CHILDREN'S AID ANNUAL TO BE HELD IN JARVIS

Final arrangements for the Children's Aid Annual Meeting were made on Monday evening at an Executive meeting at the home of Mrs. R. A. Miller.

This will take the form of a dinner meeting at the Jarvis Community Hall on Thursday evening April 27th at 7 P.M. with the Ladies of the Anglican Church catering.

Her Honour Judge Helen Kinnear of the Juvenile and Family Court and Probation Officer William Jackson will be speakers and it is hoped that local people will avail themselves of the opportunity to learn more about the work done in Haldimand-Norfolk and throughout Ontario for underprivileged children who will be the citizens of tomorrow.

For many years the Annual meeting was held in Kohler but recent policy has favoured moving to a different town each year that people of each locality might be able to attend. This is the first time Jarvis has been chosen and a good attendance is hoped for.

PUTTING THE BLAME ON OTHERS

and Janice had been playing garden contentedly until they d misfortune to put their ball ch a neighbour's window. H the trouble started. Moth me to investigate the crime and d that it was Bert's fault, be he threw the ball too hard. rse Bert claimed it was the of his sister because she had ught the ball.

h a scene may bring a smile to of us who are parents. It has ned so often in our homes and r our own children. One is s blaming the other when plans work out, when some task is ted or an accident occurs. er if we realize how often we others, and to a greater degree do our children.

work something goes wrong or der is neglected and so the is passed on down the line. who have been in the forces can at the remembrance of many nts, when the Major blamed the in, the Captain the Lieutenant, Lieutenant the N.C.O.'s until at the fellow at the bottom found lf C.B.

en the unemployment figures s blame the government, what party is in power; when an epidemic spreads we blame the doctors; when the morals of the young people decline, we blame the parents and when someone who goes to church "falls from grace" we blame the church. Of course, the story is as old as man himself. When God discovered that Adam had eaten the fruit of the forbidden tree, in the Genesis story Adam blames Eve. Eve, of course, blames the serpent and it is only because the serpent cannot speak that he is unable to blame someone else.

The Bible suggests that there is one solution to the whole vicious circle, namely, that we have the courage to face the facts. The fact that "all have sinned" - all are liable to blame - in the sight of God and all of us need forgiveness. How much happier and better the world would be if we would act like men and acknowledge our faults instead of blaming others. Perhaps it would then be possible for us to realize that in spite of all things, the Communists are not the only people to blame, and that after all the government is made up of people just like you and I, subject to the same frailties of character and sin. Indeed, it may well be, that we would also discover that we are to blame for much of our mistakes, because we have disobeyed the Divine Laws written into the universe by the Creator Himself.

It was also announced that the 3rd annual Diocesan Catholic Women's League Convention will be held in May, at Prudhomme's Gardens Centre, Vineland.

Our Director, Rev. G. Beck, addressed the meeting.

Mrs. Ray Montague, Chairman of the Nominating Committee presented a slate of officers for 1961-62 with Mrs. George Anderson, President; Vice President, Mrs. John Cox; Secretary, Mrs. John Barilla; Treasurer, Mrs. Chas. BALMORAL BAPTIST LADIES AUXILIARY

The March meeting was held at the home of Mrs. Arthur Johnson of Selkirk where 22 ladies gathered to work on bandages and white shirts for doctor and patient gowns.

The opening hymn was "Count Your Blessings" followed by prayer by Mrs. Nauman. The minutes of the last meeting were then read and the roll call answered with a Bible verse containing the word "Resurrection."

The business of the evening was then conducted after which the meeting was turned over to Mrs. Richard Person who was in charge of the devotional period.

"Hark! 'Tis The Shepherd's Voice I Hear" was sung by all followed by the reading of Psalm 126. A reading entitled "Don't Be Discouraged" was read by Mrs. Person. This reading brought out the fact that some teachers of the gospel give up too easily because they do not see any visible fruit but sometimes after many years the word that given forth began to sprout and because those words were brought back to the memory of those who heard it. Many times the devil uses this seemingly fruitless time of one's ministry for the Lord to cause him or her to quit.

A season of prayer then followed led by Mrs. Erwin. Mrs. Pitt and Mrs. Lee closing with the singing of "Thank You, Lord."

It was then decided that the ladies would houseclean the church on April 13 and 14. A delicious lunch was then served by Mrs. Johnson, Mrs. Teal, Mrs. Pepper and Mrs. Gibbons.

CHRISTIAN SERVICE BRIGADE

(intended for last issue)

On the 7th day of April, at 1915 hours, several members of the Christian Service Brigade were present for a voluntary prayer meeting. At 1930 hours, the Battalion was officially called to order with an attendance of 23. This was the thirteenth meeting held this year and the average attendance thus far has been 57 per cent of the total enrollment of forty boys. The boys of the Brigade were happy to be able to welcome back Tom Prescott and Bob Cuckaley as well as Don Stark and his brother Doug. Following the opening prayer, the squads were broken off and marched into their squad rooms. Although no achievements were passed tonight, those having previously passed achievements were given a chance to help the new members get a start towards passing an achievement. At 1955 hours the second whistle was blown summoning the squads into formation for squad reports. The Lieutenant officially declared squad two the winner of the point competition (which has been run during the past three months) with over 2000 points, which exceeded squad three by approximately 500 points, which in turn had a 250 point margin over squad one. The winning squad was given the privilege of naming any place (within reason) to go on an award trip. The two most agreed upon discussions were either Niagara Falls (including Old Fort Henry) or Casa Loma; however, they were not able to come up with an unanimous decision tonight, and so were given until next week to decide. The Brigade was broken into three new squads this week to enable the boys to make new friends as well as making the next point competition a closer race. A Mr. America contest was next on the agenda; the decision of the judges was toward Corp. Wayne Person; however when introduced to "Three Knitter Ladies" (alias Don Stark, Gary Vanderburg and Frederick Harris), was congratulated with a cup of cold water in the face. The Battalion was then broken into the conventional two teams for games. The first game played was a relay race in which Bill Rounce scored the sole point by overtaking his rival, Murray Stewart. Gerald Stewart, Walt Cassidy and Allan Towers, as well as many others were credited for scoring points in the second game, which was called 'Steal the Bacon.' The boys were given information about Brigade Camp (in the Haliburton Lake Region) and several of the boys plan on going. David Patten and his brother Don assembled the campfire, as the rest of the Brigade drew chairs around for Council Ring. Tonight, the Captain told of a boy who had a dream which changed his whole life. The meeting was closed in prayer; however, before the Bri-

CHEVIES BEST RURAL TEAM IN PROVINCE OF ONTARIO

In winning the best two-out-of three game series against Princeton in two straight games the Jarvis Chevies proved conclusively that they are the best rural hockey team in the Province of Ontario. The Chevies showed their class on Tuesday night when they took the second game of the challenge series by a score of 12-4. The boys can now hang up their skates for another successful season, having won the league title, the Intermediate "A" ORHA Championship and finally the challenge series.

The challenge series against Princeton was a sort of anti-climax to their Intermediate "A" Championship. The constitution of the ORHA, however, calls for a challenge series between the Int. "A" Champions and the Senior Champions for, what is known as, the All-Ontario Championship.

The Senior Champions—Norwich—declined the title bout which accounted for the fact that Princeton, the Int. "B" Champions, went into the All-Ontario Championship Play-off with the Jarvis Chevies. The first game was played at Ayr last Thursday night and the Chevies cked through with a 8-7 win.

The second win at Port Dover on Tuesday night was a different affair altogether. The Chevies scored two goals within the first forty seconds of play to take a lead they never relinquished. Harold Nixon scored his first of three goals in the game at the 16 second mark and Tom Saunders added another 23 seconds later. Harold Nixon put on the red light again at 6.48 for a 3-0 lead. Princeton rallied later in the period with goals by Grover and Davis to end the first period 3-2.

Jack Nixon, Sonny Lowe and Bill Nixon added singles in the second period with MacGregor adding one for the visitors to make it 6-3.

The Chevies showed their reserve in the third period when they added six goals to their total. Johnny Edwards lead with a pair and singletons went to Reg Anderson, Sonny Lowe, Bob Nixon and Harold Nixon. Laurie scored the only Princeton goal in this frame.

As an indication of the game Jarvis had 45 shots on goal while Arnott was called on 25 times.

Jarvis also lead in the penalty department getting nine of the thirteen penalties handed out by Referee Terry Hagen.

Congratulations to every member of the Jarvis Chevies, their sponsors, Lundy & Henderson, their manager, Gordon Hazlett, Coach Gordon Miller and detail manager, Jack Martin. Their achievement in sport is enviable to all competitors.

B.C. BYE ELECTION FORECASTS

- By Clyde Corrigall -

Quite a bevy of political candidates are milling about the Saanich-Esquimalt riding wire impatiently waiting for Prime Minister John D. to fire that reluctant starting gun for the delayed bye election there. Meanwhile they've been far from idle. Six, already in the field by last census, have been campaigning like mad all over the place for weeks, in some cases months past. The electors are likely to get deafened, befuddled and even more apathetic than usual long before polling day.

The Tories' candidate is an ex-reeve who resigned both that position and a good Federal civil service job to run so must feel rather confident. Gifts are going all out with a retired R.C.N. commander; Socreds are pinning their hopes on a non-resident, who was a reeve and also president, secretary or something of the provincial Social Credit League; C.C.F. are betting on a social service executive. There are at least two very dark horses among the entries from two obscure splinter parties (have forgotten their names). They are evidently running for exercise. Surely that persistent trier the L.L.P. (Independent Labor Party, another alias for Communists) must be in there somewhere with a "red" horse. From whence do they get the funds to run and lose so consistently and hopelessly? Is it money plus orders from Moscow ?

Well, there you are - stick a pin in the ballot paper and take your pick. This has been dubbed a prestige race for the four main contestants, Tories, Grits, C.C.F. and Socreds. The others have nothing to lose but their deposits. The Socreds, being still in power in B.C., though not much longer if present trend continues, also have the advantage of battling on familiar ground, funds, and, not least, that astutely colorful Premier, W. A. C. Bennett, who, like the little girl in the Mikado (was it Yum-Yum?) certainly is "not shy". He proclaims this bye election as another "On To Ottawa" victory march.

The Tories have patronage and perhaps funds now and must hope that some of the popularity of the last provincial election, also Premier Bennett, who, like the little girl in the Mikado (was it Yum-Yum?) certainly is "not shy". He proclaims this bye election as another "On To Ottawa" victory march.

The Tories have patronage and perhaps funds now and must hope that some of the popularity of the last provincial election last year, are expecting trend to continue, and hope for substantial aid from that prolonged courtship with Labor, so far a rather reluctant fiance. The Socialists would like to put an "n" in that word.

Having established a small reputation as political forecaster through our secret system of simply sitting still and letting information and opinions come to us instead of "Gallup-ing" about all over, we don't propose to jeopardize it now by going out on a limb on this one. Besides we're two months, a gulf (Georgia) and many miles away from the scene of conflict.

It is safe to predict, however, that before it is over the ears of Saanich-Esquimalt electors will be deafened and their minds confused by political cannon and perhaps even orator(ical) hydrogen bombs, not only to the left, right and in front of them, but also to the rear. Most of this heavy artillery will come from Ottawa but lesser field pieces will be from provincial capitals, some firing at random. Of course if "Chief Deif" decides to call a general election instead, this lower Vancouver-Island battle will become just a sideshow as most of the heavy ordnance will be needed at home to defend more personal positions.

It wouldn't surprise us much, if before this political embroglio is over, some electors and perhaps a candidate or two, don't apply for reservations on the next rocket ship to the moon in the hope of getting a meal of "green" cheese for a change.

BRUCE STADDER NEW PRESIDENT

A drive to make County political organizations the backbone of the Haldimand-Norfolk Liberal Riding Association was recognized last Wednesday night, April 12th.

At a general meeting of the Association held at Port Dover's Legion Hall members of Liberal Associations in the two Counties unanimously endorsed a program under which County Liberal organization will take first place over any single, joint riding program directed by a central riding executive.

Spokesmen of both County organizations hastened to express accord with their opposite numbers and with the Southern Ontario Liberal Association.

"There is no argument here," said Thomas Jacob, Dunnville. "We are all here stressing our views strongly but we share a common aim — the creation of the best organizational system for our riding."

Ben Schachar, Brantford, second Vice President of the SOLA opened the meeting to adhere to the established constitution for Liberal organizations. He stressed the necessity for election over appointment for executive positions.

The meeting elected Bruce Stadder of Jarvis, President of the Haldimand Liberal Association, to the office of Riding President; Mr. Elmo Riddle was voted First Vice President; Frank Young, R.R. 2, Caledonia, is Second Vice President; John Sheppard, Simcoe, Secretary Treasurer; Jack Craig, Port Dover, is Past President.

Mr. Craig was chairman of the meeting. He was tendered a vote of thanks for his work as riding president. Mrs. M. M. MacDonald, Hamilton, retiring secretary treasurer of the riding, was recognized for past service to the Liberal party.
