SELECT EDWARDS ON ALL-STAR TEAM

Roy Edwards, goalier with the Calgary Stampeders, was the unanimous choice for goal tender on the Western's Hockey League All-Star team.

Roy polled a maximum of 60 votes. Only one other player in the Western League was a unanimous choice. He was Eddie Dorohoy, also with the Stampeders.

Roy's teammate Lou Jankowski also was selected for the All-Star squad. Lou shared left wing honors with Winnipeg's Gerry Brisson, each polled 38 points in a vote by Prairie hockey writers and broadcasters.

OBITUARY

DEBRA ELIZABETH REU

The sympathy of the entire community is extended to Mr. and Mrs. Elmer Reu, who have suffered the loss of their little daughter, who passed away in the Sick Children's Hospital on Wednesday, February 18, 1959 in her fifth year.

A delicate child from birth the little girl had been taken to Toronto for a week previously to undergo a heart operation. It was thought that she was progressing favourably when the end came suddenly.

She is survived by two small sisters, Carolyn and Doris, as well as her parents, her grandparents, Mr. George Reu of Jarvis and Mr. and Mrs. Ernest Peart of Oneida.

The funeral was held at the Union Church Jarvis on Saturday afternoon, where the choir rendered special music and the Rev. J. A. Logan conducted the service.

The large attendance and many floral tributes were but a small expression of the sorrow felt by the friends and neighbours of the family.

Pall bearers were Jack Sutor, Bob Henderson, Karl Reu and Donald Reu.

Interment was made in the Jarvis United Church Cemetery.

CWL NOTES

St. Anne's Subdivision of the Catholic Women's League held their February meeting in the Hagersville Church Hall.

Mrs. Leo Montague, President, opened the meeting with the League Prayer. The minutes of the last meeting were read by Mrs. Charles Moelker. During the business of the evening Mrs. Raymond Montague moved that we send $5.00 to the Sacred Heart Program. Mrs. John Brennan moved that we have a bake loaf sale. Appreciation was expressed to the League for the baskets sent to the sick at Christmas.

Mrs. Norman Millar moved that thread be purchased to have lace made for the altar cloths. Following this, the meeting was adjourned with the recitation of the Act of Consecration to the Blessed Virgin Mary.

Mr. and Mrs. Stan Burditt then showed the ladies the pictures which they had taken on their trip to England. A vote of thanks was given to Mr. and Mrs. Burditt by Mrs. George Anderson. The ladies then served a delicious lunch.

Pastor W. S. Walker presided, and opened the meeting with the singing of the hymn "He Lives". Mr. Bob Holden of New York State was present at the meeting, and favoured us with a special solo. The Pastor read a portion of Scripture from the Book of Ephesians, chapter 4, verses 1-16, charging the officers who would be elected for the ensuing year to 'walk worthy of their calling' and to be found faithful in everything that they be given to do. The Pastor then led in prayer.

Mr. Gordon Marshall, clerk, read the minutes of last year's business meeting, and reported on the progress of the church in the past year, noting especially the call and acceptance of our new Pastor, and the commencement of our new church building, which is now partially finished; the basement of which is now being used for our services.

Mr. Donald Sloat, treasurer, read the financial report of the Sunday School and church of the past year. Truly, the Lord has been faithful in meeting our financial obligations and we give Him our praise.

ON THE FARM FRONT

Brief Notes for the Busy Farmer

By Haldimand Harry

According to the latest information available, the number of stocker and feeder cattle brought into Haldimand County during the year 1958, was just a trifle over half the number brought in during 1957 and less than one-third the number brought in during 1956. The actual figures are: 1958, 284 head; 1957, 512 head and 1956, 930 head. Strange as it may seem the month with the largest number of imports was June with 88 head. It is assumed that these were brought in to put on pasture. Actually the number brought in during the fall was below normal.

-oOo-

Hog marketings from Haldimand County for the month of January totalled 2,760. Of these 819 head were in top or "A" grade while 1246 head were in the "B1" grade. Those that were in the "C" grade were still over the 10 per cent rating and higher than they should be. There is no doubt that many of those that were in the "B1" grade could have been in the top grade had they been marketed at the proper weights. It is realized, of course, that it may not seem to pay to send just one hog to market when it is fully expected that more will be ready the following week. However, if the grade is to be maintained at anywhere near where it should be it is necessary to look after little details such as this.

-oOo-

Evidently hog producers are watching the market a little more closely as the last report is to the effect that fewer sows have been bred in January. The over all reduction indicated by the survey that was made was 3.3 per cent for the whole of Canada. Nova Scotia, New Brunswick and British Columbia all showed increases. On the other hand sales during January averaged 172,370 head per week which is a considerable increase over 118,541 head, the average for January in 1958.

-oOo-

Dr. L. C. Cunningham of Cornell University has set out nine goals that every successful dairyman in New York State should strive to meet. No doubt many of them will be applicable to dairy farmers right here in Haldimand. A few of these are as follows: The dairyman should have at least 40 cows; at least 3 to 3½ crop acres per cow and at least 2 tons of hay per acre. The yield of corn should be not less than 12 tons of silage per acre. At least 5 to 6 tons of hay should be harvested for each cow. Milk sales should be 9,000 pounds per cow or more. No more than 25 per cent of the milk cheque should be spent on feed. No more than $100.00 per cow should be spent on machinery and power. Finally there should be at least 200,000 pounds of milk per year sold for each man working on the farm.

-oOo-

It should be noted that volume or size of business has been emphasized very greatly in the above paragraph and this has been found to be true in Ontario as well. It is indeed one of the highly important factors in the successful operation of any farm. The best labour incomes in Ontario have been made on large farms when they have been well managed. Large farms are not the only answer as they can also have the biggest losses when production is low and prices are very low. Management is still the most important item in the successful operation of any farm.

-oOo-

In less than two weeks the Haldimand Seed Fair and Haldimand Farm and Home Week will be in full session. The dates for these events are March 9th to 13th inclusive. This will be the 20th Annual Seed Fair and there is every prospect that it will be one of the largest. There was such a splendid crop of grain last year that the quality of sample should be much improved. The Hay Show at this event has increased greatly during the past number of years and the directors have been encouraged to add some more classes. Be sure to make your entries early for the show and above all be sure to attend every day of this interesting and worthwhile week. Mark the dates on your calendar now so that you will not forget them.

Nanticoke United Church W.M.S. Meeting

The February meeting which is the birthday meeting of the Nanticoke auxiliary of the W.M.S. was held at the home of Mrs. Robert Doughty, on the 17th.

The meeting was opened by the President, Mrs. Reg Hedges with the call to worship, Hymn 514, "These Things Shall Be", and Prayer.

Mrs. R. A. Doughty was in charge of the Worship Service, the theme of which was "Race Prejudice Exposed". The story of Ruth was used as an argument against race prejudice. Those taking part in the discussion were Mrs. Russell Miller, Mrs. Jim Lindsay, Mrs. H. K. Saunders and the President. Mrs. Wesley Kindree, reported having written a letter to our Missionary for Prayer, Miss Mary Yakimchuk, R.N. and Matron at Hunter Memorial Hospital Tenlon, Manitoba.

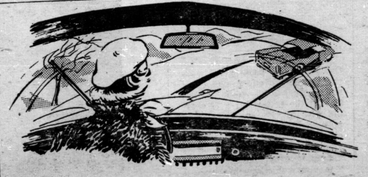
The subject for study was "The Canadian Indian" which was given in a very informative and interesting way by Mrs. Mary Marr. No longer need the Indian be bound to an unreal dream-world of past glory and an unhappy dependence on treaty money and rulings. Many are finding another way — the way of adjustment and independence. Young people are leaving the reserves to further their education, to find work in industry, and in professions. Some return, to serve their own people, to help their younger brothers and sisters.

The secretary, Mrs. Marr, read the minutes of the January meeting, held at the home of Mrs. Arthur Vokes. The birthday offering was received.

The meeting closed with the Mizpah Benediction after which lunch was served and a social half hour was enjoyed. Mrs. Hedges thanked the hostess.

JARVIS MEETS LYNDEN IN FIRST ROUND

Jarvis meets Lynden in the first round of the Intermediate "A" ORHA playdowns. If arrangements can be completed the first game will be played this week at Lynden and the 2nd game at Port Dover next Monday night, March 2nd. The teams will definitely meet next Monday night at Port Dover.



REMEMBER, YOU NEED MORE ROOM! Leave lots of room between your car and the one ahead — you'll need extra stopping space under winter conditions. Wintertime is the time when road courtesy is most essential—give the other drivers a break! Snowbanks or drifting snow may conceal stalled vehicles, hidden driveways, intersections and pedestrians.

FIRESIDE CLUB FEBRUARY MEETING

The February Meeting of the Fireside Club was held on Thursday evening in the church parlor with 24 ladies present.

The president opened the meeting with the Club motto. Isobel Davidson was in charge of the devotional period and Beulah Weit read the Scripture.

The minutes of the January meeting were read and adopted and the correspondence read. Following the theme of Valentines Day the roll call was answered with a verse containing the word "Love".

Due to other activities in the community, it was moved by Alma Linklater and seconded by Meta McMurchy that we meet one week earlier in March, the date being March 12th. Members please note that there is to be a white elephant sale at this meeting. The committee is to be Mabel Hearn, Nellie Miller and Meta McMurchy.

The need for more tables and chairs for the Sunday School was brought to the attention of the members and a committee was named to look into this matter.

The Treasurer's report was given and other business discussed before adjournment.

Clara Smitherman entertained the members with two humorous readings and Janet Logan conducted contests.

Doreen Doughty conveyed the thanks of the Club to the committee for the well-planned program and delicious lunch.

Valentine Fun Night Held at Lambs Corners W.I. Meeting

A large crowd attended the Valentine Fun Night held in the Cheapside Community Hall under the auspices of the Lamb's Corners Womens Institute.

The President, Mrs. William Lamb presided for the meeting and program.

During the business discussion, dates were set for two quilting parties to be held at the home of Mrs. Clayton Weaver of Cheapside.

The three day Millinery Course to be sponsored by the W. I. will be held in the Cheapside Hall on March 13th, 16th and 17th.

Mrs. Howard Kitchen was appointed to attend the District Director's Convention at MacDonald College, Guelph in May.

Mrs. Hazen Cronk and Mrs. R. F. Allen were appointed leaders for the next 4-H Homemaking Club project.

Mrs. Bertly Brown convened the Variety Program which followed, when the Institute members and families were entertained. Those taking part were: Rhythm Band and Chorus by the pupils of McGaws School under the direction of the teacher Mrs. George Hedges accompanied on the piano by Mrs. Elmo Murphy, music Instructress; Vocal Duet by Linda and Brian Hoover; Musical numbers, by the Lambs Corners School pupils under the direction of their teacher Mrs. Murphy; Vocal Trio, The Jones Sisters, Alice, Jean and Patricia, accompanied by Mrs. Douglas James; all of Selkirk; Miss Nettie Weaver, Reader.

A speech on Safety was presented by Miss Dianne Bartlett of Cheapside, recent winner in the public speaking cohtest in High Schools. A Piano solo by Mrs. R. F. Allen and musical numbers by the Hedges family, cornet, piano and accordian played by Mr. and Mrs. George Hedges and daughter Rose.

A humorous play presenting their version of a Lambs Corners Womens Institute Quilting party was enacted by Mrs. Russell Hare, Mr. Hubert Field, Mr. Harvey Bassindale, Mr. John Swarts, Mr. Earl Wilson and Mr. George Hedges.

During the program, the 14 young ladies who have completed the recent 4-H Homemaking Club course modelled their wool skirts or dresses. Mrs. Hubert Field, leader, assisted by Mrs. William Lamb, presented each girl with a Silver spoon on behalf of the Lambs Corners W. I.

The Alert Is Sounded For Jarvis Hockey Fans

SIMCOE GUNNERS RESPOND TO CHALLENGE TO PROVE SUPERIORITY OVER JARVIS CHEVIES

Tentative dates have been set for a hockey battle that should appeal to at least twenty five hundred hockey fans in Haldimand-Norfolk. The dates are Wednesday or Thursday, March 4th or 5th, and the combatants will be the Simcoe Gunners (Intermediate B) and the Jarvis Chevies (Intermediate A, O.R.H.A.).

In order to clear the way for this world-shaking contest a mountain of problems had to be cleared away. The first and foremost of these was ice time at the Simcoe Arena; Playoff games already scheduled in the respective loops; Details of arrangements as between Bill Berecht and Chirp Bentley, President and Manager of the Gunners and Bill Henderson and Jack Martin, President and Manager of the Chevies; Chirp Bentley, as coach of the Gunners and Jack Phibbs as coach of the Chevies; Arena rental charges; gate receipt splits and numerous other details.

The Liason representatives of the two teams have been working day and night to clear away the obstacles and, as stated before, plans now point to a contest for either Wednesday or Thursday night, March 4th or 5th, at the Simcoe Arena.

Local hockey fans say this will be the biggest attraction at the Simcoe Arena since the Ice Palace was built. The Simcoe brass are saying it will be a push over for the Gunners. Jack Martin, Manager of the Chevies says "I promise one thing. Simcoe will know they have been through a hockey game". He made some further comment to the effect that if the Gunner's Ace, Doug Walton, will be a down with a mild attack of measles on Wednesday or Thursday mornings, March 4th or 5th, he (Jack Martin) wouldn't be shedding any crocodile tears.

In any event this contest should draw every loyal Chevie fan away from the fireside. Likely too there will be a demand for tickets from the Port Dover area where great respect is held for anything coming from Jarvis and Haldimand County generally. Keep the dates in mind as this promises to be the hockey night of the year.

Bell Telephone Company Increase Productivity

Record net income of $38,899,289 for the year ended December 31st, steadily increasing number of telephones and shareholders, and a "notable increase in productivity" are revealed in the 79th annual report of the Bell Telephone Company of Canada issued this week.

The report states that net income was $2,862,120 higher than in 1957 Earnings per share amounted to $2.15, the same as in the previous year, as there were more shares outstanding. The regular dividend of $2 a share was paid and surplus was increased by $2,718,860.

The increase of 185,465 telephones brought the total in service at the end of the year to 3,140,349. Some 75,000 colored telephones were installed during the year.

This expansion was reflected in Jarvis by the addition of 17 telephones, D. A. McArthur, Bell manager for this region said, bringing the total in service here as of December 31 to 588.

Construction expenditures of $183,000,000 were made in 1958 to improve service and to serve new customers. "We have made steady progress in our efforts to extend service in country districts and to improve it, "the report states. "By the end of the year, some 14,000 more telephones were in service in rural territory and an additional 7,200 customers formerly served on a rural line basis had been provided with urban service."

Referring to the increase in productivity, the report notes that more service was provided for more customers than ever before and that this progress was achieved by fewer employees—39,321 men and women were required in either of the two previous years. Wages and salaries paid during the year amounted to $154,611,767.

At December 31, shareholders numbered 157,724. Ninety-eight per cent were residents in Canada and they owned 92 per cent of the stock.
