Two events of more than ordinary importance take place in the month of May. One is the Jarvis District Community Fund canvass and the other is the Lions Club Victoria Day Celebration. Preliminary planning for both events is now taking place.

The Community Fund canvass has been uniquely successful since it was started more than a dozen years ago. Every year the public responds to the goal set by the committee and every year a group of faithful canvassers faithfully make the rounds. By reason of having a combined charity drive the work load on those willing to undertake such tasks is materially reduced. The charities involved received as muh, year by year as they would with separate drives. The one unfortunate aspect of the Community Fund is the lack of interest in leadership. Very few people attended the annual meeting of the Fund last Saturday night. Perhaps this is evidence of the confidence and satisfaction in the work of the committee over the years. The committee has had the benefit of good campaign management over the years. First with Rev. W. H. Fuller as Campaign Chairman and in recent years with Mrs. R. A. Miller assuming this important task.

Everyone looks forward to the Victoria Day Celebration which takes place on Monday, May 22 this year. The parade, ball games, Amateur show and games all prove interesting to those in attendance. This celebration has become a part of the community and we would now be lost without it. Fortunately the Lions Club has taken over the management of the celebration. Years ago a handful of people tried to make this event a success but it was a difficult task. Now the work is spread around among the members of the Lions Club with each one having a job to do. While it still represents a big undertaking almost everyone taking part gets a measure of enjoyment out of it.

We see we are assigned to the Amateur Show again this year so we naturally hope all contestants will get their applications in early so arrangements for the program will be reasonably easy. We can remember getting this show underway away back when the contestants stood on a shaky wooden platform in the old skating rink. Just about everyone needs a little experience in performing, or speaking, before an audience and the Amateur Show provides the medium for the young people of the community. It is good experience

A letter was recently received in the mail expressing regret that no opportunity was afforded hockey fans of welcoming the Jarvis Chevies home after they won the Ontario Championship. We did not publish the letter as it was not signed. We might say, however, that the opportunity will likely be afforded all fans who would like to pay tribute to the team at a banquet which, we understand, will be held at a later date.

HALDIMAND COUNTY CHILDREN AID SOCIETY MEETING

(Intended for a previous issue)

"The need for Foster Homes for teen-agers continues to be critical", stated Mr. R. Priestman, Local Director, at the March meeting of the Board of the Children's Aid Society. "People dodge the responsibilities inherent in handling older children, or disturbed children and yet, when tried, it can be a rewarding experience indeed," he continued.

Staff time in the field of Family Counselling and Assistance — the work which helps to keep a family together — continues to increase. This is a significant fact since, falling outside The Child Welfare Act, it is done by the Society on a voluntary basis. In some areas of the province this preventive service is not given by Children's Aid Societies.

A letter of appreciation was received from parents of a newly adopted child, saying in part, "We are grateful to the staff of the Children's Aid Society and particularly to Mrs Chambers who is far more than a social worker, we think of her as our friend."

Plans for the Annual Meeting of the Society are nearing completion under the chairmanship of Mr. K. Parkinson of Walpole Township. The meeting will be preceded by a dinner, held in Jarvis Community Hall on April 27th. It is now policy for the Society to rotate the place for its annual meeting throughout the County so that as many people as possible may attend the event and learn more about its work.

The Public Relations Committee reported that an informal meeting of foster parents caring for teenagers had been held at the home of Mr. Powell of Cayuga, when a lively discussion on the problems of children had taken place. It is hoped that this meeting will be followed shortly by others.

An expression of thanks to the Dunnville Lions Club for their assistance during the year is to be sent by the secretary. Mr. Priestman explained that the Club spent $264.00 on the treatment of one of the children in the care of the Society in addition to making a donation of Fifty dollars.

The President, Mr. F. Young of Seneca was in the chair. Mrs. Heinz the Secretary read the minutes and the treasurer's report was given by Mr. Syd Cronk, County Municipal representative to the Board at the last meeting of the Board of Finance Chairman.

Those present were. Cayuga: Mrs. E. Powell, Miss A. Murphy, Mrs. Heinz; Jarvis: Mrs. R. Miller, Mrs. McCarthy, Mr. K. Parkinson; Hagersville: Mr. S. Cronk; Seneca: Mr. F. Young; Dunnville: Mrs. J. Davis, Mr. R. Priestman.

TRAINING SCHOOL CONTRACT AWARDED

A $1,284,444 contract for construction of a boy's training school at Simcoe has been awarded to Dunker Construction Limited of Kitchener, public works minister Connell announced to day.

The site is south of No 3 Highway on Ireland Road near Victoria Street in Woodhouse Township about half a mile south-east of Simcoe.

Mr. Connell said construction would start immediately to allow the contractor to provide peak employment next winter and complete the work in the summer of 1962.

Arrangements have been made with the Town of Simcoe for water sewer services.

The two-storey brick and concrete structure will accommodate 125 boys. A psychiatric unit will be near the administration area. There will be a single-storey wing of eight classrooms with auditorium and gymnasium nearby. Sleeping accomodation will be in eight small dormitories with four beds in each and the remainder in individual rooms. There will be four detention cells.

In addition to vocational shops and other instructional areas, a chapel will be included in the building.

Boys sent to the Institution will be those amenable to the treatment and training customary in the training school system of the department of reform institutions. While the emphasis will be on the academic and vocational program, there will be individual and group therapy sessions as well as individual counselling.

Mrs. Russell Hare, chairman of the Women's Committee extended a very cordial welcome to the one hundred and forty five ladies in attendance and following Grace by Mrs. Robt. Paisley Sr. and the toast to the Queen the members of the Little Erie Sewing Circle served a delicious luncheon

Mrs. Lewis Keefer in replying for the guests brought greetings from the Federated Women's Institutes of Ontario and the Department of Agriculture.

A sing song under the very capable leadership of Mrs. Graydon Field with Mrs. Hartley Mattice at the piano was thoroughly enjoyed.

An attractive display of Indian Art Craft by the Ohsweken Art Group was exhibited by Mrs. Mildred Hunter, Mrs. R. C. Hill, Mrs. J. C. Hill and Mrs. Monture, Jr.

This annual affair is a project in Better Human Relations and Understanding and we were reminded by Mrs. Monture of the importance of our attitudes to other people since all the world is today watching Canada. Of Pauline Johnston, Wilson MacDonald wrote:

"She sleeps betwixt the mountain and the sea
In that great Abbey of the setting sun
A Princess, Poet, Woman, three in one
And fine in every measure of the three
And when we needed most her tragic plea
Against ignoble paeans we had sung
While yet her muse was warm, her lyric young
She passed to realms of purer poesy."

The Ontario Safety League quotes from an article "How I Spot A Good Driver" by humourist Bennett Cerf: "Never let your wife know what you really think of women drivers. Be like one of my business associates. He's never failed to assure his wife she's the greatest driver in the world - even the day she drove his new convertible straight up the side of our Random House building. Nor was that the worst of it. She ran into another partner's wife driving down !"
