Soil Sense -

— By R.W.S. —

It is hoped that the weatherman will not repeat his performance of last April and May. Wet weather, such as we had last spring, should be sufficient for a long time. Both the farmers and the Soils Committee have enough to do in the spring without being held up by the weather.

The Soils Committee's program this year is an extensive one and includes work with all the major crops in Haldimand. Briefly, the program is as follows:

The fertilizer demonstrations on fall wheat and grass hay will be repeated again this year with plots in each township if possible. The work with spring grain has been cut to one demonstration. This will be a comparison of complete fertilizers on a basis of their nitrogen content and will be replicated on five fields.

This year the Committee plans work with grain corn because of the increased interest in this crop. The demonstration will attempt to show the effect on yields by applying two different fertilizers at three different rates and side dressing with ammonium nitrate. If time permits there will be a follow-up of last years corn work with observations on the succeeding crop.

It is planned to repeat the demonstrations with Brome grass and soybeans again this year. These consist of studies on seeding rates for Brome and variety and fertility studies with soybeans.

Bluegrass is also included in this years program. The effect of two fertilizers on seed production will be studied. There will also be some work on tomatoes for growers in the Dunnville area.

Several projects are being carried out over from last year and will be completed in 1954. These include phosphate studies on alfalfa hay, and fortified manure from a pen barn. There is also a birdsfoot trefoil demonstration at the Rural Youth Centre.

There are other items too, such as the lime survey, now completed; two projects for the Junior Farmers; soil sampling of all the plots, an exhibit at the Farmers picnic and Fall Fair and an advisory and consultant service.

The farming public have demonstrated their willingness to co-operate with the Committee in the past. All we need now is a little help from the weather for another successful and fruitful season's work.

HALDIMAND JUNIOR FARMERS AND JUNIOR INSTITUTE

The April meeting of the Junior Farmers and Junior Institute was held at the Rural Youth Centre on April 8th.

Mr. Douglas Murray was the guest speaker for the boys. Mr. Murray is a well-known and entertaining speaker.

Miss Ruth Hewitt spoke to the girls on the use of pictures in the home, she also had a display of her own pictures. The plan for the interior decorating project were completed at this meeting and will start in May.

The Boys and Girls joined for lunch and games, the games were led by Ruth and Howard Hewitt.

—o—

Federation Facts - -

— By Everett Daboll —

The most important item this week personally is that "I will be working as your Secretary-Fieldman here in the County again in the fall."

Last week a meeting of the Directors of the Federation was held at the Youth Centre. This was a very important meeting with respect to the "Farmers Picnic" to be held on the Third of June at Kohler. The Committees were appointed and some of the program discussed.

The guest speaker on that occasion will be C. A. Milligan, past president of the Ontario Federation of Agriculture. He is an excellent speaker and has a broad background in regards to Farm Policy on a local and national level, having attended I.F.A.P. in Rome last summer, and the F.A.O. meeting in Washington this spring.

A meeting of the Picnic Committee will take place at Kohler on Wednesday, April 28th at 8.15 P.M.

—o—

Several representatives from the County of the Beef Committee and Directors of the Beef Producers' attended the Ontario Beef Producers' Association Meeting held at the Royal York last Wednesday. The meeting was a long and heated one. There were two issues at "stake." First of all it was pointed out that advertising is the surest way to better beef prices. Promotion could be handled by the Canadian Meat Council which at the present time is a proposed Constitution which would be a representation of a board made up of the various Beef Producer Organizations across the Dominion and representatives of the Packing Plants.

The second item was that of a better financing scheme for Ontario Beef Producers' Association. The two items were frequently confused which prolonged the meeting, with the final result in the form of a motion to the effect that for all animals slaughtered in Ontario for beef purposed a sum of 5c per head be deducted to establish the Canadian Meat Council and a possible additional amount of 5c per head for the Ontario Beef Producers' Association finances. The exact amount of the latter will be determined by the Board.

—o—

The Farm Forum Annual Meeting was well attended with a carload from here being in attendance. Cliff Waite announced that he would be leaving soon and wished the Farm Forum every success.

Jack Huxley, Agricultural adviser to the McLaren Advertising was the guest speaker. He expressed in many ways, that the farmer must change his practices to keep place with the modern world.

—o—

Last Monday I was invited to attend a very fine dinner sponsored by the Marshall Road Forum. It was held in the Grandview Central School with Mr John Clark of the Agricultural Societies Branch of the Department of Agriculture as guest speaker. His purpose was to give some guidance to the Forum Members as to how to effectively undertake to beautify the school grounds there.

In connection with this, I might mention that the Federation is donating $25.00 to the School Ground Improvement Committee for the promotion of such projects throughout the County.

—o—

All Poultry Producers in the County are welcome to attend the fourth Annual Meeting of the Ontario Poultry Producers' Association to be held at the Royal York Hotel, Toronto on Wednesday, April 21st beginning at 10.30 A.M.

—o—

A campaign for Brucellosis (Bangs Disease) Control by means of calfhood Vaccination is on the way in Haldimand County. This Fall I will be arranging a meeting with your Township Council to appoint a committee composed of two cattle owners the Township Clerk, the Agricultural Representative and a Government Veterinarian.

This committee will appoint inspectors who will check the vaccination on heifer calves from 6 to 9 months old governing the Act passes in your Township. It will be necessary for 2-3 of the farmers to be in favor of the move before it becomes law. The cost will be very low 20c per head, and any farmer with any interest in improving his herd will certainly be interested in the passing of this Act.

—o—

Well, here hoping you all have a healthy and prosperous summer, and I'll plan on seeing you at the picnic and again in October.

HICKORY CREEK HOLSTEINS AVERAGE $1,040.00

HERDSIRE BRINGS $11,000.00

The Hickory Creek herd of pure-bred Holsteins, one of the best-known on the continent was dispersed in a three day sale held April 5, 6 and 7 at the farm, West McHenry, Illinois. 337 head were sold for a total of $350,480.00, and an average of $1,040.00. This is one of the largest averages ever made in a herd of comparable size.

Top price of $11,000.00 was paid for the four-year-old herdsire Hickory Creek Gomar. He was All-American Junior yearling in 1951.

E. A. Thode, Saskatoon, Sask., was one of the big buyers, taking 26 head for a total of $25,000.00. His top purchase was a yearling daughter of the $11,000. Gomar at $1,125.00. Thode paid $750.00 each for two-month-old twin heifer calves from Hickory Creek Princess Flo, who was All American Senior Yearling in 1952.

The average for the first day of the sale was $1,531.00, and for the first two days, $1,255.00.

BRIEF NOTES FOR THE BUSY FARMER

— By Haldimand Harry —

The heavy rainfall over Maundy Thursday and Good Friday totalled 1.76 inches out at the Rural Youth Centre where official records are kept. It is hard to believe but this is equal to almost 20 tons of water per acre (19.95 to be exact). It will take quite a bit of drying to get rid of that surplus so that seeding can start. As a matter of fact so far in April the total rainfall has amounted to 3.18 inches which is almost a record. Since weather records were started at the Youth Centre in 1949 the only April that exceeded that month was in 1951 when the record was 3.93 inches but that was for a whole month.

-oOo-

Far too few farmers have made use of the new strains of Timothy that are now available. Both Climax and Medon strains are much superior to the older common variety both in leafiness, yield and quality and should be in much more common use. To the farmer who would like to try growing these for seed there is a real opportunity to make a little extra cash. In most cases any Haldimand farmer can find enough isolation so that he could grow this crop and maintain its registration. Timothy seed can be grown successfully in Haldimand and both Climax and Medon will sell at a premium. There is a plentiful supply of good seed available. Why not give it a trial either as a seed production proposition or as a part of your regular crop.

-oOo-

The estimated forecast for the marketing of hogs in Canada during July, August and September would indicate a weekly output of 79,000 head which is nearly 6,300 more per week than during the same period last year. A large proportion of this increase would seem to be coming from the West, although even here in Ontario a 6.6 per cent increase is expected. If this increase keeps on expanding there can be little doubt that a price break will develop and hog producers would be well advised to proceed with caution.

-oOo-

To those who are planning to do any spraying, it should be noted that all dormant sprays should be applied before any green tissue appears. This should be done on a weather that may come along and avoid regret when the weather turns warm. Spraying should be done on quiet days. Thorough coverage is essential. To control spur blight and anthracnose on Raspberries and Blackberries, spray with lime sulphur 10 gallons, in water to make 100 gallons or use Elgetol or Dinitrosol, 4 Imperial gallons in water, 100 gallons. Get a spray calendar from your Agricultural Representative.

-oOo-

All farmers who are intending to treat their cattle for warble fly are reminded that April 18th is the deadline for the first application. The second treatment must not be given before at least 18 days have elapsed but it is better to wait until nearer 30 days. The second treatment must be given within a 30 day period.

-oOo-

A second Dairy Day has been announced for Ontario. It will be remembered that the first of such days was held in Wellington County near Alma and close to 10,000 people had the opportunity of seeing the exhibits. The 1954 counterpart will take place on the farm of Wm. J. Murphy, near Lindsay, on Wednesday, June 16th. It would be well to mark this date on your calendar now and be sure to plan a little outing with your family and visit that part of the Province as well as attending the Special Day.

—o—

Last of Season Band Concert

The last of a series of Community Concerts will be sponsored by the Hagersville Citizen's Band in the Community Centre, Hagersville next Monday evening, April 26th.

Mr. Andy Vabola, Leader, has arranged the "BEST YET" program which includes varied selections of musical numbers by the Band; Janet Hanon Drum Majorette, acrobatic, tap and ballet dancer; Lloyd Rutherford, Tenor Vocalist; Rowland Rhodes playing the concert size Hammond Electric Organ in solo numbers and ensemble selections with the band assisted by a concert violinist and impersonator; Bob Lang featuring his "Coronation Square Dancers" Old Tyme Jamboree; Popular Ballads by Glenn Pearl; Trombone Solo by H. Hall, etc.

Mr. Leslie Smith has consented to be chairman for the entertainment which will be followed by an Olde Tyme dance. See advertisement in another column of this issue.

★ VETERAN CLERK WILL MARK 90th BIRTHDAY ★

Mr. J. J. Parsons, veteran Clerk of the Township of Walpole, is seen here with the members of the Walpole Municipal Council on the eve of his Ninetieth Birthday. Mr. Parsons was born just west of his present Walpole home, in the Township of Woodhouse on April 24th, 1864. He has had an illustrious career as a business man, teacher, in municipal life, fraternally and as a Churchman. He continues to enjoy fairly good health and performs the duties of his office capably and well.

Shown here are Reeve Charles Cox handing a gift to Mr. Parsons as a Birthday remembrance on behalf of the Municipality. Standing from left to right are: Councillor Harold Hopper, Deputy Reeve Kenneth Parkinson, Councillor Clarence Harvey and Councillor Charles Sheppard.

Daylight Saving Time Starts Saturday Mid-Nite

Councillor Howard Krouse announced today that Jarvis will adopt Day light Saving Time at mid-night Saturday night.

Citizens are reminded therefore, to set their clocks ahead one hour before retiring on Saturday night in order to be on time for Church on Sunday morning.

—o—

Messrs. Stanley and Larry Porritt of Simcoe, are spending Easter holiday days with their grandparents, Mr. and Mrs. A. L. Belbeck.

—o—

TAKES OVER SERVICE STATION

Norman Graham has leased the Imperial Oil Service Station at the intersection of No. 3 and No. 6 Highways. He succeeds Irwin Butts who has operated the Station for the past few years. Mr. Graham operated the Station before it was taken over by Mr. Butts. We understand Harold Jamieson will be associated with Mr. Graham in the operation of the Station.

—o—

Many Jarvis Entries In Oratorical Contest

The Oratorical Contest sponsored by the Canadian Legion, Hagersville, Branch, attracted fourteen contestants this year compared to nine last year. Nine of the contestants were from Jarvis.

The contests were conducted in Hagersville last week and the three judges were: Mrs. R. A. Miller, Jarvis, Mrs. Harvey Reichelds and Glen Green, of Hagersville. The twelve pupils of elementary schools and two of secondary schools were given a choice of one of fourteen different subjects, open to both groups. Mr. Green, spokesman for the judges, expressed the opinion of all present that the material, style and delivery of all contestants was excellent and it had been difficult to decide on the winners. However, the points show that the winners to be: Elementary Class, Kent Bilton of S.S. No. 19, Walpole; Ruth Ann Miller, of Jarvis and Donald Hutchison, of Hagersville Public School.

Laurel Brown of Jarvis, came first in the senior class; Shirley Marshall, of Hagersville, was second.

Master of ceremonies for the evening was A. L. Macpherson, padre of Hagersville Legion.

Robert Terry, who was responsible for details of the arrangements and Omar Phillips, President of the Legion, presented the awards and certificates. Others participating were Hazel Tobicoe, Hagersville; Donald Jonas, Hagersville; Jill Forsey, Peggy Smelser, Eleanor Johnson, Helen Doughty, Bonnie Banks, Janet Butts and Leona Stone, of Jarvis.

The winners compete in Simcoe on May 5th against the winners in Norfolk County. The district and finals competition takes place in Hamilton.

APPLICATIONS FOR AMATEUR SHOW - - -

ALL THOSE planning to enter the Amateur Show at the Lions Club Victoria Day Celebration are urged to complete the entry form below and return it to Glen C. Reicheld, Chairman of the Committee, at the earliest possible date. The committee hope to again improve on this popular feature of the May 24th celebration and the co-operation of the contestants will greatly help to that end.

Jarvis May 24th, 1954

Amateur Contest Entry Form

The Jarvis Lions Club,
c/o Glen C. Reicheld,

ADMISSION: 50c & 35c

$700.00 Reported in Canvass For Community Chest Fund In First Two Days

The annual Jarvis District Fund Campaign started on Monday morning in all districts in the community. Mrs. R. A. Miller, newly appointed Campaign Manager has advised the Record that the canvassers have shown the utmost co-operation and she is hopeful that the entire area will be canvassed within the next two weeks.

While it is yet too early for returns to be made from sections outside the Village the local canvass, under the direction of Fred Fish, President of the Jarvis Board of Trade, has been encouraging.

All canvassers are requested to make their returns to Mrs. Miller at her home, directly opposite the Canadian Bank of Commerce, as early as possible.

The following contributions have been reported up until noon yesterday

REEVE WALKER IMPROVING

Although home from hospital for the past week, Reeve George Walker is still confined to his home. We are pleased to report he is showing gradual improvement and hopes to be able to be out within another week.

—o—

SINGING REPRESENTATIVES CHOSEN

Representatives chosen from the Hagersville District High School to sing with the All-Provincial Secondary School Choir on Wednesday night in Eaton Auditorium were: Eileen Doughty, Katherine Vokes, Marilyn Collver, Diane Miller, Janet MacPherson and Janet Short.

—o—

C.W.L. CARD PARTY AND DANCE

A good crowd attended the Catholic Women's League card party and dance at the Community Hall on Monday night. Miss Enid Swarts won the prize for the high score in Rook. Following lunch, dancing was enjoyed with music being supplied by Clark's Orchestra.

—o—

Plans Underway For Celebration Victoria Day

Lions Club President, Lloyd G. Holmes, has started plans for another big celebration in Jarvis on Victoria Day, May 24th. Committees have been named to conduct the various phases of the celebration which, as in former years, will get underway with a Calithumpian Parade starting at One O'clock in the afternoon.

During the afternoon there will be an Amateur Show in the Community Hall, events for the children and ball games. It is expected the finals for the Amateur Show will be conducted in the evening and possibly a ball game. This will be followed by a gigantic fireworks display and a dance.

Sometime during the evening a draw will take place with three prizes being given away. The first prize will be a choice between a chesterfield suite and an all-expense trip to New York City for two people; Second prize, a choice between a 17" TV and a Washing Machine; Third prize a Mixmaster. Tickets for the draw will likely be on sale within a few days.

The Hagersville Citizens Band will lead the parade and it is hoped that this year's parade might exceed all previous parades. To achieve this objective it will be necessary for more people to take part. Plan now to get into the parade.

Distinguished Citizen Will Mark 90th Birthday Saturday

Mr. J. J. Parsons, one of this community's most distinguished citizens will reach the venerable age of Ninety years on Saturday, April 24th, and, on behalf of all citizens we extend to him our deep admiration and respect for an exemplary life of service to his fellow men.

As a young man he was a teacher and some of the most distinguished citizens of Canada had the benefit of his instruction and philosophy. At the turn of the Century he entered business life and operated a creamery in the early years of development of the Dairy Industry. His guidance and counsel laid the foundation for the Industry as it stands today. He was President of the Western Ontario Dairymen's Association in 1910.

Mr. Parsons recognized his responsibility to the community and served as Reeve of Walpole Township from 1909-1914 inclusive. In the latter year he was Warden of Haldimand County. It was during his term as Warden that Mr. Harrison Arrell, the present Clerk of the County, was appointed to office. He returned to active municipal duty in 1932 when he was appointed Clerk of Walpole, which office he still holds.

Mr. Parsons has been active in the Mutual Fire Insurance Co. since 1917 and for the past many years has served the Company as President. His interest was not confined to the local Company. He served as President of the Mutual Fire Underwriters Association of Ontario in 1930.

Fraternally he has always taken a keen interest in the Masonic Order and is a Past Master of King Solomon Lodge, Jarvis. He served as District Deputy Grand Master of the Grand Lodge of Canada in the Province of Ontario in 1925-26.

The oldest active member of Wesley United Church, he has served in many offices, including Clerk of the Session and he is now an Honourary Elder.

Few men have such a distinguished record of achievement to reflect upon
