TAKES OWN LIFE AFTER HITTING WIFE ON HEAD

A Townsend Township woman is in Norfolk General Hospital suffering from a head injury inflicted by her husband who took his own life following the altercation in their home Wednesday afternoon.

Mrs. Elizabeth Sukup, 47, is in satisfactory condition. She sustained a gash to the head when her husband, Paul Sukup, struck her.

After assaulting his wife, who ran outside to get help from her son, Paul Jr., Mr Sukup shot himself with a .22 rifle.

Cpl. J. J. McBain and Provincial Constable William Eady of the Norfolk O.P.P. investigated the shooting which took place on the Sukup farm, one mile north of No. 3 Highway and two and one-half miles east of the Cockshutt Road.

Mr. Sukup, who was in his 58th year, was a native of Czecho-Slovakia, a son of the late John Sukup and Elizabeth Fibus. He went to Western Canada in 1928 and came to this district from Toronto in 1952. He had been in ill health for a number of years. Deceased was a member of the Lutheran Church and during the First Great War served with the Hungarian Army.

Besides his wife, the former Elizabeth Vlasic, and son, Paul, at home, he leaves one sister Christine Torda, in Czecho-Slovakia.

The body was at the George W. Baldock Funeral Home, Simcoe, where service was conducted by Rev. H. Burkart of St. Peter's Lutheran Church on Saturday at 2 P.M. Interment was made in Oakwood Cemetery.

Plowmen Close Successful Year

The Haldimand Plowmen's Association reported another successful year at its Annual Meeting held at the Rural Youth Centre recently. The President, Mr. William Hagen, expressed his appreciation to the Officers and Directors for their support during the year and intimated that the 1954 Match had been the largest in the history of the Association.

In the report of the Secretary Treasurer which was presented later, it was shown that a total of 81 entries had been received for the Match and that in spite of this and the fact that a larger Match entails a larger expenditure of funds, the Association closed the year with a very satisfactory balance on hand $590. was paid out in cash prizes in addition to a number of prizes awarded in the form of goods or merchandise.

Plans for the improvement of the Match for another year were discussed and several resolutions were brought forward by the Resolutions Committee dealing with classes, and other arrangements for the betterment of conditions generally.

County Juniors Win Debate

William Saunders of Nanticoke and Audrey Ricker of Dunnville were successful in upholding the affirmative side of the topic "Resolved: That the Best Interests of the Ontario Farmer Require that Farming should be Considered Primarily as a Business and not as a Way of Life." when they debated with the Halton team at the Rural Youth Centre, Kohler, on Thursday evening of last week. Members of the Halton team were Joan Wrigglesworth and John Picket.

In discussing the topic the members of the affirmative team emphasized the importance of the business side of farming and if that business is a profitable one then a satisfactory way of life will be the result. The members of the negative team spoke of the advantages of the family Farm and the manner of living that is enjoyed by such operators.

The judge for the occasion were Robert Graham, Agricultural Science teacher at Simcoe High School; Ernest A. Smith, Agricultural Science teacher at Hagersville, and George Atkins of Bronte. Mr. Atkins is a farmer and also associated with the Hamilton Television Station. Each of the judges spoke briefly and commended the debaters on the manner in which they handled the subject.

Others who spoke briefly were J. E. Whitelock, Agricultural Representative for Halton County and A. Gordon Skinner, Agricultural Representative for Haldimand.

Entertainment was supplied by the Junior Farmers' Male Quartette, consisting of Howard Hewitt, Albert Sheppard and Roy Doughty, the Girls' Trio including Moira Jackson, Dorothy Hedges and Ruchanne Vokes, and the Mixed Quartette the members of which are Ruth Hewitt, Ruth Gee, Howard Hewitt, and Larry Hare. Mrs. A. Whitelaw accompanied each of the groups at the piano. Public singing was led by Ruth Hewitt. Refreshments in the form of cake and ice-cream were served at the close of the evening.

The Garnet Couples Club met at the home of Mr. and Mrs. Lloyd Billings. The President opened the meeting with hymn 58 followed by the Lord's Prayer. It was decided that our project for this year would be to raise money to repair the Sunday school room of the Church.

Mrs. Roy Smith was in charge of the worship service, with Mr. and Mrs. Charles Harrop assisting. Garnet Man Victim Of Car Crash

Earl Curley, 27, of Garnet, died as a result of injuries received when he car he was driving was struck by a heavy transport at the Jarvis section of the Tenth Concession of Walpole and No 6 Highway, shortly before eight o'clock on Monday morning. Curley died as he was being rushed to the Hamilton General Hospital by ambulance.

The victim was a son of Mr. and Mrs. S. Curley who operate a service station at Garnet. It is thought that he was on his way to work at Hagersville when the accident happened. The transport, owned by Lowe Bros. of Woodstock and driven by Carl Ogden of the same address, was proceeding eastbound with a full load. It is believed the windows of the Curley car were frosted over and the driver failed to see the oncoming transport. Hit broadside, the car ended up on the south east corner of the intersection with one wheel of the transport on top of it. The car was a complete wreck.

The funeral is being held from Senn & McKenzie Funeral Home, Hagersville at 2.30 o'clock today, Thursday, December 16th. Rev. Mr McPherson will have charge of the service and interment will take place in Hagersville cemetery.

William J. (Bill) Hodgson of Jarvis, was the winner of the new car in the draw conducted by the Jarvis Lions Club at the Community Hall on Saturday night. "The draw was made by Nancy Townsend, daughter of Mr and Mrs. Charles Townsend. The ticket was taken from the Lions Club gold and purple butter churn after Lion Bill Addison had been working the apparatus for some time to make sure the tickets were well mixed. The number of the ticket was 230.

The winner of the door prize, a 20 pound turkey, was Roy Fields, of Nanticoke. Nancy Townsend also made this draw.

Both draws were made after 110 turkeys had been won by the large crowd sn attendance. The turkey jamboree got underway about 8.45 P.M. and two hours later the last bird was gone. Two tables were in play throughout with eight club members operating each table. Lion Laird Miller operated the wheel.

Lion Art Blight conducted his own specialty in the corner and as usual did a rip-roaring business.

Lion Bert Ionson's refreshment booth also found business brisk.

The winner of the new car was aroused from his bed to be informed of his good fortune. He was not long in arriving on the scene to have his picture taken receiving the keys from Lion President Ted Montague.

Victor MacDonald, a lifelong resident of this district was the victim of an unfortunate accident last Thursday afternoon when he accidently fell on a whirling circular saw at the Ionson Sawmill at Sandusk. Apparently there were no eye witnesses of the accident.

Mr. MacDonald was walking on a board over the saw shaft and his weight forced the board down on the whirling shaft. It threw him in the direction of the saw and he was immediately killed.

He was at the mill in company with his brother-in-law, William Nicol, for the purpose of picking up a load of slabs for firewood in his home when the accident happened.

Mr. MacDonald resided on the Nanticoke sideroad with his sister Mrs. Pearl Scarfe. He is survived by two other sisters. Mrs. Maude Ford and Mrs. William (Belle) Nicol

The funeral was held from Holmes Funeral Home, Jarvis, on Saturday afternoon at 2 o'clock. Rev. R. W. Gillesie, B.A., conducted the service and interment was made in Springvale cemetery.

Found Dead in Church Yard

Herbert Hayes, a 79-year-old farmer, missing from his sister's Hagersville home since a fire and explosion there on December 6th, was found a dead five days later in the Springvale cemetery. His body was discovered behind a wheelbarrow by two grave diggers who were preparing to dig a grave.

The missing man's home was in Welland, but he had been visiting his sister, Mrs. Martha Bowman, at her Hagersville home. Last Monday evening an explosion rocked the residence. Mrs. Bowman was rescued by firemen in an unconscious condition, but a search failed to reveal the brother believed to have been there.

Provincial and local police conducted an intensive search for the missing man but were unsuccessful. His sister, suffering from shock from the explosion was unable to answer questions.

A post mortem revealed that death was due to natural causes

Trustees Took 'The Stand' In Defence Of Central School At Fiery Meeting

The trustees of the North Walpole Public School Area Board were given rather rough treatment at a meeting in the Springvale Hall on Monday night. The name of the person or persons responsible for calling the meeting never was divulged, although many aspects of the problem of providing accommodation for the pupils in the area arose in the debate flowing back and forth from the audience and the platform.

Arthur Harvey called the meeting to order and asked for the election of a chairman and the meeting chose Edgar Waldbrook, a former Reeve of the Township. Upon taking the platform Mr. Waldbrook expressed some uncertainty as to the purpose of the meeting and called on Hugh Greenfield to enlighten him in this respect. Mr. Grenfield stated briefly that the purpose of the meeting was to gain more knowledge regarding the proposed Central School for the area. Leonard Hayes then suggested from the audience that the meeting hear from the School Board and then have a round table discussion.

Many From Jarvis Area Attend Warden's Dinner

Many of the guests of George W. Walker at the annual Warden's Banquet held at the South Centre, Kohler, last Friday night were from the Jarvis area. Other guests included members of the County Council, County Officials and immediate members of the Warden's family.

PAST NOBLE GRANDS CLUB CHRISTMAS MEETING

The Past Noble Grands Club held their Christmas meeting at the I.O. O.F. Hall on Thursday afternoon with a good attendance. The President, Sister Nellie Stallwood, conducted the business and opened the meeting by singing "Hark the Herald Angels Sing" and repeating the Lord's Prayer in unison. Sister Florence Walker read the Christmas Scripture lesson. The minutes and treasurer's reports were read and adopted. Christmas boxes and money are to be sent to the shut-ins. The Mystery Prize was drawn by Sister Gertie Belbeck. The January meeting will be at the home of Sister Marion Bates, with lunch committee being Sisters Janet Crawford and Mary Marr. The highlight of the afternoon was the exchange of gifts, and the selection of our new capsul friend for 1955. A social hour was spent after which the committee served a bountiful pot luck supper. The meeting closed by singing "The Queen."

Many from Jarvis attended the Warden's Banquet held at the South Walsingham Central School, and on a comparative basis he could not see how a Central School in North Walpole could be financed for the 5.6 mills given by the Board. The Reeve also pointed out that on a money by-law, if the matter comes to a vote, that only owners can vote.

Reeve Cox and the Board members were in disagreement when the chairman stated that Mr. Cox had promoted support for the Central School at Martin and Harvey were re-elected at the forthcoming nomination meeting.

Councillor Charles Sheppard addressed the meeting briefly and suggested that school costs had advanced to a greater degree than other expenditures of council and suggested that possibly money had not always been expended judiciously by the Board.

Gordon Cherry offered an alternative solution to a Central School. His plan was to build a new two-room school at Nobor and to add another one-room school in the eastern section of the area.

Mrs. Sturgess Carpenter threw in the suggestion that if busses were going to run up and down the Township Roads, then something would have to be done to put them in better condition.

Douglas Martin stated that the area was not ready for a Central School yet, but conceded it would come in time.

Just before the meeting appeared to be concluded, Mr. Donald Young, Public School Inspector for the County arrived. He was asked to speak and his remarks verified the figures that had been given previously by Mr. Harrop. Aside from a couple of questions from Reeve Cox, the remarks of the Inspector went unchallenged.

About two hundred people packed the Springvale Hall for the meeting which actually had very little publicity through the normal channels.

KNOX CHURCH WOMENS MEETING

Mrs. Wilbur Gillespie entertained the Women's Groups at the Manse for the Christmas meeting. Mrs. Lilie Miller and Mrs. Frank Domer conducted the Ladies Aid while Mrs. Peter Banks presided for the W.M. S. with Miss Margaret Ionson as Secretary. Mrs. John Wodham convened the program consisting of scripture reading by Mrs. Harvey Keen, prayer by Mrs. J. A. Fleming and a talk on Ireland by Rev. W. Gillespie. The ladies presented Mrs. Gillespie with a "Friendship Circle" quilt. Mrs. Ernest Walker making the presentation.

In response to this suggestion, Willis Harrop, chairman of the Board, stated that the Board had not been invited to the meeting and that he as well as other members of the Board were present merely as ratepayers and under the circumstances, he felt those responsible for calling the meeting should speak first.

In the course of the discussion that followed, Arnold Roberts asked, Just why have we been called here tonight? Is it a case of the Blind leading the Blind ?"

Mr. Harrop finally consented to go to the platform and presented the facts of the situation confronting the Board and their reasons for reaching the decision that a Central School offered the only reasonable solution. When he concluded he expressed his willingness to answer any questions from the floor.

It was obvious, from the reaction of those present, that bitter opposition existed. The matter of costs was questioned and one member of the audience said he refused to believe the figures that were presented.

Hugh Clark stated that the primary concern was not the cost but rather the welfare of the pupils. Mrs. Gordon Hazlett a member of the North Walpole teaching staff stated that in her opinion, a teacher is capable of doing much better work with one or two grades in a Central school than with eight grades in a one-room school.

Retiring members of the School Board this year made it plain they were willing to stand on the policy of building a Central School which brought forth the observation from A. V. Roberts that the ratepayers would then have the opportunity of making their views known.

Margaret Clause, also a teacher on the North Walpole Staff, spoke in favor of a Central School and her remarks brought criticism from Leon and Hayes that the teachers should not spend time attending Federation meetings once a month. Mrs. Clause stated that the Federation meetings were extremely helpful to the teachers in enabling them to do better work and pointed out that Mr. Hayes also attended meetings with a view of improving himself in his profession. Mrs. Gordon Hazlett stated "personally, I do not think this meeting was called to discuss teachers."

Reeve Charles Cox cited costs of debenture debentures and operating the Walsingham Central School, and on a comparative basis he could not see how a Central School in North Walpole could be financed for the 5.6 mills given by the Board. The Reeve also pointed out that on a money by-law, if the matter comes to a vote, that only owners can vote.
