DOUGHTY & WILLIAMSON OPEN NEW BUILDING

Doughty & Williamson experienced a warm response, on Friday, to their invitation to the public to visit their new building and Showrooms, erected in a few short months after a fire that completely destroyed their former premises. More than 1,000 people registered during the afternoon and evening to enjoy free panfries and to enjoy the entertainment provided by the hosts. Movies were continuous during the afternoon and evening. The occasion concluded with a dance in the evening in the spacious workshop.

Ten door prizes were given away. Randy Miller made the draws and the winners were as follows: Gary Phibbs, R.R. 5, Hagersville, Grain Auger; Wray Walter, Jarvis, Simcoe, Rock Water Heater; Sherman Doyle, R. R. 5 Hagersville, hand cleaner; Wray Walter, Jarvis, hand cleaner; Evelyn Schweyer R. R. 3 Jarvis, Chrome lawn chair; Ross Bowyer, R. R. 4, Simcoe, tractor battery; Craig Smith, R. R. 5 Hagersville, mill parts; Ross Cameron, R R 5, Brantford, car top carrier; Don Sloat, Jarvis, set of glasses; Otto Krauss, R R. 2 Nanticoke, set of glasses.

International Harvester representatives from the Division office at London and the head office at Hamilton included Jack Forsyth, Chief Product Engineer for Canada; Walter Miller, Manager of dealer development and Norman Forsyth Advertising manager.

Many beautiful floral pieces adorned the main showroom as testimony of the goodwill of friends and business associates.

The new building is modern in every detail and provides spacious working areas as well as office space and display wings.

The many friends of Jim Doughty and Drew Williamson, in the Jarvis community will share our appreciation of the faith expressed by these enterprising young men in re-establishing their operation here following the disaster that struck them late last year. Best wishes go to them in their future operations.

LETTER TO THE EDITOR

R R. 1 Iron Bridge, Ont., March 17, 1965

Dear Mr. Miller:

It is with a great deal of regret that I receive news of the Jarvis Lions Club Minstrel Show. From all reports, it was its usual thumping success. Regret lies in the fact that, for the fourth year in a row, I was unable to attend. This annual highlight brings to your municipality something of which its citizens may be justifyably proud. My heartiest congratulations go out to them for another job well done.

While you were engaged in providing the best in entertainment for your populace, I was mulling over the prospect of providing the best in enjoyable education for my charges at "Kynoch Public School." It is located in the small community, 15 miles northwest of Iron Bridge and 23 miles due north of Blind River. Life here is decidedly rural and can boast inconveniences with the best of them.

My school is of the 'Little Red' variety, housing a pot-bellied wood-burning stove, indoor plumbing (thank providence) and 27 eager pupils, comprising seven grades. They are the stoutest of physiques and the familiar words, "Are ya comin' out to throw snowballs with us, Mr. Bourne?" chill my blood considerably. We work together and play together on a solid 8 A.M. to 4.30 P. M. basis, after which I drag myself home to prepare for another day.

We had at the first of the year a rescued mouse, little greyish-brown mouse which lived somewhere under the piano in the school. I forbade my charges harrassing him but, alas, alack, he took his leave in early December - whether by choice or necessity, I cannot say (perhaps the fire went out during the night and he took up a search for more suitable accommodation). It has been a bitter winter and the fact that Spring is just around the corner seemed a distinct possibility. Temperatures have been high during the past two weeks, but the assumption that "all good things must end" seems to have proven itself.

A 20-miles-per-hour wind is whistling a wicked tune about the eaves and the temperature is dropping furiously. Forecasts call for 10" of snow this evening, with an expected low of -15 degrees.

The people at whose house I reside are typical of rural folk in the Jarvis area—solid citizens, hard-working, clean-living...and they follow almost to a "T" the adage, "Early to bed and early to rise." Typical, as well, are the delicious meals (I daresay my landlady's home-made bread would win first prize in any contest).

The road on which my house is situated, although a highway, is unsaved but for a short stretch on either side of it. Department of Highways headquarters near Iron Bridge. When the thaw comes - as it did last week - the road is converted to a very-muddy-indeed thoroughfare. An added hazard may be found in the numerous potholes and culverts, which mar its course at irregular intervals. A broadminded person could, with some imagination, overlook these trifles for the scenic beauty of the

EXCELLENT ART EXHIBITS AT LYNDWOOD SCHOOL

David Cowan, son of Mr. and Mrs. Arthur Cowan, Hagersville R.R. 5, shown here with one of the outstanding oil paintings done under his instruction.

Parents and friends who attended Open House at Lyndwood Public School, Township of Toronto, near Cooksville, were amazed at the imagination and ingenuity shown by the students in the excellent exhibit of their work.

The calibre of the paintings was exceptionally high when one remembers that these pupils are only in grades 5 to 8. One young student was honoured by the Toronto Board of Education when his painting was chosen to grace the board room in their Administration Building at Cooksville.

From the dolls, made of pop bottles, light bulbs and crepe paper skirts, some actually more than life size, to models coal mines, power plants, dams an d cotton plantations, and excellent sculpture, each exhibit showed the imagination and minute detail each student had put into his work, sometimes, as in the toothpick abstract, consuming several houurs of tedious work.

David Cowan, art teacher at Lyndwood, commended his students for their imagination and willingness to make the exhibit such a success. David is the son of Mr. and Mrs. Arthur Cowan, R R. 4 Hagersville.

MRS. ALBERT KOK ENTERTAINS VARENCY W.I.

Mrs. Albert Kok was hostess for the Varency W. I. on Thursday, March 11th. Mrs. Bruce Riley was in charge of the meeting assisted by Mrs. Harry Doughty. It was announced that the Summary Day for the "Student Course", which was held at the home of Mrs. Bruce Riley under the leadership of Mrs Riley and Mrs. W. DeVries, will be held at Kohler on Monday, March 22nd.

The members will join with the Lake Shore Women's Institute for a Short Course on Home Furnishings, which is being held at the Marburg Hall on Wednesday, March 31st from 10 A.M. to 4 P.M.

The program consisted of a reading by Mrs. Harry DeVries "The Irish Legend of Leap Year". Mrs. C Hayes gave a fine talk on "Study of Ireland". An Irish Contest was held with Mrs. Harry Matthews being the winner. Cheryl Riley was the winner of the mystery prize.

Lunch was served at the close of the meeting. The next meeting will be held at the home of Mrs. D Beldman on Thursday, April 8th.

GARNET W.I. CELEBRATE FIFTEENTH ANNIVERSARY

The March meeting of Garnet Women's Institute was held in the Sunday School room at the Garnet United Church.

Many chartered members and past presidents were in attendance to help celebrate Garnet's 15th Anniversary.

The president, Mrs. J. Beiselag, welcomed everyone and opened the meeting with the Ode, Collect and Lord's Prayer.

Mrs. Beiselag then read a poem "Do You Just Belong?"

Mrs. C. Graham read the roll call, to be answered with an Irish joke There was a good response and this certainly started the meeting in a humorous way.

Minutes and correspondence were dealt with.

A motion was passed authorizing our secretary to purchase the new flag.

Three ladies, Mrs. L. Bilton, Mrs. R Phibbs and Mrs. W. North offered to serve on a nominating committee.

Mrs. M. Phillips invited the Institute to hold their April meeting at her home.

The directors, Mrs. L. Bilton, Mrs. C. Harrop and Mrs. B. Dougherty then took over as program convenors.

Mrs. R. Phibbs played some Irish selections on the piano and put everyone into an Irish mood This theme was carried throughout the program.

Mrs. B. Dougherty gave a reading on the legend of St. Patrick, Mrs C. Harrop read about Ireland's Gifts to the World and Mrs L. Bilton spoke about the Blarney Stone and Journey.

This is Kynoch, a sedate, little community hacked out of the northern forests in the late 1800's. Living here is enjoyable; it can be quite interesting at times; a teacher couldn't get better experience or a more unique setting anywhere.

Sincerely,
Barry S Bourne

CHEVIES OPEN SEMI-FINALS WITH LAMBETH

Last night (Wednesday) the Jarvis Chevies were scheduled to open the O.H.A. Senior Semi-finals with Lambeth in the Lucan Arena at 8 P.M. Lucan is situated twenty miles north of London on No. 4 High way. Lambeth was awarded a bye in the first round of the play-offs when Ayr took too long to get their league play-offs over with. Jarvis reached the semi-finals when Dover Centre conceded the third game of their series after convincing 10-5 and 9-3 losses to the over-powering Chevies. The second game of the Jarvis-Lambeth series will be back in the Port Dover Arena on Friday night at 8.30 P.M.

The duration of this series has not been determined yet, depending on the Port Dover-Ayr series. This is a four-out-of-seven series with Port Dover winning the first game 7-2 in Port Dover on Monday night.

Full details will be given on Friday night at the game so be sure you are there to support the local Chevies who are trying to bring the Senior Hockey Championship to Jarvis for another year.

JARVIS I.O.O.F.'s CONTINUE WINNING STREAK

In the regular Bantam League schedule Oneida finished in first place, one point in front of Hagersville. Jarvis wound up in third place and Springvale, winless in seventeen league games, finished last. In the first round of the league play-offs Oneida met and defeated Jarvis IOOF, knocking them out of their bid for the League Championship. Springvale pulled an about-face and slipped past Hagersville by one goal in their series, to meet Oneida in the Championship Round.

Oneida shut out Springvale in their first game three to nothing and lead their round by three goals.

Jarvis displayed their form of old in downing Hagersville by the same three goal shut-out and lead their series by three goals. Jarvis IOOF dominated play throughout the contest and literally bombed the opposition goal, but for the fine play of Kirk the goaler Hagersville was drawn much lighter for the Jarvis crew. Jim Walker in goal for the IOOF, although not too busy, turned in a fine job, in registering his third shut-out of the season.

Paul Beischlag opened the scoring in the opening minutes for Jarvis on a smooth passing play with LLoyd Anderson to give Jarvis the one goal lead.

With ten minutes remaining, the one goal looked to be the winner, when Don Cameron, who worked hard all night, broke away alone and deked the Hagersville goaler on a neat play on his behalf for a two goal Jarvis lead.

Rick Mitchell then scored, or rather thought he had, only to have the goal disallowed due to some fast work of the Hagersville goalie. This incident fired the boys up and Rick Mitchell came back with a powerfishing off a smooth play set up again by Lloyd Anderson. Anderson was credited with two assists for his night's work.

The line of Bob Chambers Randy Learned and Dave Collwill although not used consistently, turned in a fine job when called upon. The defence checked and cleared well for their best showing of late A team effort all the way.
