—Later in the day a large basket of eggs was making it's way across the meadow. THE BRITISH COMMONWEALTH OF NATIONS — -

The Sunday before the 24th of May has been designated by someone as "Commonwealth Sunday". Who did that I do not know; but I do know that it used to be called "Empire Youth Sunday" when a message from the Queen was read in Church. The use of Commonwealth instead of Empire is simply an expression of a historic fact, for the British Commonwealth was once the British Empire. But the change is now the less significant. The British Empire may be said to have begun in 1584 when British obtained her first colony, Newfoundland. This was when "Good Queen Bess" (Elizabeth the First) was on the Throne. From then on the Empire grew, but I very much doubt whether the men who were building first was made, and the protection of trade routes. Colonisation came later. Of course, the British were not the only ones doing this. The Spaniards were active in South and Central America, which is why that country is Spanish speaking to-day (except Brazil which was a Portuguese colony). The British and the French wanted the same places, North America, Africa, India, and the wars between the two shaped the course of history. Quebec was a French colony, which is why they speak French today, the British settled further south in New England, which is why English is the language of the whole United States. The British also built an Empire, mainly in the East Indies. So the British Empire grew, partly through conquest, though conquest was often followed by other white colonising powers. And that Empire has now become a Commonwealth of Nations.

What happened to the other Empire Builders? They lost everything. The Spanish Empire went first, then South America revolted. The British Empire in New England, and thereby whole continent, but that was because there was no room for John Bull and Uncle Sam in the same house. Then came the Great Chaos of 1914, which occurred after World War II, when the colonial and subject people demanded and got independence. Holland and France tried to hold on by force of arms and the Dutch lost Dutch East Asia and the Dutch lost Indonesia. Britain did the opposite, and granted independence to those who asked for it. India was the first. The British Labour Government gave India a choice, she chose independence, and she chose to remain within the British Commonwealth. India is a republic, but honours the Queen as head of the Commonwealth. Country after country, largely in Africa, followed India's example, became republics but stayed inside the Commonwealth. So far as I can recall, only one country elected to leave the Commonwealth and that was Burma. What a lesson there is here: for historians and statesmen and for parents too By giving you get.

So came into being that strange anomaly, the British Commonwealth of Nations which is a collection of independent republics who all honour the Queen as their Head; the Queen as their Head; the huge republic of India and the tiny republic of Malta; which includes people of all races, black, brown, yellow and white, and whose sole outward link is the British Crown.

What of its future? Can this vast unwieldy creation continue to exist or will it fall apart. The late Conservative Government in England seemed to think it would, but Harold Wilson's Labour Government has faith that it will not, they see it as a mighty force for peace, for democracy and for mutual well being. Soon the Prime Ministers of the Commonwealth will be meeting in London and then, probably, there will be a re-organization with a permanent secretariat, not as a part of the British Government, but freely chosen from all the member nations. Thus equipped with a permanent and representative centre, the Commonwealth will go on from strength to strength.

JARVIS COMMUNITY CHEST CONTRIBUTIONS

OBJECTIVE — $2,500.00

EVERY DAY our dollar is not going quite as far as it did the day before. That is one side of the economical coin. On the other side is the undeniable fact that we are getting more in services than ever before. Young folks and others are going ahead in property and privilege and opportunity in faith and hope and with vision such as many of us never knew. It takes faith and courage to make life the glad adventure it was planned to be.

It does seem to take a lot more of the coinage of the realm than when we were younger but a competitive society and a welfare mentality has changed values and placed good, clean reliable services at the top of the list of priorities.

We have placed that value on the "help" side of our community endeavors. If you have given till it hurts already, that is good. If you have not given till it hurts, you have not grown any bigger. Growing pains mean you have had some good wholesome human nature, because charity, like every other goodness in human nature, must be exercised or it becomes vestigial, to all intents and purposes dead. Our receipts should be UP from other years NOT DOWN. You know as well as the economists that it takes more this year to do the same job as usual than it did last year. We should be exceeding our target of $2,500.00 instead of habitually dropping below it. Let's all get going with our cheque books for an added push.

PERSONALS

It is hoped that the Community Chest Campaign may be completed before the next issue of the Jarvis Record. Any citizens who have been missed by the collectors may give their donations to the Campaign Manager, Mrs. R. A. Miller. The campaign has now run for a full month. Welfare reports must be turned in so it is necessary that the drive be finished as soon as possible.

The following collectors have reported since last published:
Mr. Wm Henderson. Mrs. Craig Werner, Mrs. Earl Marr. Mrs. Ted Harris. Mrs Ted Parkinson. Mrs. Wilfred Devries and Mrs. Dick Beldman. Mrs. Leo Mullins and Mrs. Ken Mulkins. Mr. George Walker.

REBEKAH LODGE HONOR VETERANS

Silver Star Rebekah Lodge celebrated Veteran's Night at the last regular meeting with officers of 1950 taking the chairs for the opening and closing ceremonies. Sister Pearl Marr acting as Noble Grand and Sister Florence Walker as Vice Grand.

Sister Margaret Parkinson gave a very appropriate reading on "Friendship" accompanied by Sister Lizzie Howard at the piano. Each Past Noble Grand was presented with a decorated potted geranium. Noble Grand Sister Eileen Munroe and Vice Grand Sister Muriel Dale and readers. Sister Barbara Thomson. Sister Dorothy Walker and Sister G'ady Slater along with several members, presented a very fitting tabloid in honor of the Past Noble Grands.

During the business we were asked to keep in mind the bake sale we are holding on June 12 at John Deller's store. Past Noble Grands presented a hilarious skit "Mock Wedding in Rhyme." All retired to the ban quet room where a dainty lunch was served with Veterans Officers each receiving special favors from Sister Pearl Marr. Sister Nellie Stallwood expressed appreciation to Sister Marr and the May committee for the lovely evening. Guests were present from Hagersville, Port Robinson and Niagara Falls.

FIRST MOTHER AND DAUGHTER BANQUET

Brownies of the First Jarvis Pack held their first mother and daughter banquet on the last Wednesday of May (May 26, 1965) in the Church School Hall of Knox Presbyterian Church, Jarvis.

The program for the evening was neatly mimeographed upon a church-type bulletin picturing a beautiful mountain-lake scene that could be Lake Placid for the front of the bulletin and a copy of John Oxenham's "The Cross at the Crossways" for the back of the folder. Most any one of the guests and committee will have a copy of this bulletin. It should serve as a fine historical memento in the years to come. It stands for the first of what we trust will be many happy annual events for our Brownie Youth Program.

Guests at the head table included Mr. and Mrs. James Davidson representing the Jarvis Lions Club (sponsoring Service Club for Scouts and Guides Cubs and Brownies in our community); Rev. Gerald Wubbles, Parish Priest for Caledonia, Hagersville and Jarvis (St. Anns). Their second year began in September 1964 and concludes at the election of the new executive for 1965-6. The current supporting executive for 1964-5 are as follows: President, Mrs. I. Mitchell; Secretary, Mrs. Ray Mitchell; Treasurer, Mrs. Jo-anne Mitchell; Badge Secretary Mrs. Audrey Mitchell.

The Brownie Roll Call for 1964-5 includes 36 Brownies as follows: Susan Cruddock, Doug lasse and Michele Dosser Earla Druyff, Cheryl Dunnell, Dianne Fallis, Nancy Feeney, Eileen Heastont, Vicky Jones, Chric Miller, Barbara, Carol, Gwen and Linda Mitchell, Marcella Mary and Vicky Montague, Kathy McKeen Carolyn Reu, Dian ne and Patti Smelser, Heather Stone, Lu Anne and Patsy Walker, and Janice Wright.

When your Heart Fund volunteer calls on you greet her with a warm welcome and a generous contribution.

WEDDING

McHUGH — NOPPER

The Chalmers Presbyterian Church was the scene of a pretty wedding on Saturday May 22, when the Rev. Granville Taylor-Munro united in marriage, in a double-ring ceremony, Mary Jane Nopper, only daughter of Mr. and Mrs. Norris Nopper and James Carr McHugh, son of Mr. and Mrs. Frank McHugh of Galt.

The bride, given in marriage by her father, wore a waltz length gown of delicate overlay nylon sheer lace over taffeta, the bodice styled with a scoop neckline and a soft bow at the back waist and long lily-point sleeves buttoned at the wrist. Her floral head piece held in place a shoulder tip veil. She carried yellow roses, white mums and ivy.

Mrs. Douglas Nopper, sister-in-law of the bride, was matron of honour. Also attending the bride were Mrs. James Barrett, sister of the groom and Miss Janice Nopper, cousin of the bride. The attendants were gowned in peau-de-soie, yellow and green with French lace jackets. They wore floral headdresses and carried white mums.

Guest soloist was Mr. Lloyd Rutherford who sang "The Lord's Prayer" and "O Perfect Love", accompanied at the organ by Mrs. Bruce Miller.

Mr. Gordon McHugh was best man and Mr. Douglas Nopper and Mr. Brian McHugh acted as ushers.

The reception was held immediately following the ceremony in the Church Hall. Receiving the guests was the bride's mother, wearing a pink floral chiffon over taffeta dress with a matching three quarter length coat and a white corsage and white accessories. The groom's mother also received in a figured navy and white dress, pink corsage and navy accessories.

Following the reception the couple left on a wedding trip to Eastern Ontario and Ottawa, the bride wearing a pink suit with white accessories. On their return they will reside at 20 Market St. S. in Dundas.

Prior to the wedding the bride was tendered a shower by Miss Joyce Vivian, from the staff at McMaster University; Miss Janice Nopper and Mrs. James Barrett of Galt.

SOFTBALL PLAYERS

Registration for the Thursday night Jarvis Town League will take place at the Jarvis Ball Park on Thursday night, June 3rd from 7.30 P. M.

Anyone interested in helping to coach a team are urgently requested to be on hand. Your assistance is needed.

TWO LOCAL BOYS HONORED

Over 200 people attended the celebration held in the Canadian Legion Hall, Simcoe for the Simcoe Blades, 1964-65 Ontario Hockey Association Junior C Champions on Wednesday evening May 26th

Bruce M. Pearce was Chairman for the event and remarks were made by His Worship Mayor Alf Judd, Hon. Earle Allan, Jack M. Roxburgh M.P. and Ted Westcott, Chairman of the Simcoe Arena Commission.

Garv Mitchell and Blaine Hazlett as well as other members of the team received personal engraved wrist watches, an O.H.A. championship shield, a lapel pin and team picture. Blaine Hazlett received the leading Blade Scorer Trophy. Fred Kenny, Coach, was presented with attractive lawn furniture on behalf of the team by Manager Laurence Adcock.

Rudy Pilous, former Chicago Black Hawks Coach, was guest speaker and congratulated the team on winning the championship, stressing the fact that hockey players face a bright future and that the top players now come out of Ontario.

The sponsor of the team, John E. Cooper of Norfolk Farms Ltd was unable to attend as he was ill in London Hospital.

CHEVIES HOLD BANQUET CAP SUCCESSFUL SEASON

On Saturday night, May 29th, the Jarvis Chevies Hockey Club officially ended their 1964-65 season with a beautiful banquet in the Cove Room of the Erie Beach Hotel in Port Dover.

The players and their wives, the sponsors, representatives of the press, a few special fans and Mr. Larry Pennell M.P., the guest speaker for the evening, were all treated to a very delicious turkey dinner sponsored by the treasury of this year's club.

Following the dinner Jack Martin, General Manager of the Club, acted as Master of Ceremonies for a few brief but informative speeches. Coach Gordon Miller introduced all the players of his team, acknowledging first the men who have been with the team since its inauguration ten seasons ago.

Mr. Miller also introduced the guest speaker who delivered a splendid oratorical on physical fitness in our country and said how important it is to have sporting activities in a community.

Due to a fishing trip this past week end the editor was unable to attend the banquet and this we were very honoured to represent The Record at this very delightful event.

At the conclusion of the banquet Mr. and Mrs. Pete Vokes very generously opened their home to everyone in attendance for an informal gathering to discuss the festivities of the night and the prospects of a hockey team in Jarvis next winter.

LAIRD CAMPBELL THROWS 3-HITTER BUT LOSES OPENING GAME OF SCHEDULE

Laird Campbell made his debut in the Haldimand-Norfolk Floodlight League on Monday night and turned in a magnificent 3-hitter only to be defeated by the Villa Nova Co-ops 2-1 in 11 innings.

This fine young hurler performed for the Oneida Juniors last year and this year came up to the Herefords to help John Edwards with the mound chores. If this game is any indication John might have trouble getting into the line-up this year.

In the extra inning encounter Laird struck out no less than 20 Villa Nova batters while passing four. His mound opponent, big Paul Manoian, turned in a brilliant performance and gained the victory. Paul fanned 16 batters while giving up only four hits and he had perfect control by not walking a batter.

The Herefords will have a chance for revenge on Saturday night as they will play host to the Co-ops in their home-opener of the schedule. Make sure you are at the ball park at 8.30 on Saturday night for the opening of the Hereford's home season for 1965 We understand the season's tickets are going well but they are not sold out yet by any means so if you haven't been approached as yet don't be afraid to ask. These tickets give you free admittance to all exhibition, league and play-off games that the Herefords play at home. You can obtain them from any of the players or officials of the team.
