CRIPPLED CHILDREN

BUY EASTER SEALS

To be one of the 21 staff nurses of the Ontario Society for Crippled Children you must have all the qualities of a Florence Nightingale plus.

Nurses employed by the O.S.C.C. must be graduates of a nursing school of recognized standing. They must also be graduates of a university course in public health nursing and have had experience in the generalized public health field. Before they are assigned to a district office by the O.S.C.C. they receive a six months in-service training period in orthopedic nursing, which is usually given at the Shriners' Hospital in Montreal and the Hospital for Sick Children in Toronto.

In addition to her nursing qualities, she must also have the ability to drive a car, swing an axe and build her own camp fire, paddle a canoe and be ready for any emergency she may encounter as she cares for and seeks out Ontario's crippled children living in the Northern woods and hard-to-get-to places.

When the nursing service was added to the expanding program of the O.S.C.C. in 1935, there was only one nurse. Today there are 21 and more expected in the near future. Nursing offices are now located at Windsor, London, Kitchener, Hamilton, Toronto, Peterborough, North Bay, Kingston, Sault Ste. Marie, Ottawa, Kirkland Lake and Fort William.

As well as being in attendance at orthopedic clinics, supervising the Society's five summer camps and helping the government and service clubs make surveys to locate crippled children, the nurses spend a great deal of time visiting the homes of the handicapped and arranging for treatment and follow-up care.

The minds of parents of handicapped children are naturally full of many doubts and fears. They may not, for one thing, understand the great importance of carrying out the surgeon's orders. And that's where the nurse comes in. She acts as a go-between and demonstrates to the child as well as the parent the correct way to adjust braces and splints or how to navigate on crutches or in a wheel chair. She may make suggestions for extra-mural teaching, recreation and occupational therapy or handicrafts.

The nurse has only one goal in life - to rehabilitate the handicapped child so as to enable him, as an adult, to make as nearly as possible a normal adjustment to the regular life of the community. Without the money the sale of Easter Seals provides annually, the nursing services of the O.S.C.C. could not operate.

The Ontario Society for Crippled Children appeals for $500,000 to carry on such departments of its work as the nursing service. There'll be 100,500,000 Easter Seals for sale. Won't you buy yours then and help remove the heavy cross of misery from a tiny pair of legs before another Easter Sunday rolls around ?

Hagersville High School Notes

Mr. James N. Allan, M.L.A. of Dunnville, paid a visit to the school on Friday afternoon. He kept the students well entertained for nearly an hour by showing pictures which he had taken at the Coronation last June. Mr. Allan commented on each of the pictures and related some of the humorous incidents of his trip. The pictures showed many well-known places such as Trafalgar Square, The Mall, the Dorchester Hotel, St. Paul's Cathedral, and Shakespear's home at Stratford-on-Avon.

On Monday the students were in store for another treat, this time in the form of three evangelists, Mr. Tom Claus, his mother and sister, who have been conducting services this week on the Six Nations Indian Reservation. They entertained very capably with religious songs accompanied on the piano and the accordian. Mr. Claus made the half hour spent even more enjoyable with humorous stories of his career.

Don't forget the Hard Time "Sock Hop" to be held in the school gym on Thursday, April 15th at 8.15 P.M.

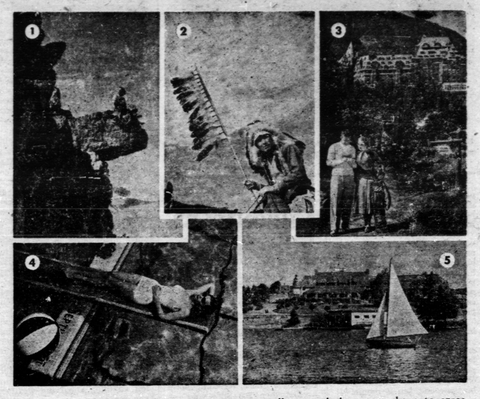
Mrs. Marr makes her home with her daughter and son-in-law, Mr. and Mrs. Roy Misner.

★ THE COMPLETE CANADIAN VACATION ★



Canadians are a lucky people. When summer rolls around they never have to cross borders or leave Canadian shores to find a holiday haven. From the grandeur of the Rockies, past rolling hills, forests and streams, down to the picturesque East Coast, Canada can offer everything vacation-wise. Conveniently located at the best sites are the Canadian Pacific Railway's summer resort hotels. Hiking and mountain climbing (1) are favorite pastimes at Banff Springs and Chateau Lake Louise in the Rockies. History, tradition of the Old West and a bit of the bizarre are re-enacted during mid-July Indian Days (2) at Banff. Golf (3), whether down east at the Digby Pines in Nova Scotia and the Algonquin in New Brunswick or a mile high in the Rockies at Banff, is always popular. Swimming and girls (4) are attractions to be found at all resorts, both east and west. If summer heat and hayfever tend to interfere with your vacation plans, the cooling, pollen-free breezes at Lakeside Inn, near Yarmouth, N.S. (5) offer a sure-fire remedy.

WEDDING

REID—HARROP

On April 10th in Garnet United Church, wedding vows were exchanged between Ella Marie Harrop and MacDonald Leslie Reid. Dr. A. Packman, of Jarvis, officiating. Mr. and Mrs. Willis Harrop, of Hagersville, are the parents of the bride and the groom is the son of Mrs. Leslie Reid and the late Mr. Reid of Hagersville.

In the Church, lighted candles in the candelabra and Easter Lilies banked with ferns were used for decoration. Wedding music was played by Miss Meta McMurchy, organist and cousin of the bride, while Mr. James Whicher, of Toronto, classmate of the groom, was soloist.

The bride, in a short-trained white brocaded taffeta gown with sweetheart neckline and stand-up collar, fingertip veil, held by a small headpiece of matching dress material and wearing a double strand of pearls, the gift of the groom, carried a bouquet of white orchid, feathered white carnations and stephanotis in white satin ribbon knots, was given away by her father. Attending the bride was the matron of honour, Mrs. J. A. Macpherson, of Duart, Ontario, and bridesmaid, Miss Lily Lomax of St. Catharines, gowned alike in orchid brocaded taffeta, patterned from the bride's gown. Feather headpieces and shoes in darker orchid shade and a cascade bouquet of spring flowers completed their costumes. Their dresses were ballerina length. Best man for his classmate was John Summers of Puslinch. Ushers were Bruce Harrop, Lancaster, brother of the bride, and Earl McConachie, Acton, cousin of the groom.

Of the ninety guests attending the reception in the Community Centre, Hagersville, those from out of town came from Winnipeg, New York, Chatham, Windsor, Tillsonburg, Aylmer and Toronto. Mrs Harrop received in a jacket ensemble of rosewood taffeta with rosewood and black accessories and a white gardenia corsage.

Mrs. Reid assisted, wearing dior blue taffeta dress with black and white accessories and a pink gardenia corsage.

For their wedding trip to Montreal the bride chose a grey English worsted suit with matching shoes and a bag of grey and green. A small grey straw hat with sequin trim, white kid gloves and grey kid jacket completed the costume. She wore a white orchid corsage.

On their return, Mr. and Mrs. Reid will take up residence at 91 Elliott Street, Brampton.

Lion Glen Reicheld will be the Club's delegate to the International Convention at New York this year. Lions E. S. Pond and Robt. Lysch will be delegates to the Ontario Convention in Noranda-Rouyan in June.

Prizes for the draw to be held on May 24th in connection with the annual Victoria Day Celebration were announced as follows: First, Chester field Suite or an All-Expense Trip for two to New York City; Second, T.V. Set or Washing Machine; Third Mix Master. The selection of these prizes is in the hands of Lions Art Bright, Rusty More and Ted Montague.

Lion Ted Montague, reporting on the Minstrel Show, announced a profit of $479.14 on the undertaking. 971 admissions to the show were paid on the two nights. Lion A. L. Miller reported a profit of $60.00 on the dance recently held and reported another dance will be held on May 7th.

Lion James Doughty, chairman of the Fireworks Committee for the May 24th Celebration, announced that the Fireworks for the show had been ordered at a cost of $275.00.

The committees for the District Rally to be held at the Jarvis Community Hall on May 10th, all reported progress and everything seemed in readiness to entertain an estimated 300 Lions who will be present on that occasion.

Lion Newt Marshall reported that less than 20 per cent had responded to the Easter Seal appeal with $120 now in the treasury which is down considerably from last year. He urged all Lions to send their contributions in right away and expressed the hope that the general public would do likewise without further delay.

Lion Stan Mitchell reported in connection with the Jarvis Arena. He asked that a request for a special general meeting of the shareholders be requested immediately with a view of deciding what should be done with the building.

Lions Past Presidents Art Bright, A. L. Miller and Dave Banks were named a nominating committee to bring in a report at the next meeting.

The guest speaker was introduced by Lion Stan Mitchell. Rev. Mr. Gillespie proved to be a most capable and interesting speaker with enough true Irish humour injected in his remarks to keep his audience in constant laughter. His subject was Ireland and he pictured that country as the next thing to paradise. The appreciation of the Club was expressed by Lion James Doghuty.

Lion Les Marshall was welcomed back after spending several weeks in Florida. He spoke briefly pointing out some of his impressions gained from attendance at Lions Club meetings in the sunny south.
