The past year was very successful in both training and fun for our boys and was followed up by very successful camps in the spring and summer. We think that in general and with very few exceptions the members of this group stand out just a bit more than those who are not fortunate enough to have the opportunity to be a Scout.

In order to continue these successes in Jarvis and Walpole we need help in the form of persons, not just words, and we need it now!!! We need adults to help scout and cub and scouts the many skills they require. Surely every parent has something to offer and we don't want it necessarily every week-end or even a month or two or three times a year. Can you teach a boy how to build a fire, read a map, use a compass, tie a knot, play a game, tell a story, first aid, fire-fighting, build a fire, run a message, build a crystal radio, etc., there we need you. Maybe your evenings are too busy, then how about helping with the paper drives, removing staples, tying bundles, etc. This is our main source of revenue and believe it or not ours is one of the few groups in Canada that the leaders must help in this venture to keep it rolling. E.M.O. RADIO GETS HELP TO HOSPITAL IN CRASH

A quick-thinking hospital administrator used an Emergency Measures Organization short wave radio Saturday night to call for help when 11 traffic accident victims arrived as the hospital was short staffed and without telephone service

Administrator Christopher Paylor of West Haldimand General Hospital reported: "I viewed the situation as a real disaster."

Here is the story.

Telephone service at the hospital was cut off around 7:30 p.m., when a telephone cable broke down after water leaked into it during a heavy rainstorm.

In all about 75 telephone subscribers were affected by the breakdown.

At 8:30 an ambulance arrived with the first of 11 people injured when four vehicles collided on Highway 6, three miles south of Caledonia.

Eleanor Henry, 28, R.R. 6, Hagersville, died shortly after her admittance.

Mr. Paylor used an EMO short-wave radio, installed in his office in 1965, to call Cayuga EMO, which alerted the additional medical staff needed for the emergency

Mr. Paylor said it was the largest number of accident victims ever admitted at one time to the hospital.

He said he radioed the names and telephone numbers of the required medical staff—15 people—to Cayuga EMO, who telephoned each of the people.

"Fortunately none of the medical staff's phones were out of order," said Mr. Paylor.

At 11 30 he said he had to use the radio again to find a blood supply for one of the accident victims.

Blood was rushed by police from Hamilton, he said. It saved the life of Mrs. Judy LaForme, the wife of one of the drivers involved in the accident

Mrs. LaForme, her husband Cecil, 19, and their three-week-old son, Brian, and Beverley Herod, 10, of Caledonia, are in fair condition. They were involved in the first two-car collision.

BOOTSMA—MIEDEMA

MR. AND MRS. JACK BOOTSMA

The marriage of Ankje Miedema, daughter of Mr. and Mrs. Lloyd Miedema, of R. R. 5, Waterford and Jack Bootsma, son of Mr. and Mrs. Wilfred Bootsma, R.R. 1, Port Dover, took place in the Christian Reformed Church, Jarvis, on August 25, 1966 at 7:00 P.M. Rev. Peter Kranenburg performed the ceremony.

The bride, given in marriage by her father, wore a floor-length gown of French crepe with chantilly lace empire bustline and lily-point sleeves of matching lace. The same lace was repeated in the Cardinal train falling from the shoulders. An attractive head piece of french crepe held her french illusion fingertip veil and she carried a cascade bouquet of white snowball mums and red sweetheart roses

Miss Ann Miedema, sister of the bride, was Maid of Honour, wearing a teal blue street length gown of Peau de soie. Misses Etta and Marry Miedema, sisters of the bride, were bridesmaids and wore gowns identical to the maid of honour and all carried cascade bouquets of shasta mums.

Little Miss Jennifer Miedema was flower girl and wore a teal blue dress and carried a basket of white shasta mums.

Bill Bootsma, brother of the groom, was best man and Stuart and Wilfred Bootsma, brothers of the groom, were ushers.

Following the reception the couple left for a honeymoon in Northern Ontario. For travelling the bride wore a three-piece pink suit with black accessories.

They will reside at R.R. 1, Port Dover on their return.

MIDGETS ONE GAME AWAY FROM TITLE —

It seems as though we have to eat a few words published in our last issue and in this issue we are glad to do so. Last week we said that the PeeWees could be the only ones to win an Ontario championship in Jarvis this year but now George Anderson's Midgets are only one victory away from the O.R.S.A. crown as the result of a 6-0 triumph over Brougham here on Monday night.

Jarvis jumped into a big 4-0 lead in the first inning on singles by Barry Miller, Bill Meehan, Reg Opersko and Jim Hazlett and two errors and with the superb one-hit pitching of Jim Hazlett that was the ball game. Hazlett had a no-hitter going for him until there were two out in the ninth inning when a Brougham batter doubled. He was one of the five players to reach first base against Jarvis. In all Hazlett struck out fifteen, walked only one and gave up the one hit.

After the first inning Jarvis found hits hard to get also as the second Brougham pitcher showed mastery over the batters Jarvis added their other two runs in the eighth inning on hits by Bob Graham and Lloyd Anderson and an error.

The second game of this championship series will be played in Markham on Friday night at 8:30 P.M. This is only about a two hour drive so get a car load of fans together and support the boys in their quest for honours.

Jarvis reached the finals by clobbering Fisherville 16-0 last Wednesday night in Fisherville in the third and deciding game of that series.

MR. & MRS. DAVID GUNTON MARK 60TH ANNIVERSARY

A Jarvis native, Margaret Church before her marriage, and David D. Gunton, of Simcoe, celebrated their Sixtieth Wedding Anniversary on Monday, September 5th.

The occasion of the anniversary was flittingly observed over the past week end when the Bride and Groom of sixty years ago were entertained at a family dinner at the Cove Room, Port Dover, on Sunday, September 4th. They held open house at their home in Simcoe on Tuesday evening, September 6th.

Margaret Church, before her marriage, was the daughter of Mr. and Mrs. John Church, of Jarvis, and a granddaughter of a United Empire Loyalist who settled in Walpole. She has one brother, Melvin Church of Simcoe, and two sisters, Mrs. J. D Caron (Mary) of Detroit and Mrs. Bert House (Eva) of Hagersville.

To Mr and Mrs. David Gunton were born one son and two daughters. The son, Harry, died in 1936. The daughters are Mrs. J E. Smith (Ellen) now living in Santa Barbara, California and Mrs Jack Hoover (Mary) of Simcoe. They are the proud progenitors of 11 grandchildren and 19 great grandchildren.

The occasion is also a double celebration inasmuch as David Gunton is celebrating his 85th birthday on the same day

David D. Gunton over the years has exemplified the very finest qualities of good citizenship. He was an overseas veteran of the First Great War and his service in the Norfolk Militia spanned a period of forty years. He rose from the ranks to become Officer Commanding for a period of seven years. He served on the Town Council, The Board of Education and was also Fire Chief for a number of years. He was also Town Assessor, Public Welfare Officer, Sanitary Inspector, Secretary of the Board of Health and Bailiff of the First Division Court.

Indeed, the Educational system today might well point out to all students the life of David Gunton in his home community and commend such service to each and all.

The Publisher of this newspaper has known Dave Gunton for many, many years. We have known his wife and his family. They have experienced trials and tribulations yet have never faltered in their contribution to society. In extending congratulations to this fine couple it couldn't possibly be done with greater sincerity.

We hope, Dave and Margaret, you will find even greater happiness in the next fifty years.
