In Virginia the teachers visited Mount Vernon and Arlington National Cemetery and the home of George Washington.

HALDIMAND JUNIOR FARMER NEWS

Thursday, October 30th, marked the annual Jr. Farmer and Jr. Institute public speaking competition at Kohler.

The you ever stop to think how lucky you are to be a Canadian ?" was the topic chosen by Bill Saunders, first prize winner. Bill enumerated the wonderful advantages enjoyed in our country; our rich natural resources, our freedoms, and the beauty of our countryside.

The theme of the second prize winner, Miss Mary Hagan, was "Try and Try Again." Mary gave historical illustrations to show how important trial and effort were to success in our undertakings.

"The Foot and Mouth Disease" and its effect on our farming economy was particularly interesting and informative. This address placed third, was delivered by Mr. Geo. Mowat.

The judges for the competition were Mr. Roos and Mr. Jones of Cayuga.

Deputy Governor Bill Mott Visits Jarvis Lions Club

The highlight of the regular meeting of the Jarvis Lions Club on Monday night was the official visit of Deputy Governor Bill Mott, of Waterford. He was accompanied by Lions Jerry McPherson and Ken Richardson of the Waterford Club.

The Deputy Governor, who was introduced by Zone Chairman Laird Miller, complimented Lion Chief Glen Reicheld on the leadership he is giving the Jarvis Club and also on the fine work of the members. He pointed out that Lionism represents "deeds of kindness" that can only be achieved by a group of men of good will working together. That Lionism has a purpose is emphasized by the fact that this year the International President will Charter new Clubs in six more countries of the world. These countries include: Paraguay, Scotland, Luxembourg, Austria, Casa Blanca and Lebanon. In concluding his remarks Lion Bill offered the following as a guide to good Lions: "I will not follow where the path may go, but I will make a new path and I will leave a trail."

Past President Lion Cliff Bilgild thanked the speaker and presented him with a gift as a momento of his visit to Jarvis.

Following the speaker Lion Drew Williamson, chairman of the program committee introduced Mr. Alex. McDougall of the Stevenson Fruit Co., who gave a talk on the Citrus Fruit Industry with particular emphasis on the Orange and Lemon. His talk was followed by a film which was shown through the kindness of Mr Ray McKay.

Gordon Hazlett Manager Garnet Hockey Club

The organizational meeting of the Garnet Hockey Club for the 1952-53 season was held last Friday night at the home of Mr. Jack Philbs in Garnet. An election for officers for this year was held with the following to take charge: J. Gordon Hazlett, Manager; Bruce Meehan, Coach and Alan Awde, Secretary Treasurer.

Following a full discussion of all problems the Garnet team has decided to again become affiliated with the Norfolk League.

The Record contacted Mr. Hazlett on Wednesday afternoon and was informed that the Norfolk League held a meeting on Tuesday evening and elected George Harrington, of Simcoe as President. Up to date there are six teams in the league, Garnet, Simcoe, Waterford, Port Dover, Delhi and Windham. The schedule will be drawn up right away and the first game played within the next few weeks.

T. R. Woodhouse Speaker Historical Society Meeting

Mr. T. R. Woodhouse, President of the Ontario Historical Society, gave an illuminating biography of Ancaster's earliest man of affairs at the annual meeting of the Haldimand Historical Society held in the Cayuga Court House on Monday, November 10th. He described "The Romance and Tragedy of Jean Baptiste Rousseau." Judge Helen Kinnear proposed the motion of thanks for the address, so "full of human interest, pathos and happiness."

A full survey of the year's work was prepared for the Secretary by Miss Jennie Kinnear. Reports were received from the Treasurer, the Auditors and the Nominating Committee. Mrs. R. A. Miller of Jarvis was re-elected President. In taking office for a second term the President thanked the members for their kind cooperation and stressed the value to the Society of a larger membership during the coming year.

Other officers chosen were the Vice Presidents, Rev. P. Mayes, Mr. Drew Thompson, and Mrs. H. Y. Whitehead; the Secretary Treasurer, Rev. W. H. Fuller; the Curator, Mr. J. M. Howland; and the Directors, Mrs. Thomas Rhodes, Rev. F. R. Anderson, Mrs. Harrison Arrell, Mrs. R Raney and Mrs Roy Cowell.

The Committee on the Constitution gave its report which resulted in certain amendments. A "family membership" was approved; the time for the annual meeting was changed to the month of October; and the method of amending the Constitution and By Laws was simplified.

The meeting discussed a plan for depositing part of the Society's collection of books with the Cayuga Public Library. Mrs. George Fissett of Hamilton donated a 19th Century dictionary, while Mr. Gordon Hall of Cayuga, presented his large scrap book of articles clipped from the Hamilton Spectator about Haldimand Villages. Mr. Powell of Cayuga also gave a portrait of the cast in the Society's "Easter Parade" of 1952.

The meeting adjourned to meet the second Monday night of December in the Court House.

WEDDING

STILLWELL—SWARTZ

A pretty fall wedding was solemnized at Knox Presbyterian Church Manse, Jarvis, on Saturday, November 1st, when Mrs. Rhea Swartz, of Port Dover was united in marriage to Mr. Wilbert Stillwell of Cheapside The Rev. W. H. Fuller was the officiating minister.

The bride was gowned in coronation mauve. Her flowers were a corsage of white carnations. Her only attendant was her daughter Mrs. Donald Armstrong of Selkirk, wearing an afternoon frock of pine green with matching accessories and a corsage of pink carnations. Mr. Ralph Stillwell, of Dunnville, son of the groom acted as best man.

Mr. and Mrs. Stillwell left immediately for a short honeymoon trip to points west and upon their return will reside in Garnet.

Among those who attended the ceremony were: Mr. and Mrs. Donald Armstrong, Mr. and Mrs. Adrian Lamb, Mrs. Hugh Wardell, of Selkirk, Mr. and Mrs. Leo Harris of Springfield, Mr. and Mrs. Amos Bartlett of Sandusk, Mr. and Mrs. Ralph Stillwell of Dunnville and Miss Marion Stillwell of Kitchener.

FOR THE RECORD

Mrs. Ted Buckley brought a sprig of Forsythia into the Record office this week that was growing in her parents garden and to make sure that it wasn't just a fluke, the paper sent someone up to take a look at the bush and sure enough on nearly every stem was either a flower bud or a small leaf formation. The stems are all green with sap just as they might be in the spring. The stem the Record has is in the early stage of bloom. The only thing worrying Mrs. Buckley now is if the bush fails to bloom again in the spring.
