An enthusiastic crowd filled the court room, gallery and halls of the Court House at Cayuga last Friday evening when the Brant-Haldimand Liberal Association met to nominate a candidate for the coming federal election. Wilfrid McCarthy, the President, spoke briefly of the purpose of the meeting and the confines of the new Brant-Haldimand riding, before opening the floor for nominations.

Victor Miller, of Dunnville, nominated Garfield Disher, stating that he is a young man of 36 born in Moulton, carries on business in Dunnville and is married and has four children. He then outlined his career in municipal life, in the Chamber of Commerce, as Councillor, and as Mayor for four years, and also as representative on Grand Valley Conservation Authority. The nomination was seconded by K. Bain Munro of Cayuga.

George E. Wood of Onondaga, was nominated by Vincent Brennan who spoke in favour of his nominee's experience in political life, as he has previously served in Parliament. Thomas Hamilton seconded the nomination.

Harold Turvey nominated Reeve Walter Madden, of Brantford Township who, he said has eleven years municipal experience as well as being an organizer and chairman for the Liberal Party for thirty years. As an active farmer he is in a position to know the farmers' point of view and do the best for him.

Garfield Disher received the nomination on the first ballot. While the ballots were being counted Thomas J. Jacob made a motion of confidence in Prime Minister St. Laurent and the present government which was unanimously carried. Other speakers during this period were Thomas Ross, member for Hamilton East; Mr. Anderson, member from Norfolk, Howard Travers, of Paris, and Elmo Riddle of Simcoe.

EXTENDS CONGRATULATIONS

Hon. Harry Nixon congratulated Mr. Disher on his nomination and then introduced the Rt. Hon. James Gardener, Minister of Agriculture. Mr. Gardener, after reminding the audience of the privilege of choosing representatives under a democratic system as compared with other systems of government in the world, spoke to the farmers as a farmer and gave many facts and figures to illustrate the cause of the steady prosperity which has raised the standard of living in rural and urban districts alike during the last years under a Liberal government. He stated that most rural districts are represented by a Liberal member and urged every one to support the new candidate and so support agriculture in Canada. Ben Schachar moved a vote of thanks to Mr. Gardener.

Hagersville High School Notes

— By Diane Miller —

On Thursday March 5th, the basketball teams from Hagersville went to Waterford to play against the Waterford teams. The girls opened the double-header and Waterford defeated the Hagersville girls by a score of 48-35. The Hagersville boys were also defeated by a score of 62.32. We certainly didn't come home feeling very happy but we heard that they were League champions so we didn't feel quite so bad. Perhaps after learning some of their good playing points we will be able to improve our style and win a few games.

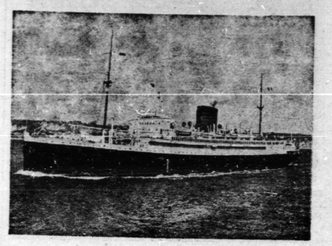
Exams are starting on Monday, March 16th and everyone is beginning to worry. One good thing about the exams is that they will be over on the 19th this term, before Easter holidays.

★ FOR CANADA - U.K. SERVICE ★



The 19,665-ton luxury liner De Grasse has been purchased by Canadian Pacific Steamships for the transatlantic trade. The vessel, formerly operated by the French Line on the Havre-New York service and on West Indies cruises where she built up an enviable reputation for her comfortable and spacious accommodation, will replace the Empress of Canada, which was destroyed by fire recently at her Liverpool dock. The De Grasse has accommodation for 358 first class and 355 tourist passengers. It is expected that she will enter service under her new ownership sailing from Liverpool April 28th for Montreal. The ship was scuttled by her French crew during World War II to prevent her falling into the hands of the Nazis, and after the war was refloated and completely reconditioned, re-entering peace-time service in 1947.

Resume Of Lions Activities Over Period Of 5 Years

Sponsored by The Port Dover Lions Club, the newly formed Jarvis Lions Club was presented with its Charter on Friday, March 5th, 1948, by District Governor Bill Phipps, of Paris, the Charter was received by President Laird Miller, the initial President of the Club.

Of the 39 Charter members present on that occasion, 29 are still active and one by reason of ill health is an Honorary member, four of these have completed five years of perfect attendance, and the average monthly attendance for the five year period is Eighty-five per cent. The present strength of the Club is forty-five active members and One Honorary.

Money Raising Activities—have been for the most part confined to two major undertakings, the May 24th Celebration and the Christmas Fowl Draw. Public support of these activities has steadily increased showing a net profit of $10,000.00 over the five year period.

Boys & Girls Committees—have been active in providing playground equipment, sponsoring ball teams, annual Hallowe'en Party, Saturday night Picture Shows, and this season have provided free transportation to Port Dover for skating.

Civic Improvement & Community Betterment Committee—have provided the Village with street signs, built and equipped a refreshment booth in the Town Park, and erected concession markers throughout the Township of Walpole, they are presently engaged in their most ambitious undertaking, the building of a new Community Hall.

Agricultural Committee—have sponsored Tractor Maintenance Clubs and in general have recognized and entertained all Junior Farmers who have distinguished themselves in Junior Farmer competition.

Citizenship & Patriotism Committee—have sponsored Sunday evening concerts and arranged Remembrance Day Services.

Health & Welfare & Sight Conservation Committee— is perhaps our most active, covering a large territory, and working in conjunction with the Public Health Nurse, this committee has consistently earned high rating with the Service to Physically Handicapped Childrens Branch of the Society for Crippled Children.

Cash Donations—have been made annually in most cases to such appeals as The Community Chest, The Hospital for Sick Children, Dr. Barnadoes, The Blind Institute, The March of Dimes, The Association for the Deaf and of this year The Flood Disaster Fund.

The Easter Seal Committee—have each year conducted a very successful mail canvass on behalf of the Society for Crippled Children.

The Fifth Anniversary of the Jarvis Lions Club was fittingly observed on Monday night, when the Club had as it's guests, International Counsellor William Phipps of Paris, and several members of the Port Dover Club, the original sponsoring Club at Jarvis.

Lion Vice President Lloyd G. Holmes, presided for the program. A resume of the activities of the local club was read by Lion Secretary Robt. Lysch (a copy of which will be found elsewhere in this issue). This was followed by an introduction of the head table guests by Past President Art Blight. They included: President Pius Miller, Port Dover; Robt. Lysch, Secretary of the Jarvis Club; Stan. Mitchell, Treasurer of the Jarvis Club; Past President Albert Pond, Jarvis; Past President Allan Wicker, Port Dover; Vice President, L. G. Holmes, Jarvis; International Counsellor Bill Phipps, Paris; Past Presidents, Art Blight, Laird Miller, Geo. Walker and David Banks, of Jarvis.

A feature of the evening was the induction of two new members in the local club, Max Bowyer and Eugene Montague. The induction ceremony was carried out by International Counsellor Bill Phipps in a most impressive manner.

The valuable work of Lion Art Blight was recognized by the presentation of the Lion's Achievement Award. This presentation was made by Past President Lion Laird Miller, who also paid tribute to the recipient for his valuable service community-wise over the years.

Past President Allan Wicker, of the Port Dover Club, who served as President at Port Dover when their Club sponsored the formation of the Jarvis Club, spoke in complimentary terms regarding the achievements of the Club since it's inception.

Lion Drew Williamson, Program Chairman then introduced the Erie Quartette, Lorne Porter, Lloyd Rutherford, Russell Steele and David Lint who delighted their audience with several numbers in close harmony. This was followed by feats of magic by Ross Parsons of Cayuga who had his audience completely confused.

A most successful anniversary program was concluded with the Maple Leaf Forever.

LEASES TEXACO SERVICE STATION

Jack Brokenshire, son of the late Mervin Brokenshire, of Hagersville, has leased the Texaco Service Station, formerly operated by David Braidy. The business opened under the new management on Monday morning of this week.

Mr. Brokenshire is a licensed mechanic and was formerly employed with Symington Motors in Hagersville. He is a married man with two children, Gary, 7, and Donna, 4. He expects to move to Jarvis with his family just as soon as he can find housing accommodation.

CELEBRATES 83rd BIRTHDAY

Mrs Mary Elizabeth Butcher was at home to her many friends and neighbours on Wednesday afternoon on the occasion of her Eighty-third birth day. Looking very well, the celebrant received in her living room beside a table on which were several beautiful gifts of flowering plants and a nosegay of mixed carnations, also gifts and many, many cards of remembrance of friends near and far

Assisting to serve refreshments to their Aunt's guests were: Mrs. J. Ryerse of Port Dover, Mrs. Harold Smith of Simcoe, Mrs. James Patterson of Renton and Mrs. Charles Townsend of Jarvis. Also assisting were Mrs. William Meredith and Mrs. Elsie Wardsworth. Present during the afternoon were Mrs. Butcher's son and daughter-in-law, Mr. and Mrs Henry W. Butcher, of Simcoe, a cousin, Mrs. Nellie Youmans of Simcoe, and Mrs. Harry Cox of Selkirk, another niece and Mr. Chas Townsend, a nephew. One of the very best surprises during the day for Mrs. Butcher was the announcement of the birth of her seventh great granddaughter to Mr. and Mrs. Gordon West of Simcoe on her great grandmother's birthday.

Auction Sale Items Increasing Every Day; Get Yours Ready

CARD OF THANKS

We wish to express our sincere thanks to the many friends and relatives for their kind expressions of sympathy in our recent bereavement in the loss of our little daughter and sister. Mr. and Mrs. Jack Phibbs and Teddy.

We wish to extend our thanks and appreciation to the many friends and neighbours who were so kind to us in our recent sad bereavement.

— Verna Barlow and Family

Born in Walpole Township, Mrs. Butcher was the former Mary Elizabeth Smith. She was married on December 13th, 1887 to the late John Butcher. Mrs. Butcher has two sons Henry W. of Simcoe and Robert B. of Kingston; Eight grandchildren and seven great grandchildren.

Judging from results so far, the Auction Sale planned by the Lions Club to be held at the Farm on Saturday, March 21st, will be a really big event. Teams of canvassers have been soliciting items for the sale far and wide throughout the countryside and beginning next week these items will start to pile up in the sales arena.

Obviously many people are hesitant to offer items in the fear they are not good enough — but that is a mistake. There are not many items without some value these days and that is what the Lions want for their sale. Little things - big things - anything. There must be a use of everything somewhere and here is a great opportunity for re-distribution.

Send something to the sale - buy something at the sale - and everybody will be happy.
