CALEDONIA ASSESSMENT INCREASES IN YEAR 1957

The 1957 assessment figures for the Village of Caledonia show an increase of $78,000, and while residential property assessment values remain practically unchanged from the year 1956, the increase has come from (1) New Buildings 47 per cent; (2) Business assessment 63 per cent.

FIREBUG BRIEFS

Firebugs can be as common as flies around the house. They breed in trash and oily rags and the like and, far too frequently, in the hides of careless souls who fan fierce flames in stoves, or use coins as electrical fuse connections, or smoke carelessly or leave matches around for children or mice to play with. Swat all these "firebugs" hard, the firemen urge.

* * *

Oxygen plus fuel plus heat equals fire. More people die by smoke and fumes (and lack of oxygen removed by the fire) than by the actual flames. A classic example of this was the Cocoanut Grove fire in Boston in 1942 when many of the night club's 492 victims were found suffocated, unburned at their tables.

* * *

1. Think about fire prevention and what YOU can do to stop fire before it happens. Don't hesitate to ask your fire chief for advice. It costs you nothing and he will be delighted to advise you.

2. A garden hose connection, a handy bucket or two of sand, even a tin of baking soda around the kitchen and you are in business . . . Take it from there.

Fire prevention and protection, like everything else for safety in living, is helped by acceptance of responsibility.

Surprising too, may be your greater peace of mind in having the question to think about fire protection for your loved ones.

Walkerton Win Inter. "B" Title

The Walkerton Hartleys, which team was the stumbling block for Jarvis' quest of an Intermediate softball title, at least two occasions, won the title over the Thanksgiving week-end by winning two of the best three series against Kapuskasing. The series was played at Walkerton. Kapuskasing won the first game on Monday to even the round, but Walkerton came back in the night cap to take the third and final game by a score of 13-5. Little Georgie Zuk was the king-pin for Walkerton's win, although Jack Knox and Norm. Ketlinger did some heavy batting in the final. Walkerton defeated Mount Hope in three games.

HALDIMAND PLOWMEN WILL VISIT DUNNVILLE

Plans for the 29th Annual Plowing Match under the auspices of the Haldimand Plowmen's Association are well advanced and it now looks as though the 1957 match will be another outstanding success. The match this year will be held on October 24, on the property of Lorne Dickhout and adjoining properties located at the corner of Cedar Street and Logan Road, Township of Moulton and Dunnville. The soil will be ideal for excellent work to be done. This location is easily reached from any direction.

During the day there will be a lunch booth on the grounds under the auspices of the D. & R. W.I. where lunches and light refreshments will be available.

International Plowing Match Starts With Very Fine Weather

These past few days have been very nerve-racking for Malen O. Wilkins, President of the Ontario Plowmen's Association. If the fine weather at the beginning of the week holds out the 1957 International Plowing Match is headed toward a great success. If the rains come many of the thousands of spectators will be calling on the tractor drivers to pull them out of the mud.

The match this year is being held on the farm of Mike Lizon, just one mile east of Simcoe and one mile south of No. 3 Highway. The match was officially opened on Tuesday afternoon by Agricultural Minister Goodfellow, Hon. James N. Allan, Minister of Highways and member for Haldimand-Norfolk, was unable to be present for the official opening due to the fact he attended the official opening of the Queensway at Ottawa, part of the Trans-Canada highway development by Queen Elizabeth.

More than 600 entries have been made in the match and by Saturday night the winners of the silverware and the trip to the World Match at Stuttgard, Germany, next year, will be known.

It is expected the attendance will top the 100,000 mark as the visitors watch the plowmen and view the exhibits. All exhibit space has been taken and many free displays are awaiting the visitors.

The Robert Nelson's welcomed the Wesley Happy Doubles Club to their home for the October meeting on Wednesday evening last. The members enjoyed hearing about the work of the Simcoe Retarded School as presented by Mrs. T. G. Richards, one of the teachers, who very forcefully told us about the students attending and the courses of study presented. The Bruce Riley's and the Ralph Gowan's were in charge of the worship on the theme "Thanksgiving." A reading, "At the Ball Game," was given by Eva Gowan. It was decided to furnish the nursery—all furnishings and toys are to be left at the parsonage by October 20th. Nesting tables are to be purchased for the primary room. The November meeting is to take the form of a working bee at the Church to wax the walls of the new building. Lunch was served by the Bill Ionson's, the Elson Reu's and the Don Phibbs'. Don Duxbury expressed thanks to the speaker, the hosts and the committees who were in charge of the most enjoyable evening.

Lions Favour County Park

The Jarvis Lions Club went on record on Tuesday night in favour of the development of a County Park. The move has been initiated by the Haldimand Federation of Agriculture and that body is seeking moral support for the move.

So far no definite steps have been taken. It is understood a couple of sites for a County Park are under consideration but, apparently, the Federation first wish to ascertain the feeling of the citizens of the area before proceeding further.

Sam Confers With Cohorts To Solve June 10th Result

The mystery of the sudden disappearance of Sam Morris, Editor of the Port Dover Maple Leaf, after the June 10th election, has been solved.

The Editor of the Record received a communication from him last week-end, with a Victoria, B.C. postmark and the contents of the communication reveals he is on a fact-finding tour hoping to find an elixir that will give his party some restorative powers before the next general election is called.

We are taking the liberty of passing on the contents of his note because we are sure our readers are beginning to feel some concern regarding his welfare:

Victoria, B.C.
Oct. 6th, 1957.

Mr. Laird Miller,
The Crossroads Weekly,
Jarvis, Ontario.
(Near Port Dover)

Enroute here and since arrival have interviewed so many prominent men and women, including Rt. Hon. Jas. Gardiner on the train, and all agreed that the June 10 debacle was an unfortunate accident which will be corrected when Diefenbaker tries his luck at another election. I had planned this trip long ago to straighten up the wrangle between Fulton and George Drew who is now high Comedien for the P.C's in England. Free Trade for Canada with a Conservative Government just cannot be—you know that! Hope to see Hon. James Sinclair tomorrow and he'll give me the lowdown. Maybe Mr. Campney will be at our special meeting. Anyway don't be taking too much for granted and enjoy the fruits of scant victory to the full while you have the chance. Be seeing you.

You-Know Who.

P.S.—I'd send you a totem pole but where would you put it?

October Meeting Historical Society

The October meeting of the Haldimand Historical Society was held in the Court House, Cayuga, Tuesday evening, October 8th, with the President, Mrs. H. E. Jones, in the chair.

Members answered the roll call by telling places of historical interest they had visited during the summer. These included the St. Lawrence Seaway; R.C.M.P. Museum, Regina; Huntsville Anglican Church; Capt. John Decew's grave; Fort Ste. Marie, and the grave of Wild Bill Hicock.

Two Victorian mesh purses were received from Judge Kinnear and will be displayed in the museum.

The speaker of the evening was Rev. Percival Mayes, who took as his topic "Impressions of England" and gave a very interesting and humorous account of his visit to the Old Country, where he attended the World Scout Jamboree and also toured extensively through England by car.

The Jamboree was held near Birmingham, the second largest city in the British Isles and was a self-contained tented city of 36,000, including nearly 1,500 Canadians. Besides the camp site it contained 5 lakes, an arena, shopping centre, bank, post office, etc. The opening ceremonies, where 88 different national flags were flown, were most impressive, as was the visit of Queen Elizabeth and Prince Phillip. Mr. Mayes was of the opinion that the Scout Jamboree would exert a great influence for world peace.

Other cities visited were Stratford-on-Avon; Evesham, centre of the fruit country; Chester, a walled city; Winchester, the ancient capital of Britain, where Mr. Mayes spent his boyhood; Coventry and London.

In London Mr. Mayes visited Westminster Abbey, the Cathedral, Bow Church, St. Clemens, and the Tower of London, in which is a beautiful Norman chapel dating back to the time of William the Conqueror.

Mr. Mayes' talk left us with the impression of England as a country densely populated, steeped in tradition but modern in many respects, with paved roads everywhere, narrow streets in the cities, bicyclists, beautiful Gothic churches in every little hamlet and wonderful hospitality and friendliness towards the Canadian people.

The November meeting is to be held in the Dunnville Public Library when Rev. H. Hovey, B.D., Cayuga, will speak on "First Editions."

Community Square Dances

Progress is the way to explain it. The children are doing fine. The one thing now is to get rid of the "Flu." We sure notice the decrease in the turnout. We hope next week to see our usual crowd. We also could use some more help but we will overcome that too.

Many thanks to Mr. and Mrs. Chas. Townsend for the piano, it is wonderful. We are looking forward to a big night at the Community Hall some time next month. More about that at a later date.

Mr. Elson served in the Middlesex Presbytery of the London Conference at Arva for seven years, at Cook's Church in Caradoc Township for eight years, and Siloam for six years.

Ordained at the Hamilton Conference of the Methodist Church in 1908, he was invited to Paisley Memorial Church, Guelph. In the same year he married the former Evelyn Hockey, who died in 1954. In 1909 Mr. and Mrs. Elson went to the far east where they spent 17 years in the Chinese Province of SzeChuan.

After his retirement he continued in the service of the Church and filled in wherever needed. He spent some time at Caledonia and later at Jarvis and Garnet in 1953-54. During his service at Jarvis he earned the love and esteem of his parishioners.

Surviving are three daughters, Miss Jean Elson, at home; Miss Maxie Elson, in Lambeth, and Mrs. Frank (Eileen) Entwisle, of Montgomery, N.Y.; two sons, Paul Elson, of St. Andrews, N.B., and John Elson of Montreal.

A native of Jarvis, the deceased was a son of Mrs. Myra Ionson and the late Percy Ionson of this community. He discontinued active service with the RCAF last year although he received his discharge less than a month ago. For the past year he continued teaching.
