Haldimand Deanery B. A. C. Holds Dinner At Byng

With 85 laymen present from the deanery, the semi-annual banquet of the Haldimand Brotherhood of Anglican Churchmen was a real success. This year's spring banquet was held in the Grand View School in Byng, under combined auspices of the Port Maitland, South Cayuga and Byng Churches. Among the guests from the Archdeaconry of Wentworth-Haldimand were the Ven. A. C. Mackintosh and Ven. F. H. Wase, Hamilton and the Rev. Clarence Wright of Alnwick. The deanery president, H. "Tobe" Snowden of Nanticoke, was in the chair. The speaker was Mr. Joseph Hill, superintendent of schools of the Six Nations Indian Reservation.

The roll call of parishes showed Byng with two present; Caledonia, nine; Cayuga, six; Cheapside 12; Hagersville, four; Jarvis, Six; Port Maitland, three; Nanticoke, six; S. Cayuga, three; York, six; Dunnville, 22; guests, five; and Rev. K. N. Bruton as rural dean for a total of 85. Thanks to the ladies were expressed by William Evans and replied to by Mrs. John Webber.

Introduced by Joraydon Field of Nanticoke, Mr. Hill, himself of Caledonia, a full-blooded Mohawk Indian, gave an intensely interesting address on "Understanding the Indian." He based his talk on the fact the thinking of the white man is different to that of the Indian, and that an endeavor must be made for each to try to think as the other before a complete understanding can come about between the two.

Mr. Hill started his talk with the legend of the son of the Great White Spirit and an Indian virgin, who eventually went out among his people to do the work of the Great White Spirit.

It was apparently had to convince people then as now, and Deganawida found his task difficult, but persevered until the end. Early missionaries were surprised to find when they first went among the Indians to teach them the story of Christ they apparently already knew it, so close was their own story of Deganawida, the Indian Messiah. Among the things offered by Mr. Hill as a means to better understanding were to be satisfied in mind and thought; righteous in thought and deed; and to dispense justice in all things.

Reg. Hudspeth, Caledonia, thanked the speaker for his address, and an invitation from Nanticoke to hold the fall banquet there was accepted.

Local Scouts Take Top Honors—Cubs Take An "A" Pennant at Meet

Kohler Youth Centre was the scene of considerable activity on Saturday, June 15th when the Haldimand District Scout group held their annual Scout and Cub Field Day.

A group of three to four hundred Scouts and Cubs from the Haldimand District turned out on a very warm day to compete in which turned out to be a very close and keen competition in Scouting and Cubbing.

Our local troop are to be congratulated on their work as it is the second year in a row in which they have come home with top honours, the silver cup and an "A" Pennant, also the Cubs deserve a pat on the back for their work and coming home with an "A" Pennant next year they should have the top honours.

The Scout Troop are to be proud of their Troop Leader, Keith Lysch for taking over and organizing the boys until their Scoutmaster showed up. It was a job well done.

A day like Saturday with the boys working hard and coming out on top gives the Scout Leaders a great feeling and proves that all their time spent with the boys is not wasted.

WEDDINGS

FALLIS—GRAY

Sharon United Church, Maymont, Sask., on June 8th, 1957, at 7 p.m., was the setting of a very pretty wedding, with Delcie Emma Gray, R.N., only daughter of Mr. and Mrs. William Roy Gray, became the bride of Sgt. Harold Bourne Fallis, R.C.M.P., son of Mr. and Mrs. R. H. Fallis, Jarvis, Ont.

The ceremony was conducted by the Rev. Frank Myers of Maymont. Music was provided by the bride's cousin, Mrs. Elaine Nutbrown and the soloist was Miss Verna Ellingson, R.N., of Winnipeg.

The bride, who was given in marriage by her father, was lovely in a waltz length crystalette gown over ivory taffeta, with long sleeves. Her finger tip lace veil was of ivory lace and was held in place by a matching pill box hat. The bride's flowers were red sweetheart roses on a white bible with streamers of rose buds. She wore a two strand pearl choker and ear rings, the gift of the groom.

The bride's attendants were Mrs. Janet Watson, R.N., matron of honor from Winnipeg, Man. Her bridesmaid was Miss Glenna MacKenzie, R.N., from Calgary, Alberta. The attendants wore matching waltz length gowns of blue with blue tinted carnation headdresses and nosegays. The two little flower girls, nieces of the bride, wore matching dresses of daffodil yellow and carried white crochet baskets filled with white, blue and yellow flowers.

The groom was attended by his brother, Sgt. Gordon A. Fallis, R.C.M.P. of St. John's, Newfoundland, and the ushers were Sgt. Lorne Fletcher, R.C.M.P., Churchill, Man., and Cpl. Brian Thompson, R.C.M.P. of Vancouver, B.C.

Following the ceremony a reception was held in the Memorial Hall for 110 guests. Receiving the guests, the mother of the bride wore sheer navy blue with matching accessories and wore a corsage of pink roses, and the groom's mother, dusty rose lace with beige accessories and a cosrage of yellow roses.

The bride's table was centred with a three-tiered wedding cake, other decoration were sweetheart roses and white vesper candles.

The bride chose as her going-away costume a grey coat and dress ensemble and wore turquoise accessories. After a honeymoon in Vancouver, the happy couple will reside at 4401 Dewdney Ave., Regina, Sask.

The out-of-town guests were from St. John's, Newfoundland; Regina, Sask.; Prince Albert, Sask.; Winnipeg and Churchill, Man.; Calgary, Alberta; Vancouver, B.C., and Jarvis Ont.

REG LEATHERDALE RETURNS HOME

Mr. Reg. Leatherdale, who was confined to Stunnybrook Hospital for some time, returned to his home here on Wednesday of last week and reports feeling much improved.

The June meeting of the Haldimand Historical Society was held in the Court House, Cayuga, June 11th, with the President, Mrs. H. E. Jones, in the chair

Tentative plans were made to take a bus trip to Fort Erie and Chippawa in July.

Roll call was answered with early postal cancellations of Haldimand County, among which were Upper, Empire, Haldimand, Decewsville, McHealy, Gypsum Mines, Balmoral and Bingham Road.

Mrs. Edwin Parsons gave a splendid address on Philately (the collecting and study of postal stamps) which she described as "the king of hobbies and the hobby of kings." Mrs. Parsons illustrated her talk with stamps from her extensive collection and explained perforations, metre stamps, law stamps and cancellations. One interesting cancellation was "Canada by Stage, 1856-1956." Others were "Royal Train," "United Nations," etc.

The first Canadian postage stamp (beaver) was issued in 1851. The second stamp, issued about 6 years later (12 penny black, Prince Albert) is scarcer and more valuable than the earlier stamp. The 1898 Imperial Penny Postage stamp is perhaps the most colourful Canadian stamp and the 50-cent Bluenose is considered by many to be the world's most beautiful stamp.

In honour of the late Jack Miner, Canada issues two or three nature series stamps each year. Some of these are very beautiful but others have been severely criticized, especially the Rocky Mountain Goat and the Caribou stamps.

The most recent Canadian Commemoratives issued June 5, 1957, is in honour of the 100th anniversary of the death of David Thompson, who accurately mapped the locations of most Western Canada settlements in the early 19th century, taking observations with a sextant, with a map of his explorations in the background.

In 1948, 30 American Commemoratives were issued. One was in honour of the Gold Star Mothers, another the Four Chaplains, Century of Friendship between the U.S.A. and Canada, Printing of the Holy Bible, etc.

No doubt unsuspected treasure is lying in attics, in old trunks, etc. A sheet of 1908 Edward VII. fifty-cent stamps, in mint condition was found recently in Port Maitland and was valued at $4,500.

Miss Viola Currie expressed the thanks of the members to Mrs. Parsons for her very interesting address.

Improvements In The Jarvis Hydro System

Sixty cycle frequency standardization and extensions and improvements to the electrical distribution system are included in the program planned by the Village of Jarvis Hydro System, it was announced today by Reeve Howard Krouse, Chairman.

Reeve Krouse said that the $9,370 expenditure, which had been approved by Ontario Hydro for this work, will be financed from available funds and funds estimated to become available.

At the same time, permission was received for the staff of Ontario Hydro to assist the Village of Jarvis Hydro System with this work, on the understanding that all costs so incurred will be charged to the local utility.

Commenting on the program, Reeve Krouse said that it would help the local system to provide service and, at the same time, meet the growing needs of the community.

Such undertakings are part of a long-range expansion program currently under way in the Province to provide more efficient service for both urban and rural Hydro customers, who are depending more and more upon electricity for a wide range of conveniences.
