THIS WEEK

Metropolitan Toronto's 13 municipalities, now varying in size from less than 10,000 to more than 600,000 people, are to be regrouped in six units, the provincial government announced last week.

The city of Toronto, Etobicoke, York and East York are to be created or enlarged and North York and Scarborough will keep their present boundaries. The suburban municipalities will be called boroughs.

The proposal is in detail a compromise between the present system and the recommendations of Carl Goldenberg's one-man royal commission into city government in Toronto. Typically, his report recommends one giant school board with equalized assessments and larger facilities.

The new system will preserve separate school boards in each municipality, but assessments will be equalized and Metropolitan Toronto will also have a supervisory board.

Carl Goldenberg said he was not dissatisfied with the plan. They take into account the political facts of life his abstract assessment was able to ignore, he said.

Representation of the municipalities in the metropolitan council will be by population, with one member for every 60,000 residents, and elected councillors and school trustees will serve terms of three years instead of two

This follows a direct recommendation of the royal commission. Municipal Affairs Minister Yaremko hinted said the government is thinking of allowing all municipalities to extend elected terms to three years.

GRIN AND BEAR IT

Officials of the seven municipalities to disappear took their redundancy stoically, and most felt the government's plan was better than the Goldenberg proposals for broader amalgamation.

City of Toronto officials and Opposition politicians at Queen's Park were not so resigned. "Everything that is being done is at the expense of the city," said Mayor Philip Givens, thinking perhaps of the future composition of the metropolitan council: 12 city representatives to 20 from the suburbs.

Liberal leader Andrew Thompson attacked the plan for ignoring the question of land use allowing Toronto to "grow like a cancer, eating up precious land." New Democratic Leader Donald MacDonald said the proposals neglected the need of the whole 2,000,000-person community to be treated as one.

SENTENCED SIX YEARS

Milanino Russo, 57, was sentenced to six years in penitentiary last week after pleading guilty to the manslaughter of his wife, Vincenzo Guarino, 32, in Hamilton Sept. 25.

The grand jury, in an unusual decision, altered the charge from non-capital murder to manslaughter after hearing Russo's story.

Russo described how Guarino, who married 18 year old Maria Russo in 1962, terrorized his wife and insulted himself and Mrs. Russo

Only days before the Russos planned to sail for Italy, Russo bought the shotgun with which he killed Guarino after hearing of yet another attack on Maria.

The Annual Vestry Meeting of St. Paul's Church was held in the Church Hall on Monday, January 24th at 8 P.M following a Congregational Supper the Rector, the Rev. Canon E. A. Brooks, M. A in the chair. Reports were received for the year 1965 and showed a satisfactory financial achievement

The Rector in his address and report referred to the death of Mrs K. N. Brueton, and expressed his appreciation of the continued presence in the Parish of Mr. Brueton and assistance rendered by him It was reported that capital improvements to the Church and Rectory from 1960 to 1965 had amounted to the sum of $10,000.00.

A new Gestetner printing machine was purchased last November at a cost of $300 00.

A proposed budget for 1966 of $5,426.00 was accepted.

Mr. Stephen Payne and Mr. Ralph Fess were elected Churchwardens for the coming year. Mr Robert Lynch treasurer; Mr. Jack Cooke and Mr. Murray Hodgson were elected Delegates to Synod; Mr LeRoy Field and Mr Robert Lynch substitute Delegates; Mr Murray Hodgson was elected Vestry Clerk and Chairman of Sidesmen. The Rector, Church Wardens, Lay Delegates and Treasurer (ex officer), Mr. Neil Hoover, Mr. Geo. Keefer, Mr. Jack Fess, Mrs. Robt. Lynch, Mrs. Ralph Fess, Mrs. David Banks, plus two others to be appointed by the Rector.

The Advisory Council will also be the Churchyard Committee ad is to act for the present as a Building Committee when the question of what is to be done regarding parish Hall facilities

The Rector proposed bringing the charges made for burials rights into line with those made by the Presbyterian and United Churches, and that some new trees be planted each year in the Churchyard

Thanks was expressed to all who had taken a share in the Church's work during the year, to the Churchwardens, Mr. Payne and Mr. Fess, together with the Church Treasurer, Mr. Lynch for looking after the finances of the congregation, to the Organist, Mrs. Wm. Phibbs, and the Choir-leader, Miss Rosemary Dell, for their excellent work with the Choir, who were also thanked for their faithful services; to Mr. Jack Cooke for his work with the Sunday School and as Lay Delegate to Synod with Mr. Murray Hodgson who is also Vestry Clerk and Chairman of Sidesmen; to the Altar Guild and all those who have taken care of the Chancel during the year: to Mrs. Banks for arranging the flowers in the Church; to Ted and Pat Payne for their work on the Church Bell for reporting news of the Parish to The Niagara Anglican and to those who worked at the Church Bazaar and Supper in the Churchyard.

On the matter of Church Union reference was made both to the Vatican Council and to the Document—"Principles of Union between The Anglican Church of Canada and the United Church of Canada" which was accepted by the Anglican General Synod meeting in Vancouver last September

The Cardinal Archbishop Leger of Montreal was quoted, by the Rector, as saying on the matter of Churches of different obediences praying together: "We do so because we want to show that we are still brothers—brothers who wish that we be no longer strangers estranged." A United Churchman was quoted as saying that the spirit of the Vatican Council has touched the hearts and minds of Christians everywhere; dialogue is important in getting to know one another. A Roman Catholic Priest was quoted as having said, "We have to learn once again that our Christians are Christians; we all suffer from ignorance, prejudice and bigotry, which can only be removed through personal experience of each other and friendship. When we argue we harden our position. That is what happened on both sides at the Reformation In the ecumenical movement we discover our failures and shortcomings as we move towards unity in holiness and unity in Christ."

The Rector quoted from the new publication, "Our response to God Far and Near" (a booklet of daily devotions): "Let us come to the Church of God

To meet the Spirit of God;
Not to give religion an hour,
but to live in the eternal;
Not to maintain a decorous habit,
but to bow in the holy place
before the holy God;
Not to listen to the words of a preacher,
but to draw life from the Word and Truth everlasting;
Not to be moved or soothed by music,
but to sing from the heart the divine praises;
Not that our eyes may roam over architecture or congregation,
but that our souls may look up to the King in His beauty;
Not that our thoughts remain out in the world,
but that they may be still and know that Thyself art God."

THIS WEEK

Intercity trucking ground to a halt at the weekend as the employers made good on their threat against wildcat strikes by the unionised drivers.

The industry, with 50 companies organized for purposes of bargaining, has been up in arms against the International Brotherhood of Teamsters (Ind.) for some months. The employers said in December, when the crisis cooled a little, that a strike on one member would be treated as a strike on all.

Consequently, when pickets turned up at four Toronto yards, the word was passed ad 8,000 drivers found themselves either on strike or locked out, depending how they looked at it.

Only intercity and interprovincial transport of imperishable goods is affected. Such freight as milk, bread, Beer, livestock and building materials is covered by biber contracts, as are local deliveries of imperishables

The railways are expecting a boom business in small freight deliveries, perhaps more than they can handle, as happened in 1962 during a six week trucking strike.

The trucking employers and the union are divided by 17 issues, most of them in connection with wildcat strikes at Hamilton last year. About 40 $2,000,000, and union negotiations have filed damage suits against union locals or individuals for sums grossing tors made dropping these suits one of their bargaining aims, without success.

Tentative agreement was reached before Christmas, on monetary matters: over a 42-month contract, a 56 cent-an-hour pay increase and a reduction of the working week from 48 to 43 hours. At present, intercity drivers, paid by mileage, earn about $3.20 an hour ad city-only drivers get about $2

ORDER NEW INQUIRY

Judge Leo Landreville of Sudbury said he was not surprised when Justice Minister Lucien Cardin ordered an inquiry into his conduct, since he had twice asked for such an inquiry

The judge was acquitted in 1962 of charges of municipal corruption in connection with his receipt of 7,500 shares of Northern Ontario Gas Co stock shortly after the city of Sudbury, of which he had been mayor, granted NONG a franchise. Three other former civic officials of other communities were also acquitted.

A later report, so far not published, of the Law Society of Upper Canada, recommended that Mr. Landreville be removed from the Ontario Supreme Court bench, to which he was appointed after his term as mayor.

The political issue at stake, which has been taken up by Conservative members of the federal opposition, is whether Judge Landreville's acquittal is completely exonerating—whether he should be free to carry on as a judge as if nothing had happened.

The new inquiry is to be carried out by Judge Ivan Rand, 83, a retired member of the Supreme Court of Canada and one of the country's most respected jurists

A DOCTOR IN THE COMMUNITY

The shortage of Medical Doctors has been felt in this community for the past few months. A sense of relief will come from the announcement, found elsewhere in this issue, stating that Dr. T. D. Marshall, of Cayuga, will open an office here on Monday, Jan. 31st The Physician in attendance will be Dr V. Ryan who has recently become associated with Dr. Marshall in Cayuga.

The Doctor's office will be located in the Ralph Rauwerda residence on Main Street, the former location of the late Dr. I. J Leatherdale. His office hours will be on Mondays from 2-4 P.M. and on Fridays from 10 A.M. till 12 noon. The telephone number of Dr Marshall's office in Cayuga is 1-416-772-3370. PENNELL DENIES SUGGESTION OF GRAFT

Solicitor General Larry Pennell denied in the House of Commons various suggestions that a recent RCMP report accused unnamed politicians and policemen of taking "payoffs" from underworld kingpins. He said the report dealt generally with organized crime and the ways in which it exists. Mr. Pennell said the report did not contain accusations of graft or corruption against anyone.

HALDIMAND CHILDRENS AID BOARD MEETING

The first Board meeting of Haldimand Children's Aid Society for the year 1966 was attended by four members of the County Council who, under the new regulations will be members of C.A.S. These will be yearly appointments by the Council. In former years one member of the County Council was appointed to the Children's Aid. John McComba, Reeve of Moulton Township, was re-appointed along with Blake Gloyd, Rainham, formerly a private member of the Board along with William Siddall of Sherbrooke and Keith Richardson of Dunn Township.

The resignation of Mrs. Grace Baldwin, Principal of the Retarded School as a Board member was accepted with regret.

The reduction in numbers for Board Membership has been approved to now be seventeen instead of twenty as in former years. This will include the four representatives from the County Council.

The work of the Executive Committee in bringing the policy of the Board into line with the new Child Welfare regulations was accepted with further study to be made on the subject of General Membership. This item was referred to a sub-committee to be chosen by the Local Director John MacGregor.

Membership was renewed with the Ontario Welfare Council. Delegates to the Annual Meeting in Sudbury were named as John MacGregor and the Rev. G. Taylor-Munro with Mr. John Mellish as alternate.

Martin Devos, treasurer, explained the financial statement John McCombs reported the findings of a Personnel Committee meeting which report was approved by the Board.

Miss Veronica Nadas, Area Supervisor from the Department of Child Welfare, who is spending several days in Haldimand, brought the Board up to date as to new procedures under revised Ontario Child Welfare regulations. She noted that minimum requirements in Child care will now be met—60 per cent by the County and 40 per cent by the Province. Care of unmarried mothers and Indian Child Welfare will be assumed 100 per cent by the Province. The point was stressed that for minimal requirements only. Any donations by individuals or Community Chests would be used for special needs or projects.

The Rev. K. N. Brueton, who was in the chair, thanked Miss Nadas, who had very patiently answered all questions.

I.O.O.F. BANTAMS WIN SECOND GAME OVER FISHERVILLE

Jarvis IOOF Bantams skated to their second consecutive big win over the Fisherville Bantams on Wednesday, January 19th.

Fisherville opened the scoring early in the first minutes of the game and looked determined to reverse the lopsided decision of the previous week.

Rick Miller then tied the score, on a fine passing play with Jim Howden, and seconds later put the IOOF ahead on a breakaway, firing the puck into the top left corner of the Fisherville net.

Fisherville never gave up at this point, and came storming right back, and tied the score on a goal by Otterman, while catching the IOOF defence out of position At this point, we are back to the game of last week, the IOOF realizing the fact that they have to play heads up hockey to win this game, turned on the steam.

Ross Gibbons scored the winning goal, on a drive from the blue line, a high shot that caught the Fisherville goalie unawares.

Before half time Larry Vokes, Jimmy Jaques, and Jim Howden scored without a reply from Fisherville Miller then scored to round out his three goal hat trick.

In the second half Jimmy Walker who played a fine defensive game, scored on an end to end rush unassisted.

Larry Vokes rounded out the 10-2 win by scoring two more goals in the latter half of the game, to round out his hat trick and second of the season.

Rick Reynolds in goal for the IOOF had to be at his best, regardless of the score, as the Fisherville team tested him regularly.

All the goals scored on the Fisherville goalie were not of the spectacular nature, and yet it cannot be taken away from the Jarvis team, as they hustled and deserved the win.

Howden picked up three assists for his night's work, Jaques and Jack Donaldson two each, and Ross Gowan, a hustler all night, one.

Jim Duxbury skated hard all night and was outjucked, as were Bryce Hazlett Jim Church Jerry Walker, Bert Ionson, Don Anderson, Chris Montague and Roger Bartlett

Gary Dawson and Charles Mantague combined for one defence unit and turned in a fine game.
