Centennial Report

1867 1967 by JOHN W. FISHER CENTENNIAL COMMISSIONER

John is four years old and his mother is thinking in hundreds these days. She's thinking of Centennial and of the 100th anniversary of Confederation.

Considering all advancements in science, including medicine, and the face there are about 200 centenarians celebrating the present 100th year. John's mother believes her little boy as a pretty good chance of witnessing the 200th. So she is packing a small box, for John, she calls the 100-year box. In the 100-year box for John goes an odd but interesting assortment of things including a clipping of this newspaper column and other items which might interest citizens of the year 2,067: a small toy automobile, the short-lived issue of a weekly newspaper his father published on the Centennial of an Ontario town, brochures on the Confederation Train and Caravans, a Centennial symbol, a 1967 dollar bill, Centennial issues of Maclean's and other Canadian magazines.

Before the end of the year he'll have other items for the 100-year box. "Do you know what gave me the idea?" she asked me. "My husband who is a journalist got two complimentary tickets for the first night of Expo. I noticed on the back of the 'special passports', a suggestion that they be saved as souvenirs. I gave them to John and then started thinking about his future and whether he would be on this earth for another 100 years. That's what gave me the idea of the souvenir box." The two Expo tickets, of course, went into the 100-year box.

Having listened to too many pessimists lately, who say the world will be a cinder in 2,067 it is refreshing to run into someone like John's mother who has faith in the future—and faith in people like John who, perhaps, will be better equipped than we are to make a good world

The theme we gave the Centennial of Canada's Confederation was based on the past, the present and the future. Almost through the first half of 1967, the celebrations have successfully recaptured the spirit of our history and have made us aware of our good fortune in being Canadians.

We've had our look at the past. We've examined our present. Now the accent must be on the future. The time is upon us when we must think and act to make Canada better and the world better.

EAST - WEST INSTITUTE PICNIC TO BE ANNUAL

A joint East-West Haldimand Women's Institute picnic was held at Haldimand County Park on July 26th After a bountiful lunch, everyone participated in the contests and races.

Only one member present, Mrs. Lewis Keefer of Willow Grove, had a daughter active in the W. I. and for this she was awarded a prize.

Mrs R A Miller of Jarvis, joined the W. I. in 1911, and has been an active member continuously ever since. She certainly deserved the lovely cushion she received.

Mrs. Willis Harrop spent the longest time at Expo, for which she won a prize.

Jarvis W. I. with 21 members present at the picnic, easily won this event.

In the Centennial Elimination Contest, Mrs. R. Ferguson of Mt. Healy W. I. was the winner

The children also had their races and guessing game The winners were Lori Hare, Hedy Zielgler, Debra Schweyer and Barbara Wood

It was unanimously agreed that this picnic should be an annual affair.

GOWAN FAMILY REUNION

Over 150 members of the Gowan family met at Springvale United Church on July 15, for their family re-union, held annually since 1926. When Edward Gowan emigrated to Canada from Suffolk, England, prior to 1836, he settled near Oakville, Ontario. Upon hearing of the arrival in Canada of the Sherman family, also from Suffolk, he walked from Oakville to Compton County in Quebec, a distance of five to six hundred miles, married Harriet, the lady of his choice and brought her back to Ontario by river barge to a farm near Springvale The descendents of this couple thus returned for their Centennial year reunion to their original church home in Canada.

Following a bountiful and well-organized dinner several members from distant parts Greetings were extended to Madeline Somerville of St. Thomas and Lawrence Gowan of Hagersville who were celebrating their birthdays that day and to Otto Gowan of Springvale who would celebrate his 89th birthday July 24th. A large birthday cake was ppresented to him in honour of the occasion A large Centennial Cake was presented to the reunion by Mrs. Millie Hall of St. Thomas.

The first edition of the Gowan family tree, compiled and printed 20 years ago is to be brought up-to-date and distributed to those wishing copies.

Research in heraldry by our able secretary, Mrs. Evelyn Gowan, revealed an official Gowan coat-of-arms. Evelyn explained the meaning of the symbols and reported that copies were available in various forms and could be ordered through her

Following the taking of a group photograph and a short sports program directed by Don and Dorothy Martindale of Cayuga, the group travelled the short distance to the Springvale Cemetery for a short memorial service at the Gowan family plot. Following a few opening remarks by president Ralph Gowan, the Rev. W. H. Martin of Springvale United Church conducted the brief Memorial service, during which a wreath was placed in memory of our ancestors by William Gowan of Montgomery, Alabama Meditation, prayer and the benediction brought to a close the largest re-union to date of the Gowan family with members present from Hagersville, Jarvis, Cayuga, Springvale, Ottawa, Kingston, St Thomas, Leamington, Coburg, Flint, Michigan, Montgomery, Alabama, Hogansville, Georgia, and Fort Worth, Texas.

CAYUGA DETACHMENT O.P.P. WEEKLY REPORT

HIGHWAY CONSTRUCTION SPEED ZONES WILL BE ENFORCED BY O.P.P.

Following the recent announcement by the Honourable George E. Coomer, Minister of Highways, regarding recent amendments to the Ontario Highway Traffic Act, affecting Special Speed Zones for highway construction areas

Assistant Commissioner J. L. Needham of the Ontario Provincial Police, Traffic Division, announces the immediate enforcement of this new legislation.

Motorists can now expect to see official regulatory speed signs, at all highway construction sites on major traffic arteries throughout the Province

It is important to remember that the location of these signs and the speeds indicated, could vary hourly, as the construction zone progresses. It is therefore incumbent upon all motorists to be aware of the posted speed limits within the construction area and comply.

"These new regulations will be strictly enforced at all construction sites on major traffic arteries throughout the province in the interest of safety and any violation could bring fines of up to $200.00 and license suspension of up to six months," Assistant Commissioner Needham said.

During the week of July 23-29, 1967 occurrences reported and investigated by Cayuga Detachment included 8 thefts, 1 breakin, 7 minor occurrences and 9 requests for assistance.

On the traffic scene, officers investigated 5 property damage accidents, one auto-pedestrian accident, 2 accidents in which 2 persons were injured, 1 accident in which the driver was fatally injured.

Traffic Officers issued 16 warnings, laid 13 Highway Traf

SENIORS LOSE 18-INNING MARATHON

On Sunday evening Ed Neudorf and his Port Colborne mates took over second place in the Tri-County Senior Fastball League with a thrilling 1-0, 18-inning victory over Jarvis.

Neudorf went all the way for the big win striking out no less than 38 would-be Jarvis hitters. His counterpart, John Edwards, was equally effective, striking out 20 batters for Jarvis

The only run of the ball game came with one out and a runner on second. The next batter hit a one-hopper back to Edwards who picked it up, checked the runner at second, and then threw the ball into right field while trying to get the runner going to first.

The effects of this game were very much in evidence on Tuesday night when St. Thomas was in town. The Memorials scored six runs in the first inning and the game was all over, with the last 6½ innings a mere formality.

Enough said about that game

Even the pros have a bad game once in a while and we are sure the locals will bounce back and make a strong bid for the Intermediate title in the playoffs which get underway on August 19th against Stoney Creek Quigleys.

JUNIORS NIP NANTICOKE IN TEN INNINGS

On Saturday night the Jarvis Juniors came from behind to edge Nanticoke 10-9 in a see-saw, 10-inning ball game in the local park.

Trailing 9-7 going into the bottom of the ninth the locals rallied for two runs and then pushed the winner across in the tenth to pull out the victory

Hubert Fehrman did the mound duties for Jarvis while Ray Carpenter was charged with the loss.

Last Wednesday night the Juniors went to Hagersville and after a well-played game wound up on the short end of a 3-2 score inflicted by league-leading Dawson City The deciding run came in the bottom of the eighth when Glen Cherry doubled, moved to third on an infield out and scored on a passed ball

With the experimental season almost over and the team gradually getting back to full strength, the local boys are starting to settle down and play good ball in preparation for the up-coming Ontario Playoffs If the boys play the brand of ball they are capable of a Junior Championship for Jarvis is inevitable.

McGAW'S CORNER

The Wilson MacDonald Memorial School Museum has been a real attraction to tourists, the community, and those from outlying areas.

This is seen in the number having signed the register for the month of July. 357 names were registered, coming from as far away as Red Deer and Calgary, Alberta, and Melfort, Saskatchewan.

It has been a pleasure to welcome these adult guests as well as a host of children and teenagers, who have been extremely interested, careful and courteous, and deeply grateful for both the School Museum and the Memorial to the late Wilson MacDonald.

Respect for the picnic grounds is shown in that they have not been littered or used in a way which would be unappreciated by the Museum Board This is a project we are all proud to sponsor.

The Museum will be open on Sat., Aug. 12 (Selkirk Sports Day) in the afternoon 2:00 — 4:00 P.M. as well as Sunday, Aug. 13, 2:00—4:00 P.M.

The Rev. Harvey Sider, wife Erma, Missionaries on furlough from India, and children Cheryl and Steven Ray were with his parents, Rev. and Mrs. E M Sider, Cheapside, for one week.

The Sider parents, together with Harvey and Erma, celebrated their 10th Wedding Anniversary on July 20, by a picnic lunch in the Wilson MacDonald Memorial School Museum Park. A hearty "fish and chips" dinner provided by good cooks, the Fred Hedges family at the Lake, was a delicious treat, for the family accustomed to RICE in India. An evening picnic and a swim in Lake Erie was the hi-lite of the evening for Cheryl

On Saturday evening the Brethren in Christ Ladies met at the Rev Earl Sider home to present Erma with a baby shower of clothes and articles for Steven, suitable for several years of growth, when they get back in India. This was deeply appreciated by the parents of Steven and the grand-parents of their "Centennial" grandson.

Expressions of "Good Will" from the many friends of Harvey in this community, and Jarvis has made him feel anew "There's no folk like Home folk."

They go back to India the last of August, feeling the strength of your support as they carry on the strenuous tasks assigned them on the Mission field.

Robert Sider, Ph. D., with his wife and family, made a brief over-nite stop with his parents, Rev and Mrs. Earl M. Sider, Cheapside, on Sat. nite, leaving Sunday morning for Toronto, his wife, two small sons and daughter entrained from there for Sask. to visit her parents in Nipiwan. She will be a guest at the Wingerson-Moore Wedding on Aug 5th.

Dr. Robert remained in Toronto to do research at the U. of Toronto, on a grant from Oxford University, Eng., this to enlarge on the dissertation on "Tertullians Methods of Argument and Rhetoric" in his philosophy, which will be included in his book, which the Oxford University Press has offered to Publish.
