LETTER TO THE EDITOR

Mr. Editor:

In last week's issue, the old subject of water comes up again. It seems that in the opinion of some citizens a vote for a water system would be turned down flat. If this be the case would it be that the average citizen of this community would be afraid of such a burden of debt. Would this be the reason? Let's see if we could get some facts and figures. Here is the ball, let's see who will start it rolling.

Haldimand-Norfolk Presbyterial Meet

The Woman's Missionary Society of the United Church of Canada, held their twenty-eighth annual Presbyterial in Grace United Church, Dunnville, on Thursday, March 7th, 1957. Members and delegates numbering 200 were present.

The president, Mrs. Harold Hopper, Hagersville, opened the meeting and very ably conducted the business session. Mrs. LeRoy Pond, Recording Secretary, read the interim minutes of meetings and activities, reporting an average attendance of 17 at executive meetings.

Mrs. Sanford Steen, South Cayuga, Corresponding Secretary, stressed the use of the annual report at all the monthly meetings and the returning of reports more promptly to the new secretary. She also thanked Mrs Harold Pond for her work in making the annual reports and programmes for the day.

The Treasurer, Mrs. R. B. Hare, Simcoe, reported the allocation for 1956 had been met, also the auxiliary and one new baby band life memberships. Mrs. Hopper thanked the members of the executive through whose generosity the allocation was met.

Mrs. Eric Lindsay, Caledonia, the Christian Stewardship Secretary, urged better giving that we might meet our allocation of $11,520.00 for 1957 and have a surplus for G.B.A. Let our slogan "Allocation Plus" be a challenge!

Letters of acknowledgement from Mission School matrons were read by Mrs. McChing, Port Dover, for supplies received.

Mrs. T. J. Hicks, Candidate Secretary, in her remarks on the preparation of youth for service said it is our duty as older members to make these young people aware of the need of workers. Closing her splendid talk with the question "Is the quality of life in your church such as to make our young people proud of it?"

"When you come—bring the books" a charge of St. Paul to Timothy was quoted by Mrs. Dunnet, Literature Secretary. Applying it to the necessity of more reading of good literature and its far-reaching influence in the minds of young people in the home. The Literature award was made to Canfield Auxiliary after which Rev. W. Goodger, Dunnville, presented greetings from the Haldimand-Norfolk Presbytery.

The Worship period, conducted by Mrs. Atherton, Port Dover, and Mrs. P. L. Jackson, Dunnville, had as its theme "Christs in Faith and Witness." Those present were welcomed by Mrs. V. C. Miller and after "Grace" was said the guests were invited to the lunch room where a bountiful buffet luncheon was served by the Dunnville ladies. This was much enjoyed as it afforded time for visiting with various groups and becoming better acquainted with the work. At the afternoon session greetings were brought by Mrs. Geo. Skinner from the Presbytery W.A.

Rev. Goodger spoke of the possible establishment of a bursary fund in Haldimand-Norfolk to be used for the education of needy students preparing for the ministry and asked for our prayers in regards to its support.

Mrs. Ross Patterson of the Hamilton Conference Branch gave us some very interesting information on the relationships of Women's organizations in the Church and of the plans for forming a new organization, the aim of which is to enlist all women in the church, according to the needs of this generation.

Mrs. Watterworth's solo, "Open the gates of the Temple," made a pleasant contribution to the afternoon session. She was accompanied by the organist, Mrs Kline. "We must know to grow." was the topic chosen by Mrs. Harold Pond, Simcoe, therefore, Missionary Education is a vital necessity which confronts all workers. The "Quiet Time," and "In Memoriam" was conducted by Mrs Lounsbury. The flowers in the church were in memory of four "life" members, placed there by the Dunnville Afternoon Auxiliary.

The guest speaker, Rev. R. W Outerbridge was fittingly introduced by Mrs. Elliott. Recently retired after 42 years' service in Japan, he is now minister of St. Andrew's United Church, Mt. Hamilton, where a new church is being built. He chose to give us a general picture of the unfinished task of the church in Japan, where there appears to be a mild prosperity now, but where she is fighting against terrible odds after the loss of her surrounding territories' islands, as the main arable land supplies only a portion of the food needed for the many millions of her population. Japan today is a very strategic spot in world affairs. She is a completely pacifist country and has no spirit of war, neither morale nor material for it. Shintoism and Buddhism are the accepted religions, but these do not satisfy the spiritual needs of the people, who, generally speaking, do not have a great desire for religion. These are the great odds which must be faced by Christian workers in Japan today.

Eighty to ninety per cent of the Christians there are young people, but their family customs are so strong it is often very difficult to carry their christian principles through successfully. Japan is the

Travel Pictures Presented At Lions Meeting

The members of the Jarvis Lions Club were thrilled on Monday night when Stan. Burditt showed the pictures he took on his trip to the old country last year. The excellence of the photography and the subject that were captured by his camera held his audience in rapt attention during the two-hour showing.

Mr. Burditt gave a running commentary on the trip as the subject matter of his remarks was revealed in beautiful colour on the screen. He took more than 300 pictures and these have been edited down and grouped in a most interesting fashion.

Mr. Burditt was introduced by Lion James Andrews and a vote of appreciation was extended to him by Lions Bill—Clark and Newton Marshall.

OBITUARY

ARGYLE LORNE LEATHONG

Argyle (Guy) L. Leathong passed away at his home in the village on Sunday, March 10th, 1957, following a brief illness, in his 75th year.

A son of the late Mr. and Mrs. John Leathong, he was a veteran of the first Great War and after returning from overseas lived in Hamilton for several years where he was engaged in the construction business. An accident forced his retirement from the construction business about 17 years ago, when he moved to Jarvis. Since that time he spent many years as caretaker of the local public school and was a favorite of the children. He retired from that position in 1955. He was a member of St. Paul's Anglican Church, Jarvis, where he served as Rector's Warden and also as People's Warden. He was also a member of Jarvis Lodge, No. 191, I.O.O.F. and would have been eligible for his 50 year jewel later this year.

Besides his wife, the former Ethel Snyder, he leaves two children, James Leathong of Simcoe, and Mrs. Edward Cook (Lois), who resides in British Columbia.

The funeral was held yesterday with service in St. Paul's Anglican Church at 2 p.m. Rev. K. N. Brueton had charge of the service and interment was made in Oakwood Cemetery, Simcoe.

F. EDGAR MEADE

F. Edgar Meade passed away at his home in Cheapside on Tuesday, March 5th, at the age of 71.

The late Mr. Meade was born at Nanticoke, the son of the late Edward and Mary (Davis) Meade. He lived in the Nanticoke area almost his entire lifetime. He was a member of the Canadian Order of Foresters.

Surviving are his wife, the former Ethel McCarty, whom he married in 1915; two sons, Robert of Walpole, and Kenneth of Port Dover; one daughter, Mrs. George Bassindale (Josephine) of Walpole; 12 grandchildren; three sisters, Mrs. Lorne Belbeck of Port Dover, Mrs. Ashton Evans of Nanticoke and Mrs. George Saunders of Walpole.

The funeral was held from The Thompson Funeral Home, Port Dover, with services in Christ Church, Nanticoke, at 2 p.m. on Friday. Interment was in the Union Cemetery.

A rare treat is in store for this community next Monday night, 18th of March, when the famous Dofasco Male Choir, of Hamilton, will present a concert in the Jarvis Community Hall.

This musical organization is without a peer in Canada and it is expected seats will be at a premium for the concert here. They are coming under the sponsorship of the Fireside Club of the United Church, and the gross proceeds from the event will be turned over to the Building Fund of the Church which will soon begin construction of a new Sunday School.

The Dofasco Male Choir was organized among the employees of the Dominion Foundry and Steel Co. of Hamilton. They give of their time free of charge and their willingness to perform is restricted only by lack of time to fulfill the many requests for their services.

This will be a concert long to be remembered in Jarvis and no one should miss the opportunity presented to them to hear this famous musical organization.

Presentation Made to Mrs. Harvey Clark

The Choir of St. Paul's Church, Jarvis, held a very special practice in the Parish Hall on Tuesday evening. It was special for two reasons.

It was the first practice with Miss Helen Richardson, who is the new organist at St. Paul's. She will commence her duties as organist on Sunday morning next.

It was also the occasion for saying farewell to our much loved Mrs. Harvey Clark, who is leaving Jarvis. Mr. R. Lysch, in a short but witty speech, expressed the sincere regret of the choir at losing one who has done so much to build up and train the choir. He then presented Mrs. Clark with a beautiful presentation copy of the Hymn Book.

At the same time, Mr. David Banks, People's Warden, presented her with a cheque from the congregation, saying how much her faithful and efficient service had been appreciated. Mrs. Clark made a brief reply to both. Previously, the Junior Choir had made a presentation, bought with their own money. Refreshments were served at the close of the practice.

Mrs. Allen Walker of Wingham, was her sister's only attendant. She chose a Delph blue suit with navy accessories and a corsage of pink carnations.

Mr. Dale Hartwick of Kincardine was best man.

After the wedding dinner at the Latin Quarter in London, the couple left for points east and on their return will reside in London.

Jarvis Hockey Team One Game Nearer the Finals

The Jarvis hockey team edged one game closer to that O.R.H.A. "A" championship that we all have our fingers set on, when they defeated Lynden on their home ice by an 11-4 score.

Lynden had the misfortune to have the goalie, M. Hambley struck with a flying puck at one minute and 20 seconds of the first period, with a cut forehead which required nine stitches. He was replaced in goal by forward R. Snyder, who by the way, looked quite at home between the pipes and made several nice saves.

Jarvis led three to two at the end of the first on two goals by Johnny Gee and one by J. Edwards, while Worrall and Markle counted for Lynden.

Jarvis added six goals in the second period with D. Chambers counting twice and singles going to D. Mitchell, J. Phibbs, R. Nixon and J. Edwards.

B. Chapin was the lone marksman for Lynden in the second, to make the score 9-3 at the end of the period.

In the third period Chambers scored his third and fourth goals of the game for Jarvis, while Worrall tallied for Lynden to round out the scoring.

There was a total of 28 penalties handed out in the game, with the majority being of the cheap variety. Twenty-one were handed out in the second period. Jarvis received 16 with a total of 50 minutes in the penalty box, while Lynden received 12, with a total of 42 minutes.

It was indeed a pleasure for the Jarvis boys to have such a large following of fans with them.

D. D. G. M. Visits Masonic Lodge

Rt. Wor. Bro. Jack Atkinson, D. D.G.M., of Brant District, made his official visit to King Solomon Lodge, No. 329, Jarvis, on Friday evening and was greeted by a good attendance of members and visitors from neighbouring Lodges. He was accompanied by District Secretary, Clark Johnson, also of Brantford.

The First Degree was exemplified during the evening and when Lodge closed the members gathered at the banquet hall in the I.O.O.F. Temple for dinner.

The address by the distinguished visitor was much enjoyed by those present as he described the real meaning of Freemasonry.

LETTER TO THE EDITOR

Jarvis, Ont., March 7, 1957.

Mr. Editor:

Reading your article regarding waterworks in Jarvis, I for one am in favour of water coming to Jarvis, as it would encourage more building of home owners and possibly small industry which in my opinion would be a great benefit to Jarvis.

I am in business in town and have all the water I'll ever need, but as our editor has said in previous articles we cannot stand still and expect to be a prosperous town, so with water in town it would be a step in the right direction, to put our town where it should be as a growing, prosperous community.

So, Mr. Editor and Town Council, keep this alive and let's see the waterworks in Jarvis in the near future.
