On Thursday the "amphibious" crift which Messrs. West & Pe chey have been making for Mr. Joseph Jackson, to be used in the lumber woods and on the I kes in Muskoka, moved itself es rates. from the stock and propelled itself to the waters of Crystal Lake where it now flo ts and is being fitted up for removel to the lumber woods. The novel sight "of a steamboat hunting for water" attracted hundreds of people on Thursday, who witnessed the bunch. It is certainly a novelty, and there is now no doubt it will admiraby answer the purpose for which it was intended. Its success will be a credit John Albert Bright was yesterday to the builders and add still more to their fame is skilful mechanics. We understand it will propel itself the G. B. & L. E. R. station to-morrow for transhipment on a car. - Canadian.

> St Thomas Journal:-There is a humorous as well as a grave side to the smallpox epidemic. At Hunt's school house the other day a number of Indians were being vaccinated, Mr Frank Hunt assisting the physician. After the bucks had been all vaccinated some eight squaws remained and Frank told one of them to go into the clockroom of the school house and get stripped ready for the doctor. Frank meant for her to get her arm stripped, but the squaw didn't know him very well, and thought he meant what he said. Taking an unusual time to get ready, Frink poked his head in the door to see what was the matter, and was about horrified to find the squaw clad only in the dusky garb which nature gave her. Frank hastily closed the door, and managed to explain the situation to the squaw by speaking through the key-
