SOME THOUGHTS ON CHRISTMAS

Started these articles as a way to avoid religious talk but I am going to break rule, in view of the approach of Christmas. Maybe I am not going to offend or meditate appropriate though these may be I am going to write on things I would term controversial subjects.

Many times people object to the mention of the 25th of December as the Birthday of Christ on the grounds that it was originally the date of Pagan festivals. No one knows the exact date of His Birth, but the winter solstice, which comes on the 22nd December is the shortest day. After that the days lengthen. The ancients noted this and observed the birth day of the Sun as Christmas is really based on the festival of the sun pagan festival. But what has this with that? When Christ began to turn to Christianity we could no longer observe the heathen festivals, instead of the sun god we celebrate the birth of Christ. We do not accept the Christmas Day, then, is not the celebration of our Saviour's birth, it is also a celebration of the triumph of the Christian Gospel over heathenism. This gives an added meaning to our observance of this festival.

Firstly we have had considerable discussion about the Virgin Birth, which some have called a myth. The use of this word is unfortunate, for scholars use a different meaning to that usually regard "myth" as untrue story, having no meaning for us, but the term use the word to describe the story that does have a deep, an earthly story heavenly meaning. This definition of a parable, would be better if they used that word. It does seem that several of the stories, such as those of Jonah in the Ark, or of Cain and Able, are myths (parables), but I do not agree with them in using the word "myth" to describe events in the Gospel.

There is a big difference between the Old Testament and the New. The N.T. is much nearer our own age, the latest book is older than anything in the N.T. Also, the books were written over a period of many centuries, the lifetime of one man, for most of it probably was already written when it John the Baptist died. Finally, the two books come from very different backgrounds. The O. T. is exclusively Jewish, the product the Jewish culture and tradition, the N. T. was written in an age that was largely influenced by Greek culture. Thus the N.T. is a Jewish product and is rooted in the O.T. It is not so exclusively Jewish as the O. T. was. This culture was largely influenced by some of the world's great thinkers such as Plato and Aristotle, who came very close to the Christian idea of the great Creator-God. For these reasons we cannot apply the same standards to the Gospel stories of Jesus as we do to the O.T. stories.

As to the Virgin Birth for example. We do not accept the Virgin Birth as being literally true, but we do accept it as a parable, because it is a virtually different setting to the stories of Noah etc. How could God became man in the person of Jesus of Nazareth? The earthly life was a combination of God and Man. It is perfectly logical that God would begin with His birth, but God could have caused a complete human baby to be suddenly appeared in the stable at Bethlehem, but this would have been an act of God without the joint work of God and Man. Likewise, God could have taken over" a naturally born child but this would have been a supernatural birth we have the combination of God and Man. This is not a myth in part, but is a recital of a fact, and which is really necessary for the life of Nazareth was (and is) truly God and truly Man. We do not believe that Jesus is divine because of His Virgin Birth, we accept the story of that Birth because we believe that He is the Divine Son of God.

In this, as in so many things we have to go carefully, not clinging stubbornly to out-dated ideas; not rushing wildly after every new idea, but using our God-given brains to sort out the probable from the improbable, the true from the false.

LIONS SPEAKER SPENT 3 YEARS WITH NATO FORCES

The guest speaker at the regular meeting of the Jarvis Lions Club on Monday night was Lea B. Hoover, a native of Jarvis, who recently spent three years with the NATO Forces in Europe. He described his experiences by word and pictures of the various countries he visited during his tour of duty.

Mr. Hoover returned to Canada earlier this year with his family and is presently building a new home in the Village. He is now employed with the I.B.M. organization as a customer engineer in Hamilton.

The speaker, spent fifteen years, altogether, with the R. C. A. F. and terminated his association with the Forces following his European tour. He said when he left Jarvis fifteen years ago, as a young man, he felt everything here was almost dead. He said there was no organized backing for "kids" activities and in his connection he commended the Jarvis Lions Club for their support of the Boy Scout movement and minor hockey. The speaker was introduced by Lion Fred Fish.

Lion Ken Parkinson announced that the usual distribution of Food parcels would be made by the Club this Christmas.

Lion Don Mitchell announced the annual Christmas Party for Children at the Community Hall this Saturday afternoon. It is expected there will be a visit from Santa Claus and the usual entertainment and treats will be distributed.

HALDIMAND P.C.'S HOLD ANNUAL MEETING

The future will see a change in Government attitude toward Agriculture according to the predictions of Robt. Welch, M. P.P. for Lincoln County. Mr. Welch made this prediction in his address before the annual meeting of the Haldimand Progressive Conservative Association in Fisherville last Friday night.

He said the Federal Government's policy would have to change from curtailing Food production to one of increased production to meet the demands of an expanding world population. Food shortages already exist in underdeveloped countries of the World, he said.

The Hon. James N. Allan, M.L.A. for Haldimand-Norfolk and Dr. T. David Marshall, President of the Haldimand YPC Association also spoke briefly to the meeting.

The nominating report presented by Harold Cruikshank of Caledonia was accepted as follows: President—A. Laird Miller, Jarvis; Secretary—Lyle Furry, Hagersville; Treasurer—Bruce King, Dunnville; Vice Presidents —C. A. Martindale, Caledonia; T. J. Anthony, Cayuga; Russell A. Root, Dunnville; Stanley Mitchell Jarvis and Harold Cruikshank, Caledonia.

The YPC delegates are: Dr. T. David Marshall and Ed Powell, President and Vice President, respectively of the YPC Association.

Arrell Martindale, president for the meeting and W. J. Snow then entertained briefly with a few humorous anecdotes.

Russell Root presented the re-elected President, Laird Miller, with a birthday cake as his birthday fell on the day of the meeting.

HARD WORK PAYING OFF FOR O.O.F. BANTAMS

Jarvis IOOF Bantams notched their third win of the season over the winless Springvale crew 4-1 on Wed. night December 9th.

Last week's 3-1 win over the league leading Hagersville team was protested on the grounds that Jarvis dressed an extra player over the regulation sixteen.

Wednesday night John Church scored the opening goal from his defence position, the first time he played there, for a 1-0 lead. That was the beginning of a score that was never threatened. Lloyd Anderson and Paul Beischlag added the single tallies before Springvale scored their lone marker, that by Mike Salvatore. Beischlag's goal, an individual effort was the highlight of the night when he stole the puck from the opposition, to score on a breakaway, deking the goaltender, and sliding the puck in behind him.

Rick Miller completed the scoring on a passing play assisted by his linemates Rick Mitchell and Jimmy Jacques. Gary Dosser and Beischlag added assists.

Jimmy Walker played another fine game in goal making many key saves in preserving the win. Although not in the scoring column, Jim Phibbs, Brian Chambers and Dave Colwill all turned in a great effort.

LIONS TURKEY JAMBOREE HAS USUAL GOOD CROWD

A turkey draw seems to have a continuing appeal to many people. Such was the case last Saturday night when the Jarvis Lions Club held their annual Jamboree and disposed of 100 fine birds supplied by the McEwen Turkey Farm.

The exciting phase of the affair came with the draw for a prize of $2500. The winning ticket was held by Jno. and James McCarthy, Jarvis R.R. 1.

Freeman Field held the winning ticket for the door prize, a 30-lb. bird all ready for the oven.

In addition to the Turkey draw other games were represented for the enjoyment of the patrons and the refreshment committee found business good throughout the evening.

The winning ticket on the major draw was sold by Lion Bill Addison.

JARVIS W.I. CHRISTMAS MEETING

Mrs. Blake handled the motto "The Sweetest Truest Christmas is Christmas in the Heart" in a very able manner. This was followed by a Christmas Prayer in place of the topic, in which all took part and included carols, reminiscences, poems, stories and a duet by Mesdames Ken Bousfield and Wm Henderson, who acted as pianist throughout the afternoon. Mrs. Evan Higgins sang a Christmas hymn and led in carol singing. Mrs. Higgins also gave the report of the Hamilton Area Convention held in Simcoe to which she was appointed delegate—stressing the motto "Everything comes to him who hustles while he waits". She noted that the Institute is found in all parts of the world except South America. The hostess and lunch committee served dainty refreshments and an exchange of Christmas gifts followed.

This was unanimously declared the finest program of the year. Mrs. Harris extended the courtesy to the hostess Mrs. Stan and all who took part.
