Mr. David Arnott of Scotch descent, a very skilled workman had charge of the work, all the woodwork being carved by hand. The new church was dedicated in 1863 with a membership of sixty. The late Sanford Fleming's father, Mr. Henry Fleming, then a mere lad, was the caretaker. He supplied the kindling and received the sum of four (4) dollars per year, paid in copers.

Previous to January 1886, the services were held alternately morning and afternoon with Knox Jarvis. Later arrangements were made with Jarvis congregation whereby Walpole secured afternoon service every Sabbath. Only recently services have commenced in the morning.

It was during Rev. John Well's pastorate when an organ was installed with Miss Allie Jones as organist. Mr. and Mrs. Amos Porter donated an electric organ which was dedicated at the same time as the church hall was dedicated in 1949. Miss Siva Walker was organist for 25 years.

Since the resignation of the Rev. H. Smith, Mr. William Heath, Hamilton and others have helped to keep the work of the church faithfully pressing onward.

HALDIMAND-NORFOLK RIDING ELECTION CANDIDATES

Three of the four candidates who will contest the Haldimand-Norfolk Riding on Wednesday next are from left to right, The Hon. James N. Allan, Provincial Treasurer, the Progressive Conservative standard bearer; Mr. John E. Cooper, of the Township of Charlotteville, Farmer, for the Liberal Party, and Mr. Myron Stachnyk, of the Town of Waterford, Technician, for the New Democratic Party. The fourth candidate is Mr. William Triska, of the Township of Houghton, Electrician, for the Social Credit Party.

MISS MARGARET LAIDLAW SPEAKER AT KNOX CHURCH

The ladies of Knox Presbyterian Church entertained members of all the local churches on Tuesday night to hear Miss Margaret Laidlaw, who has returned to her home in Simcoe after spending the past five years teaching the natives of a section of Natal, South Africa, the meaning of the Christian Faith.

Mrs. Gordon Miller presided during the evening assisted by Miss Helen Miller and Mrs. Cora McKenzie. Mrs. Gordon Hazlett presided at the piano and during the worship service Miss Debbie Porter and Miss Barbara Miller sang a delightful duet accompanied by Mrs. Bruce Miller. During the offertory, Miss Rosalie Gowan assisted at the piano.

During Miss Laidlaw's childhood, she attended Knox Sunday School as Mr. and Mrs. Frank Laidlaw, her parents,resided in Walpole Township. She complimented the ladies on their church and its fine surroundings. It was very heartwarming to the audience to listen to Margaret's experiences in Africa and to realize that one from this district has done so much for these people, who, as she stresses, are one of us. One realizes that learning the language would be a major undertaking and during the evening she sang our own familiar hymns in their dialect. The pictures of her work with the children and adults were most interesting as well as the display of handicrafts which these pupils learned during her stay with them. Mrs. Gordon Miller extended thanks to Miss Laidlaw for her enlightening talk and a social half hour was enjoyed.

ANGLICAN CHURCH NOTES

On Sunday last the Rt. Rev. Walter Bagnall, Bishop of Niagara, visited Christ Church for Confirmation. Thirteen candidates were confirmed. The Church was filled to overflowing. After the service there was a short reception and the Bishop presented the candidates to the newly confirmed.

This Sunday the Assistant Bishop, the Rt. Rev. Reber Wilkinson, formerly of Amritsar, India, will administer Confirmation in St. Paul's, Jarvis at 11.00 A.M., the service at Nanticoke being withdrawn for the day.

HALDIMAND JR. FARMERS

On Thursday, September 12th the meeting of the Haldimand Junior Farmers and Junior Womens' Institute was divided into separate meetings.

The girls competed for the Judge Kinnear Trophy. This consisted of judging green peppers, blouses and Menus.

Shirley Wallace, Home Economist for Haldimand-Norfolk, gave the official reasons after the girls had completed their judging.

The winner for first place was Elizabeth Cocking, second Marie Hurkmans, third Carolyn Cusler, fourth Earla Gilbertson.

The boys part of the meeting consisted of a talk by Ed Welsh, field man for the Haldimand Crop Improvement Association.

Ed discussed the Association with the Juniors and asked their opinions and ideas on projects which would be of interest to the members of the Crop Improvement Association.

Refreshments followed led by Elizabeth Cocking and Mildred Nie, and lunch was then served by Margery Link and Hilda Janzen.

A tired and happy group of Haldimand Juniors returned from Carleton County during August, also the car rally was very well attended followed by a wiener roast at the home of Graeme and Doug Hedley.

...OSPITAL AUXILIARY ...EXECUTIVE BOARD MEET

...The President, Mrs. K. Bain ...Jarvis, presided when the Executive Board of the West Haldimand Hospital Auxiliary gathered at her home on Wednesday, September 11th.

...Representatives were present ...the Caledonia, Cayuga, ...nsville, Springvale and Hagersville Units.

...The Treasurer's report received a balance of $1779.47 as of Sept. 11th, 1963.

...Mr. Taylor explained the changes made in the Auxiliary ...Bylaws and the Amended Bylaws are now ready for approval of the Hospital Board.

...Hostess Notes which had been ordered with our Hospital printing on them were distributed to each unit representative for ...bmittal. Also the Hospital Auxiliary Pin was displayed and several purchased same.

The Executive decided that the present Unit Officers and Executive Board Officers hold office until April 1964.

Interesting information was received announcing the Ontario Hospital Auxiliary Association Convention to be held in Toronto Oct. 27, 28, 29 and30th

Each Unit representative gave a brief resume of their activities during the last couple of months and it was indeed interesting and gratifying to the Board to hear these encouraging reports.

The next Executive Board meeting to be held on Wednesday, October 16th, 1963.

HOSPITAL GROUNDS BEING LANDSCAPED

Considerable improvement in the area surrounding the new Hospital is being made. It was noted this week with machines levelling out the huge mounds of earth and cleaning up the general area.

The work is under the direction of Mr. Ted Montague, a member of the Hospital Board. It is planned, providing the weather remains good, to seed the area this fall.

The electrical strike has not yet halted work on the hospital project but this may be inevitable if the strike is not settled shortly.

A meeting of the Hospital Association will be held in the near future to make some amendments to the by-laws of the Hospital.

TO ALL MOTHERS OF SCOUTS AND CUBS

The first meeting of the Fall Season of the Jarvis Boy Scouts Ladies Auxiliary will be held in the Legion Hall on Thursday, Sept. 26th at 8.30 P.M.

Mrs. Murphy, President of Auxiliaries will install our new officers at this meeting, so please do your best to attend. Mothers of new Cubs and Scouts are especially invited.

Lunch and Programme Committee for this meeting is: Mrs. Jim McKenzie, Mrs. John Stone, Mrs. Ernest Craddock and Mrs. Stan Mitchell.

FIRE LEVELS STAM BARN

Fire destroyed the barn on the Bert Stam Farm on Monday morning. The Jarvis Fire Department responded to the call to find the rebuilt barn enveloped in flames. A nearby shed was saved.

Mr. Stam was in the barn when the fire broke out. He had parked a tractor about fifteen feet away from the barn and had gone inside to put some grain before a number of young cattle. He first noticed smoke near the outside wall and then discovered the flames burning fiercely. He attempted to throw the flames with pails of water but was unsuccessful.

In addition to about seventy tons of hay eleven young cattle were destroyed, along with numerous articles of equipment.

Cause of the blaze could not be determined although it was thought it might have been from a leaky gas line on the tractor.

JARVIS W.I.

A discussion by Public School Teachers past and present was the Special Feature of Jarvis Women's Institute at the September Meeting, held at the home of Mrs. Evan Higgins with Mrs. Allan Lundy as Program Convener.

With the Public School Staff as guests, the discussion re: "The Merits of Education of Yesteryear As Against Those Today", was led by Principal Harold Garrett and countered by Mr. Charles Davidson, a veteran teacher, who retired in 1928. While methods employed varied in some degree, these two gentlemen were in surprising agreement on basic points. Miss Helen Doughty, as the most recent Teacher's College Graduate on the staff, spoke on Methodology as of today.

Others taking part in the program were Mrs. E. Harris—Current Events, Mrs. Joe Harrison—Travel and Customs, Mrs. A. Lundy —Educational Motto.

Mrs. Ted Harris, President, led the business session. Mrs. Leonard Church, Secretary, announced the sum of $970.00, netted from catering for three. Banquets during the summer. A resolution was placed on the books, thanking non-members for their kind assistance in this project.

The Fall Conference was announced for Sept. 16th at Caledonia United Church with Willow grove as hostess. Branch The sum of $10.00 was voted to ward the special W. I. project to provide education and self help to Indian Metis, Eskimo and White Women in Northern Canada. This will require the sum of $20,000.00 over a period of three years.

Several projects which have been allowed to lapse during recent years were revived, namely the giving of bank books to new babies, cook books to bride es and the financing of the Cenotaph Plot. A review of rules regarding the giving of flowers and fruit to the sick and bereaved. Plans were completed for the exhibit at Caledonia Fair. "The correspondence included a "Thank You" note from the Community Hall Board for the gift of a refrigerator.

Mrs. Church will entertain the October meeting. Committee—Mrs. W. E. Craddock, Mrs. R. A. Miller, Mrs. Ben Johnson, Mrs. Elson Held.

CARDS OF THANKS

We would like to thank all our friends and neighbours for their kindness and for cards, letters and visits while we were convalescing in Simcoe Hospital and at our home.

Bert and Jack Kendry

We would like to take this opportunity to thank our neighbours and friends for the lovely cards and expressions of sympathy received at the time of the death of Mrs. G. VanEyk in Hagersville.

Mr. and Mrs. L. W. VanEyk and family.

We would like to take this opportunity to thank the Jarvis Volunteer Fire Department and all our friends and neighbours who helped us in any way at our fire on Monday.

Mr. and Mrs. Bert Stam.

SANDUSK W.I.

Mrs. Andrew Lofthouse was hostess to the September meeting of Sandusk W. I. President Mrs. Marshall opened the meeting, correspondence was read and disposed of and the roll call "A Memory Gem from School Days" was answered by all. Mrs. Nicol, program convener, opened with a poem, Mrs. Marshall, gave the motto "Manhood, Not Scholarship, is The First Aim of Education." Mrs. Nicol then introduced Mrs. Grace Garber of Fisherville, a former teacher, for the talk, "The Present Day Education is of More Benefit to The Pupil Than Education of 25 Years Ago". It was most interesting to see how it has changed. Questions were asked and Mrs. Garber answered them. Mrs. DeBoer, Standing Committee Convener on Education gave a good paper. A content was then enjoyed with Mrs. Marshall as prize winner. A vote of thanks was moved to Mrs. Garber by Mrs. Nicol and the President, Mrs. Marshall. The meeting came to a close with "The Queen" and Institute Grace. A vote of thanks was moved to the hostess and lunch committee.

HI-HO! COME TO THE FAIR

The last week-end of September brings with it Haldimand County's Caledonia Fair, a fair which provides exhibits for its exhibitors over $13,000 in cash prizes. It is here that the gaiety of a county fair, with Ontario's finest livestock and home produce, will be arranged for your enjoyment.

Thursday, September 26th, properly known as preparation day, will see thousands of exhibits from the home, school and gardens placed and judged in our spacious Exhibition Hall. This hall, when decorated and filled to capacity rates second to none in Ontario. It will, of course, be opened to the public at 6 P.M. when this tremendous exhibit can be seen at its best.

Friday, September 27th, the second day but really just the first day, is known as County Day and features beef and dairy cattle, sheep and poultry. The County Black and White Show and the Regional Hereford Show will dominate the cattle ring. On the track and in front of the grandstand the Roadsters and Hackneys will be shown and there will be four heats of harness racing and two exciting chariot races. At the same time the Jumpers, Saddle Horses and all of the General Purpose Harness Classes will be judged in the ring directly in front of the new grandstand.

The final day, Saturday, September 28th, sees thousands of city folks joining their country cousins to watch the various breeds of beef and dairy cattle and the pigs judged. The many different types of Harness Ponies will show on the track interspersed by four heats of harness racing and two more breath-taking chariot races. In the ring, and at the same time, the Heavy Harness Horses, including Tandem, Four and Six Horse Hitches as well as the Saddle Ponies and a complete Western Show will be judged.

For those who like a Midway, and almost everyone does, the Bernard Amusement Co. will satisfy young and old with the finest collection of shows and rides that can be seen at any fair in the province.

Two really wind-not night shows will be staged and without charge, in front of the grandstand. On Friday night, starting at 7.30 will be an invitation Tug-of-War Tournament followed by a complete card of professional wrestling at 8.30. On Saturday night you will see the "Wildest Show on Wheels" when Paul Ridell and his very popular Auto Dare Devils defy death for your entertainment.

Listed above are just a few of the many reasons why Caledonia and District are so proud of their fair. We invite and urge you to plan a day or more at Haldimand County Caledonia Fair and we assure you that the directors are doing everything possible to make sure your visit is both pleasant and profitable.

ON THE FARM FRONT

Brief Notes for the Busy Farmer

BY

ONTARIO DEPARTMENT OF AGRICULTURE, CAYUGA

The 12th Annual Niagara Grape and Wine Festival is being held in St. Catherines from September 21st through September 28th, and a full line of events is taking place during the week.

The grape industry is largest, 21,795 acres of grapes were grown in the Niagara area alone last year, while only 22,161 acres were grown in Ontario. This accounted for over 40,000 tons of grapes in Ontario which found their way into the local wine industry, jams, jellies, and grape juice, as well as the fresh fruit market and exports.

-oOo-

Late summer and early fall are the best seasons to start a lawn. During this period there are few weeds, and cool weather encourages good rooting.

Horticulturalists at the O.A.C. recommend using a basic mixture containing Kentucky bluegrass (or Merion bluegrass), Creeping red and Rye-grass or Red-top. By adjusting the proportion of the various grasses, mixtures may be prepared for different locations and conditions.

Kentucky bluegrass forms the basis of most mixtures because it is permanent and grows under a wide range of conditions. Since bluegrasses are relatively slow in becoming established it is customary to add other quick growing grasses such as Red-top or Rye-grass to provide a quick cover.

On areas that are very dry and are excessively drained, the proportion of Creeping red fescue, or the variety Pennlawn, is increased. This grass, along with Kentucky bluegrass, will tolerate heavy shaded conditions.

An easy way to re-seed lawns is to apply a top-killer herbicide, rake well, and then sow within a few days.

This saves the trouble and expense of roto-tilling and levelling, says R. H. Turley of the federal experimental farm at Saanichton, B. C. Herbicides which remain active in the soil for some time cannot be used for killing when re-seeding is to follow immediately

Good results were obtained at Saanichton with the chemical paraquat.

Tests were made on plots in a dense lawn of Chewings fescue and Merion blue-grass. These plots were sprayed with paraquat at two pounds active ingredient per acre, then seeded the following day.

Before seeding, some plots were heavily raked and up to half the dead turf was removed. Germination counts proved this to be an advantage. In the unraked plots only 31 seedlings developed per square foot while on the raked plots, 1,077 developed.
