THE WEST HALDIMAND DISTRICT
HIGH SCHOOL BOARD

PAST NOBLE GRANDS CLUB REGULAR MEETING

The Past Noble Grands Club met at the home of Mrs. Marion Butts, on Thursday afternoon, with nearly all members present for the opening of the Fall season. The President, Sister Nellie Stallwood presided over the business of the meeting. Sister Gertie Belbeck read the scripture lesson and the minutes of the last meeting and the treasurer's report were read and adopted. Members have tickets to sell on the beautiful lamp on display at the Fess Furniture Store window. Mystery parcels are asked for by the members for the Bazaar next month. Mystery prize was drawn by Sister Mary Dosser.

NOTICE

The Sandusk W.I. will hold their October meeting at the home of Mrs. Merrill Nie in the afternoon of October 7th at 2. o'clock. Mrs. Lewis Keifer will be the guest speaker. All members are urged to attend.

The meeting closed by singing "The Queen" and the social hour was spent playing court whist, then the hostess and her committee served a dainty lunch.

The October meeting will be held at the home of Sister Ethel Leathong. Lunch committee to be Sisters Marion Butts and Mary Dosser.

HARVEST FESTIVAL SERVICES AT NANTICOKE

The Thanksgiving Services for the Blessings of the Harvest will be marked at the services to be held in Christ Church, Nanticoke this Sunday, October 3rd, at 10.00 A.M. and 8.00 P.M. The Rector will Celebrate the Holy Communion in the morning and the Reverend Clarence Mitchell, B.A., of Holy Trinity Church, Welland, will be the Officient and Preacher at the Harvest Evensong at 8.00 P.M. Mr. Mitchell is a former resident of Nanticoke and Port Dover and was ordained Deacon in the Spring. He will be ordained to the Priesthood of the Church, in Holy Trinity Church, Welland, on Tuesday November 2nd, at 10.00 A.M. by the Lord Bishop of Niagara, the Rt. Reverend W. E. Bagnall, D.D.

—O—

W.M.S. SECTIONAL MEETING HELD AT NANTICOKE

The W.M.S. Sectional Meeting was held in the United Church, Nanticoke on Friday, September 24th with a good attendance. The Sectional Vice President, of Jarvis, opened the meeting with hymn 386. The Devotional Period was given by members of the Cheapside W.M.S. The guest speaker was Mrs. W. E. Newbery, who has just returned from Trinidad. She gave a very interesting account of the work of a Missionary's wife carried on in Trinidad, which was enjoyed by all. Mrs. Arthur Harvey of Springvale, favoured us with a lovely solo. Mrs. Clarence Blayney, of Simcoe, gave an account of the Conference held at McMaster in Hamilton. Mrs. Marshall of Simcoe presented the Literature and displayed several good books and pamphlets. These can be sent for at any time.

The meeting closed with hymn 311 and Benediction. The Nanticoke ladies served dainty refreshments in their newly decorated Sunday school room.

The exciting prospect of a Provincial Softball Championship for Jarvis came to a sudden halt on Monday night when a sparkling aggregation from the Town of Walkerton put the regular winning Jarvis nine on the opposite end of the score sheet in two straight games. The only sad feature was the reversal of form by the Jarvis team for this series. It pointed up, however, what a tremendous job Oscar Phillips had been doing as receiver for Johnny Edwards during the season. While the championship is out of reach for this season, the success the team tasted should only serve as an incentive for 1955.

- - - - - - - -

In the meantime the Jills have been champions or flirting with championships for many seasons. Under the faithful tutoring of Allan Awde they are back in the running again this season. Last night's game in Norwich with Glen Mills will determine whether or not they will become finalists again this year. We hope to be able to report the results of this game on another page of this issue.

- - - - - - - -

Fair time is here again and the Caledonia Fair will attract many this week end Tal. Woolley and Reg. Hudspeth, President and Secretary respectively, of the only remaining Fall Fair in Haldimand County have done a marvellous job in building up the already well established institution known as the Caledonia Fair. The balmy October days that are just around the corner, usually have an appeal that attracts attendance at the fair. We hope the efforts of the fair management are rewarded with excellent crowds and cloudless skys.

SILVER STAR REBEKAH LODGE REGULAR MEETING

The regular meeting of Silver Star Rebekah Lodge was held on Tuesday evening with N.G. Gertrude Smith and V.G Marjorie Mitchell in charge and was well attended by the members. Plans were completed by the committee in charge to cater to the I.O.O.F. banquet in the Community Hall on Tuesday evening, October 5th, at 7.15 P.M. when the Grand Master of the Order will pay an official visit to this district.

A committee comprising Gertrude Smith, N.G., Marjorie Mitchell, V.G., Evelyn Brown, Mary Krouse, Mary Marr, Mabel Bradly and Mary Mazelett, was named to arrange for the annual bazaar on November 6th in the lodge hall banquet rooms.

FULL ATTENDANCE FOR GARDEN CLUB ACHIEVEMENT DAY

The Haldimand County 4-H Home Garden Club Achievement Day was held on Saturday, September 18th, 1954, at the Haldimand Rural Youth Centre. Twenty-eight club members registered at nine o'clock and this set a record by a one-hundred per cent completion of this club unit. Miss Maxine Graham of the Women's Institute Branch was in charge of the day's program.

Following reggistration the girls set up their individual exhibits, which comprised four varieties of vegetables, a jar of canned tomatoes, a bouquet of flowers and their record book. During the morning classes of corn and tomatoes were judged, and a one-half hour garden quiz was answered.

Mr. H. Ivan Bell, Assistant Agricultural Representative for Haldimand County judged the individual exhibits and gave comments on them. The placings for the tomato and corn classes were discussed by Miss Carolyn Kelman, Student Home Economist, Toronto.

In the afternoon, comments on the third year exhibits were given by Miss Janet Duncan on her special project "Two Varieties of Corn" and Miss Beverley Egger, on her project "Two Varieties of Tomatoes."

Club Exhibits were put on display by the following groups: Blue Jean Garden Club, topic "Vegetables from Our Club Gardens", commentation, Ruby Moore; Canboro Garden Sallies, topic, "Vegetables for Winter", commentation Donna Hedley; D. & R. Merry Growers, topic, "Vegetables from Our Club Gardens" commentation, Mary Dodgson; Merry Muddlers Topic, "Vegetables from Our Club Gardens", commentation, Joyce Bacher.

Skits and demonstrations were presented by the following: Blue Jean Garden Club, topic, "Let's Grow a Garden", Lois Werden and Ethelwyn Nelles; Canboro Garden Sallies, topic "Let's Grow a Garden", Theresa Hartnett. Olive May Coulter, Joan Topp and Karen Crumb; D. & R. Merry Growers, topic, "Freezing Fruits and Vegetables", Wynle de Gram and Gerrie de Gram.

The following club members received Certificates of Achievment (awarded on the completion of two club units) - Canboro Club, Lois Duncan and Milly Lucken; D. & R. Club, Willie De Gram, Frances Dodgson and Mary Dodgson; Kohler Club, Pat Bannan, Evelyn Lint, and Mary McConnell.

HALDIMAND COUNTY GARDEN CLUB MEMBERSHIP FOR 1954

Canboro Club — Leader, Mrs. T. Lucken; Assistant Leader, Mrs. L. Potts. Members, Olive Coulter, Karen Crumb, Janet Duncan, Lois Duncan beverley Egger, Therese Hartnett, Donna Hedley, Molly Lucken, Joanne Meyer, Mabel Meyer, Joan Topp. D. & R. Club — Leader, Mrs. L. Stringer; Assistant Leader, Mrs. H. Dodgson. ENJOY RUNNING WATER as you pay for it on the EMCO budget plan!

Why lug water by hand any longer? Install a Duro Pumping System now and enjoy running water as you pay for it. Save time, save labour, cut operating costs.

AS LOW AS 10% DOWN
UP TO 18 MONTHS TO PAY
for pump, fixtures and installation, too

The EMCO Budget Plan will cover your complete water system—pump, tank, pipe, kitchen and bathroom fixtures, taps in all buildings and the cost of installation. You can have the whole job done NOW—and pay for it over the next year and a half. Ask for an estimate of the cost of labour and material worked out on the EMCO Budget Plan. Then consider how much work it can save you, the extra leisure you can enjoy by installing your water system right away.

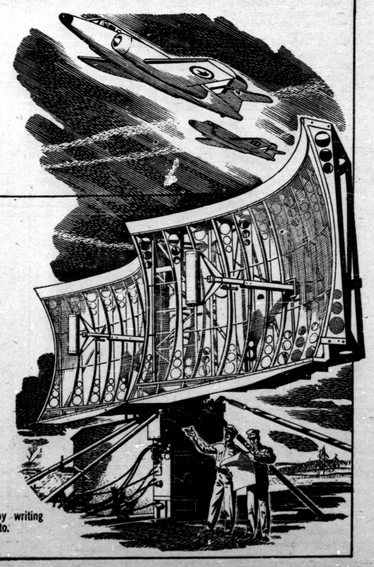
NO. 9 IN A SERIES . . . YOUR HYDRO AT WORK FOR YOU AND YOURS

YOUR HYDRO . . . power to scan the skies



In our constantly shrinking world, the field of electronics assumes increased importance daily. One of the great marvels is "radar", and here again Ontario Hydro plays a vital role.

Hydro generates much of the power for the "radar" at our airports and defence stations . . . an alert guardian of your safety and sentinel of our Dominion's security.

Radar is another way in which today's advanced electronic equipment, made possible through electricity, contributes to our way of life . . . another example of . . .

ONTARIO HYDRO
AT WORK FOR YOU AND YOURS

HALDIMAND COUNTY'S CALEDONIA FAIR

All roads lead to Caledonia on September 30th, October 1st and 2nd when the gates swing open for the 1954 edition of Haldimand County's Caledonia Fair. Their Officers and Directors are proud to sponsor this truly Agricultural Show in which over $10,500. is being offered in cash prizes for competitive classes. They have continued to make extensive improvements to their grounds and buildings, many of which will improve accommodations for our Exhibitors as well as for our paying guests.

On Thursday afternoon, September 30th fifteen judges will place the entries of the home and school, the field and garden in our spacious exhibition Hall which unquestionably rates second to none in Ontario. There is no better time to view this splendid exhibit than Thursday evening when everything is fresh and the crowd is not too large.

Friday, October 1st, known as County Day, is a great day at the Fair. It is Dairy Cattle day and with it some seventy 4-H Club members from four Calf Clubs will exhibit their calves at their achievement day. Poultry and Swine will also be judged on County Day. This days Horse Show brings to the track classes of Roadsters and Hackney Harness Horses and in the ring the Western classes and the Jumpers. Night entertainment will there be three harness horse races and two heats of chariot racing.

Saturday, October 2nd is the big day for our city folk who too are keenly interested in Agriculture. Beef cattle of all breeds will be shown and an ever increasing Sheep Show. On the track will be the Hackney Ponies and the Shetland Ponies and in the ring classes of Saddle horses as well as all breeds of heavy horses including the single tandem, four and six horse hitches. As on Friday there will be three harness horse races and two heats of chariot racing. A program that no one could do justice to seeing in half a day.

For the carnival minded, King Bros. Midway Shows will be in full swing with endless rides, shows and games to satisfy all ages.

On Friday and Saturday evenings as well as the great Midway, the Canadian Congress of Daredevils will present twenty-five acts of thrills, spills and chills including shooting a car and driver from the mouth of a cannon a distance of 50 feet over another speeding car. This is truly the greatest travelling thrill show on the road and a show you simply must see.

Yes, Caledonia and District have every reason to be proud of their Fair and their Directorate have left no stone unturned in order to make your visit a pleasant one. Plan now to spend at least a day, Friday October 1st or Saturday, October 2nd at the Caledonia Fair and convince yourself that its a show thats second only to the C.N.E.

Haldimand County welcomes you to its Fair.

—O—

C.G.I.T. MEETING

The C.G.I.T. met for its weekly meeting in the Wesley United Sunday School Rooms on Tuesday evening with an attendance of twenty-five.

Recreation under the direction of Mrs. Nelson opened the meeting. The devotional period was in charge of Mrs. Johnson who took a Thanks giving theme.

Mrs. Nelson presided for the business period and election of officers took place with the following being elected: President, Darla Walker; Vice President, Vicky Hoover; Treasurer, Marlene Howden; Press Reporter, Shirley Pepper.

Laurel Brown presided at the piano for the meeting. It was decided to initiate the new members next week. Also the girls agreed to decorate the Church for Thanksgiving Sunday. Janet Hazlett gave the Treasurer's report for the last year. Crafts were in charge of Mrs. Graham. The meeting closed with Taps.

On The Farm Front

BRIEF NOTES FOR THE BUSY FARMER

— By Haldimand Harry —

As has been the case for a number of years, farmers wishing to secure seats for the Royal Winter Fair may do so, NOW, by placing their order with their Agricultural Representative. This is an advance offer and the seats will be allotted before they go on sale to the public. If you are planning to attend this year's Royal it would be advisable to take advantage of this offer. Full particulars can be had on application to the Department of Agriculture. This offer closes on October 8th and this is the only announcement that will be made.

-oOo-

According to the latest statistics just now released the coarse grain crop in Haldimand was not so bad after all. These figures indicate that the oat crop is estimated at almost 400,000 bushels more than last year. This is beyond the hopes of most farmers in the county. These same figures show the acreage to be higher by over 8,000 acres and this too is above what most farmers have reported or thought possible in the light of the rather bad spring seeding conditions. If such is the case then there should not be much worry about sufficient feed for the winter season.

-oOo-

A slight change has been made in the system of grants payable to Ontario farmers when purchasing bulls for breeding purposes. Under the new system a grant of 25 per cent of the cost of the bull purchased at a county sale up to a maximum of $75.00 is provided. Formerly the grant was paid on the basis of 20 per cent. At the Ontario Bull Sale the rate has also been set at 25 per cent with a maximum of $150.00 as compared with one-third as formerly. These grants apply at those sales that have been approved by the Minister of Agriculture.

-oOo-

Have you taken that soil sample yet? If not, then do it today before you let it slip your memory completely. This is the time of year to do this work so that the information will be available in ample time for spring seeding. Full instructions are available from your agricultural representative. Ask about the soil sample boxes. The testing service is free and every farmer is urged to take advantage of it. In this connection, don't forget to get that load or so of lime and have it spread on the land this fall.

-oOo-

At the soybean field meeting held last week at the farm of Duncharm Bros. near Hagersville, those in attendance saw what was described as one of the best test plots in Ontario this year. Some eleven varieties were found to be growing side by side and in various stages of maturity. It was an excellent demonstration of what soybeans will do even under somewhat difficult conditions in Haldimand County, Mr. Ivan Roberts described the right variety for Haldimand as one that was medium to early in maturity and with the pods being borne high enough for easy harvesting.

-oOo-

Of the varieties on the Duncharm Bros farm, Mr. Roberts was of the opinion that Capital, Earlyana and a new variety which is likely to be given the name of Chippewa this fall were the most promising. The Harcoovy was another variety that gave quite a good account of itself in these plots although it was a bit later in maturity and in some years this might be a detriment. All of the beans however, seemed to be far enough along in maturity that they would not suffer very greatly even if a frost were to strike.

-oOo-

Mr. Roberts was also of the opinion that soybeans were better to be grown in rows rather than to be grown solid. The only exception to this rule would be where the field was in high tilth and absolutely free of weeds. The rows, stated Mr. Roberts should be as narrow as possible and yet permit of cultivation taking place. In most cases this would be 21 inches or 28 inches and more likely the latter. There is evidently still a ready market for all the beans that we can produce in Ontario although the price might not always be quite as favourable as in 1953-54.

-oOo-

The feeding season will soon be upon us and it might be wise for us to remind ourselves of some of the simple rules to be followed in feeding dairy cattle, for example. Any suggestions made here, should be looked upon only as suggestions as the individuality of the cow will have to be taken into consideration. On the average, however, milking cows should receive one pound of hay and 3½ pounds of silage per day for each 100 lbs. of live weight. This means that an ordinary 1200 lb. cow should be allowed in the neighbourhood of 12 lbs. of hay and 40 to 42 lbs. of silage per day.

-oOo-

In addition, milking cows should be fed a meal mixture at the rate of about one pound for every 3 to 4 lbs. of milk produced daily. Thus, if this 1200 lb. cow is producing in the neighbourhood of 50 lbs. of milk per day she should receive from 12 to 16 lbs. of meal mixture per day. Here again, the individuality of the cow will have to be taken into account. When feeding alfalfa or clover hay of good quality the meal mixture should be about 16 per cent protein. If the hay happens to be of lower quality or largely grass this protein percentage should be stepped up to 18 per cent.

-oOo-

A few other hints in feeding would be that feeding should take place at regular hours each day; avoid sudden changes either in kinds or amounts of feed; be sure to provide ample supplies of salt and minerals and last but not least, make sure there is a plentiful supply of fresh water. Too frequently during the winter feeding season our cattle do not receive enough water. Most cattle require 10 to 12 gallons per day and many never get that much when housed unless there are water bowls or they have free access to a water trough in a loose housing system.

—O—

CLOUD SEEDING

Farmers in various sections of the prairie provinces have been from time to time intrigued with the possability of having rain produced by "rainmakers." No scientific proof has been given, nor has any experiment shown, that cloud seeding can produce drenching, effective rain.
