CRIPPLED CHILDREN

BUY EASTER SEALS

To the 9,000 handicapped children scattered throughout Ontario, on farms in city homes or in remote northern hamlets, the 1954 sale of Easter Seals means hope. To them the Easter Seals bring treatment and training, a possibility of independence and relief from the physical handicaps that birth, illness or accident left them.

Last year the Ontario Society for Crippled Children, whose only appeal for funds is made in the annual sale of Easter Seals by nearly 200 service clubs, carried out the biggest program in all its history. And this year the 9,000 youngsters who are listed on their rolls as "active" cases will have increased, because Ontario's swiftly-growing population means hundreds of new cases each year. The objective in this year's Easter Seal campaign, March 18th to April 18th is $500,000.

The organization that cares for this number of children is amazingly small. A tighty-knit office staff at headquarters in Toronto, a score of highly-trained nurses, a corps of volunteer doctors and an army of public-spirited citizens who give free of their time. The result is a volume of service out of all proportion to the money spent in the work.

This work takes several forms. There is a nursing service, made up of 21 graduate nurses, each of whom has taken a special post-graduate course in orthopedics and is authorized by special Act of the Ontario Legislature to wear the title Orthopedic Consultant. These nurses visit the homes of handicapped children, teach the parents how to administer therapeutic treatment or direct the child to medical attention.

The nurses function in specific divisions of the province, ranging from the Lakehead area to Eastern Ontario. Available for their use are 4 qualified therapists whose value is indicated by the fact that the Ontario government requested the assistance of two during a polio epidemic last year, which assistance was provided by the Society at no cost to the province or patients.

Five summer camps this year will give outings to 1,200 children who would otherwise, have no such holiday because of their inability to attend conventional camps. This is the biggest crippled children's camping program of any single political area in the world, and its importance is that it more than gives a holiday; it teaches children who often are embarrassed by handicaps to care for themselves and get along with other youngsters. Year round, too, one camp, Woodcden, near London, is a cerebral-palsy centre to provide special treatment for such cases.

Clinics for the examination of children in areas far from major hospital centres are also organized, and last year 15 of these were held, with top specialists from Toronto, Hamilton, Ottawa and elsewhere giving free services. If children need hospitalization this is provided on the specialists' advice, and local doctors co-operate in providing treatment at home.

In many other programs, the Easter Seals provide the means for alleviating suffering and providing training such as that in the unique Variety Village, which is operated by the Society for the Variety Club of Toronto, where crippled children learn trades. And all these programs add up to a chance for youngsters whose future otherwise looks dark.

—O—

Mr. and Mrs. A. L. Belbeck and Mrs. B. Johnson and Mr. and Mrs

J. Stanley Mitchell Elected Head Of Insurance Group

Stanley J. Mitchell, Secretary-Manager of the Walpole Mutual Farmers Fire Insurance Co., was elected President of Group Five of the Mutual Fire Underwriters Association of Ontario when the annual meeting of that body was held at Mount Hope last week.

Delegates of the several companies in group five gathered for a noon-day luncheon which was catered to by the Glanford Women's Institute. Following the luncheon the members were welcomed by Kenneth Smith, Reeve of Glanford Township. Walter Cross, Secretary-Treasurer of the M.F.U.A. of Ontario and Gordon Gibbons, Inspector of Farm Mutuals for Ontario, gave informative addresses of the activities of Mutual Insurance Companies throughout the Province.

Stanley J. Mitchell spoke at length regarding a plan which he is proposing for adoption by Mutual Companies for adding additional perils to the coverage carried by the insured. His plan is to be given consideration at the annual meeting of the Mutual Fire Underwriters Association in Toronto. Mr. Mitchell was later elected President of the group for the ensuing year. Mrs. N. C. Douglas of the Grand River Mutual was elected Secretary-Treasurer.

Mr. Mitchell succeeds Mrs. C. Scheifele the first lady President of such a group in Canada. Mrs Schiefele is to address the annual meeting in Toronto.

NEW POST OFFICE OFFICIALLY OPENED AT PORT DOVER

Port Dover's new Post Office and Federal Building was officially opened last week by Fisheries Minister James Sinclair.

A dinner and reception were held at the Erie Beach Hotel following the opening ceremonies where the distinguished guests sat down to a meal of blue pickerel fillets caught the same day by fishing tugs operating out of Port Dover.

Mr. Sinclair said it was appropriate that he, as Fisheries Minister, should have a part in the opening of a Federal Building in a fishing town. Two small girls, Janet Dines and Sheila Misener, cut the ribbon for the opening. Both girls had taken part in the sod turning for the new building several months ago.

The Minister said that there are many towns of equal size and importance as Port Dover in his West coast riding but none could claim such an impressive public building now serving the citizens of Port Dover.

Harold Porritt attended the funeral of their cousin the late Lee Williamson in St. Thomas on Friday.

Many Attend Hagersville Commencement Exercises

OBITUARY

C. J. SWANTON

Clarence James Swanton, widely known Auctioneer, died suddenly at Norfolk General Hospital on Sunday, March 14th, in his Sixtieth year.

A son of the late Mr. and Mrs. William Swanton, he was born near Villa Nova, where he attended school and farmed until moving to Waterford eight years ago. He was a member of Waterford Baptist Church and a Past Master of Wilson Lodge No. 113 A.F.&A.M.

His first wife was Leota Cunningham, who passed away in 1947. He later married Mildred Cunningham, who survives, besides three sons, Donald, of Norwich, Harold and Clarence, Jr., of Waterford; a daughter (Mirma) Mrs. Glen Reicheld, of Jarvis; six grandchildren; a brother, Frank Swanton, of Norwich and three sisters, (Ethel) Mrs. Jack Langrell, of Tillsonburg, Clara, of Toronto, and (Doris) Mrs. Harold Courtrige, of Hagersville.

The funeral was held from Mott Bros. Funeral Home, Waterford, on Tuesday afternoon. Rev. Ralph Cummungs, of St. Catharines conducted the service and interment was made in Greenwood Cemetery, Waterford.

—O—

Haldimand Team Debate Winners

Marie Saunders and George Mowat were successful in upholding the affirmative side of the topic, "Resolved that the trend toward Commercialization and Professionalism in Sport is Detrimental to Sport in Canada" when they debated against North Simcoe. The debate was held in the Junior Farmer Hall in Brampton, on Tuesday, March 9th, where the Peel Juniors acted as hosts and served refreshments at the close of the evening. A musical program was also presented by two very talented Peel County Juniors.

Upholding the negative side for North Simcoe were Ross Rowan and Tom Ross. Judges for the debate were Mr. Jack McPherson, of McKim Advertising Company; Mr. Alex. Cockburn, a Barrie High School teacher; and Mr. Ernest Smith, Agricultural Science teacher at Hagersville High School.

Speaking on behalf of the judges, Mr. McPherson congratulated the members of both teams on having done a fine job and offered a few suggestions for the benefit of the debaters at some future time. On giving the decision Mr. McPherson stated that there were only a few points between the affirmative and negative sides, however, the judges were unanimous in their decision on declaring the affirmative team victorious.

HALDIMAND JUNIOR FARMERS AND JUNIOR INSTITUTE ANNUAL MEETING

The annual meeting of the Junior Farmers was held at the Rural Youth Centre on March 11th. The President opened the meeting with the President's address, and he gave a brief report on the activities carried out this year. The reports of the secretary treasurer, and auditor were given.

The Townships then nominated their directors and then the directors elected their officers as follows: President, Bill Oster; First Vice President, Bill Saunders; Second Vice President, Glen Howley; Secretary, Howard Schwantz; Treasurer, Stan Shephard; County Director, Bill Saunders. The three Directors to the Federation of Agriculture are: R. L. Moore, Ken Lang and George Terry.

The annual meeting of the Junior Institute was held at the same time, with reports from the secretary, treasurer and nominating committee. The new executive are: President, Josephine Bird; 1st Vice President, Ruth Hewitt; Second Vice President, Ruth Gee; Secretary, Dorothy Vokes Treasurer, Marie Saunders; District Director, Vera Jaques; Directors, Jean Nixon, Dorothy Mowat, Lois Lint, Pat Glenny.

The annual Commencement exercises at the Hagersville High School last Thursday and Friday nights, attracted many from this district.

The program for the occasion was arranged by Alfred C. Smith, Principal, his staff and the students. In welcoming those in attendance, Mr. Smith reminded the audience that this was the first Commencement since he assumed the principalship. He paid tribute to his predecessor, Mr. E. O. Awde, and his staff and the student body for the co-operation extended to him.

On Thursday evening Mr. C. O. Hand, Chairman of the Finance Committee of the West Haldimand High School Board, addressed the gathering and in an interesting and impressive fashion detailed the cost of school operation. He held up a diploma, one of several presented that evening and said it represented $1,200 worth of education. On Friday night Mr. Clarence Reichheld, Chairman of the Board spoke.

The entertainment was provided by the school orchestra, choral numbers and vocal solos. The boys put on a display of gymnastics and a play concluded the program each evening.

The presentation of diplomas and awards was, of course, the feature of the Commencement exercises. The class winners for 1952-53 were as follows: Grade 1XA, Joan Green; 1B, Edward Fleming; XA, Louise Miller; XB, Anne Close; XI Isabel Gowan; X2 Diane Miller. The Carter Scholarship for Haldimand County was awarded to Mary Slote and Margaret McPherson was awarded a Province of Ontario Bursary.

Beverley Copeland, of Jarvis, was awarded a silver medal which she won at the West Haldimand Track meet.

Of interest on Thursday night was the award of the Howard Hager Shield and the Bruce Robertson Memorial Scholarship to Diane Miller of Jarvis. The Robertson Memorial Scholarship was presented by Dr. R. G. Hyde, of Hagersville who pointed out that Diane had the enviable average of over 85 per cent in over 100 examinations since she started to Hagersville High School four years ago.

—O—

HALDIMAND COUNTY HISTORICAL SOCIETY MEETING

The March meeting of the Haldimand Historical Society was held on the second Monday evening in the Court House, Cayuga, with a representative attendance from all parts of the County.

The Rev. P. Mayes, President, and Mrs. Edgar Jones, Secretary, were in charge of the meeting. Gratitude was expressed to Mr. Joe Kurtin, of Dunnville, reporter for the Welland Tribune, who had published a story of the museum, illustrated by pictures of handicrafts preserved from pioneer days.

Speakers for the evening on the subject "Antiques From a Dealers Viewpoint" were Mrs. Ralph Jardine of Dunnville and Mrs. R. A. Miller, of Jarvis. Both speakers illustrated their talks by displaying antiques of different decades, which marked milestones in this country's history - shrines to the courage, endurance and perseverance of Ontario pioneers.

Mrs. Edgar Jones regretted the fact that so many of our fine old things were being bought by Americans who often sold them back to tourists from our own country. Mrs. Harvey Parsons reported attending a talk on "American Glass" given at the Royal Connaught recently by Ruth Webb Lee, a guest at the Hamilton Branch of the Women's Canadian Club.

The thanks of the Society to all speakers was tendered by Mrs. Filsinger of Cayuga.

CARD OF THANKS

I wish to thank all my friends for their cards, flowers and gifts during my recent illness in St. Joseph's hospital. — Mary Columbus

JUDGE HELEN KINNEAR

Who has been appointed by the Dominion Government to be one of the five members of a Royal Commission to inquire into and report upon the question whether the Criminal Law of Canada relating to the defence of insanity should be amended in any respect and, if so, in what manner and to what extent.

Courtesy Officers On Highways Suggested

Highway courtesy officers, who would hand out safety advice instead of a ticket, were suggested by James N. Allan, M.P.P. for Haldimand-Norfolk, in the Ontario Legislature last week.

"They could observe the traffic and if drivers were noticed doing anything not considered good driving practice, the courtesy officer would stop the driver and explain his misdemeanour, and at the same time administer tactfully a safety lesson," said Mr. Allan.

He foresaw much publicity for safety and better co-operation from drivers resulting from such a set-up. Also, courtesy officers could create a fine spirit of helpfulness and friendliness among the many tourists who visit Ontario.

Success in traffic safety, Mr. Allan said, depends upon public opinion influencing drivers to think and drive safely and pedestrians to walk with care.

—O—

T.B. SEALS BRING $191.50 FROM JARVIS

The report of the annual sale of Christmas Seals for the Hagersville District reveals that $191.50 was collected in the Jarvis area, out of a total collection of $1,223.80. A total of 1653 letters containing the seals were sent out during the campaign. From a total of 150 letters sent out in Jarvis there was a response from 83.

After expenses for mailing, etc. had been deducted a total of $1,175.00 was sent to the Christmas Seal Headquarters for the prevention of T.B.

Will Relate Story Of Canterbury Cathedral

On Sunday evening at Wesley United Church, Mr. Alan Ratcliffe will tell the story of Canterbury Cathedral, touching upon the History of the Cathedral and Monastery from the coming of Christianity to Kent in 597 A.D. We shall hear something of the Monks and the Church as the centre of Monastic Life. Pictures will be shown of the Cathedral.

Mr. Ratcliffe was for some years attached to the great school, known as the "King's School" and situated in the Cathedral grounds, he is a scholar in History and a very attractive public speaker.

A silver collection will be taken during the evening, the proceeds will go to Canterbury as a gift from Jarvis to help with the Building Fund for the Cathedral.

The soloist, Mr. Thomas A. Cleaver of Simcoe will render several selections.

—O—

D.D.G.M. Visits Masonic Lodge

D.D.G.M. W. P. Martin, of Onondago, paid his official visit to King Solomon Lodge, Jarvis, last Friday evening when he was greeted by a large turn out of members and visitors. He was accompanied on his visit by D.D.G.M. K. C. Emerson, of Wilson District.

The Wor. Master, Joseph Jaques and his officers exemplified the Third Degree in a manner that brought commendation from the distinguished visitor. Visitors included Wor. Bro. George Mehlenbacher, of Hiram Lodge, Hagersville, Wor. Bro. Anger of Norfolk Lodge, Simcoe, P.D.D.G. M. C. Tench and P.D.D.G.M. W. K. Robinson, of Waterford.

Following the work in the Banquet Room the group retired to the banquet room at the I.O.O.F. Temple, where the fourth Degree had been made ready by the Junior Warden. Several addresses were heard with Wor. Bro. Jas. Jaques acting as Master of Ceremonies.

—O—

DOMINION FABRICS NET DECLINES

The annual report of Dominion Fabrics Ltd., one of Haldimand County's largest industries, at Dunnville, reported last week that 1953 resulted in a substantial drop in profits from 1952.

The past year has been a very trying one for the textile industry in Canada because of the importation in great quantities of foreign merchandise," said Mr. Camelford. "It is regretable that, while textile consumption is increasing in Canada, Canadian mills are supplying a decreasing portion of same."

Mr. Camelford revealed that his Company had expended $237,000 on Capital improvements during 1953 and hoped to save on future operations as a result.

Hagersville Arena Report

At the request of many responsible residents of the district for a modern Arena with artificial ice, the Hagersville Amateur Athletic Association sponsored a meeting to discuss the project.

The response was so enthusiastically in favour that a fact-finding committee was appointed. The members visited several communities where conditions were similar to our own. After a careful inspection of the Arenas constructed by community efforts, they made a decisive report on the cost of building and of operation. These reports were so satisfactory that they felt that they were justified in proceeding with the project.

A canvassing committee, representing the Townships and Villages, was appointed. Members of this committee will, in the near future, call upon the residents of the Hagersville District to solicit their support. They feel that the Arena will add much to better living and healthful recreation, not only for the young but for the middle-aged and for those who are older m years but still young in spirit.

Skating and hockey are the natural heritage of Canadians. Let us all think it over and, when the canvassers call, let us remember that they are just doing our work and the least we can do is greet them with a smile and a Donation Worthy of the Cause and Our Community.

— E. O. AWDE, Chairman,
Canvassing Committee.

Provincial Subsidies Will Be Substantially Higher In 1954

The Provincial Budget, presented by Premier Leslie Frost last week, reveals substantial increases in municipal grants for 1954, under the new unconditional grants plan. This plan terminates the payment for fire and Police services which was the basis of grants to municipalities previously.

The new grants can be used by municipalities for any purpose. In the County of Haldimand the increase in municipal grants will increase by more than $20,000, with the big increase going to the rural municipalities. The following table shows the 1953 grants and the new per capita grants for 1954 with the dollar increase and also percentage wise:

COUNTY OF HALDIMAND

	1954 Per Capita Grant	1953 Police, Fire 1-Mill Guarantee	1953 Amount	Increase %
TOWNS—				
Dunnville	$7,673.60	$4,913.75	$2,759.85	56
VILLAGES—				
Caledonia	2,521.50	429.87	2,091.63	486
Cayuga	1,156.50	301.97	854.53	283
Hagersville	2,619.00	1,989.54	629.46	32
Jarvis	978.00	584.60	393.40	67
