THE EFFECTS OF THE RESURRECTION

The resurrection of Jesus of Nazareth has changed the course of history more drastically than any other event of which we have record. This may seem an extravagant claim but a little study of the effects of His resurrection shows that such a claim is justified.

Take first the effect on His own immediate followers, the Apostles. They were crushed by His death. St. Luke tells us that when some woman came and said He was risen they dismissed the stories as "idle tales". Even when the others were finally convinced one man Thomas, refused to be believe. The two men on the road to Emmaus did not know what to think.

But, once convinced that He really had risen from the dead, they became new men. After the Ascension there was a new spirit among them. On the day of Pentecost they openly accused the Jewish leaders of rejecting the Messiah! When they were arrested they showed no fear but accused their judges of the greatest crime, killing the Lord of Life. Whom death could not hold. So it was with Saul, who became Paul. He sincerely believed the Christians were blasphemers, but after he saw the Risen Lord he became the most outspoken Christian of them all. With these things in mind it is easy to see that without the Resurrection there would have been no Church, but more of that later.

Let us see how the Resurrection has changed the course of world history. The dominant civilisation in the world today is that of Europe and of Europe's child, America. But European, or Western, civilisation is largely the product of the Christian Church. I do not say that Western civilisation is entirely Christian, but that it is the product of the Christian Church and its teaching through the ages, rather than of any other religion or philosophy.

Some may that even if He had not risen His teachings would have prevailed and the effect would have been the same. But without the Resurrection no one would have ever heard of His teaching. The apostles would have been far too disheartened to spread His teaching. Saul would have persecuted the church almost, if not quite, out of existence. The most that could have happened would have been the formation of an obscure Jewish sect, and the great Gentile world (including you and I) would never have heard of Him or His teaching. Incidentally, this is where the teachers of the "New Morality" make their great and fatal mistake.

Without the Resurrection there would have been no church. It was at Pentecost, when the Apostles preached the gospel of the Risen Christ, that the Church began to take shape. And the Church is the Mother of our civilisation. When the Roman Empire broke up in the sixth century there began what has been called the Dark Ages, when civilisation in the West nearly collapsed. During these dark years the Church faithfully preserved, not only the teaching of Christ but also the best elements of the Greek-Roman civilization (Plato, Aristotle, Cicero etc) and it is on all these that our civilisation rests. The Church also became the custodian of Law and Morality, for about 900 years. She cared for the sick, did what she could to protect and relieve the poor and oppressed and tried to see that government, industry and business were conducted fairly and honestly.

We tend to forget these things, to think that before the Reformation the Church was a sink of iniquity, but that is not the whole picture There was much in the Church that was bad, and this has been given the headlines of history. Just as news of crime or disaster is put in the news paper But the newspaper takes no notice of the millions of quiet people living normal lives, and history likewise ignores the good things the Church was doing all through the Middle Ages.

I must stop, but I hope I have been able to let you see the tremendous importance of the Resurrection in world history and I have not even mentioned its tremendous importance to youu and I personally and to all other individual Christians throughout the world.

SUGAR BUSH PROJECT WAS A GREAT SUCCESS

TWO WEEKS AGO we put a heading in this space which read: "Sugar Bush Project Could Be Great Success". The above heading is meant to confirm it.

—O—

Gordon Miller, Chairman of the Walpole Centennial Committee was exceedingly happy with the results of the Township's first Centennial project. The members of the Jarvis Lions Club, who sponsored the project, were wildly enthusiastic as they gathered up the debris from the pancake making facilities when the day was over.

It is pretty difficult to determine the exact number of people attending this event, but we do not think we are exaggerating when we say one thousand.

The weather was almost perfect. A bit too cold. But the sun was shining brightly and there was a beautiful blanket of fresh snow on the ground.

Perhaps the most exciting thing for the children was the sleigh ride from the road back through the bush to the maple syrup evaporator. Three sets of sleighs drawn by teams owned by Andy Doughty, Clarence Bacher and Bob Dosser were constantly on the go from noon until 4. P.M. The Doughty team was handled expertly by Cecil Beckerson and Mac Dosser handled his father's team.

While it was too cold for the sap to run, Andy Doughty had a stock on hand that kept the evaporator steaming all day. Ted Montague and his pancake makers demonstrated their expertise in the flap-jack department and everybody just had a whale of a good time.

Yep! The Sugar Bush project was a great success.

CANCER SOCIETY PRESENT AWARD

The Jarvis Record was presented with an Award of Merit from the Ontario Cancer Treatment and Research Foundation when the local Society met at the home of Mrs. Harry Belbeck on March 15th. This award had been sent to Mrs. R. A. Miller, as publicity chairman, for presentation to the Record in recognition of the space accorded the Cancer Society since it was organized in Jarvis nearly six years ago. In the absence of Mrs. A. L. Miller, the framed certificate was taken to the Record Office follow ing the meeting

Mrs. Ross Dosser presided with Mrs. Arthur Stone acting as secretary and Mrs A. B. Blight, in giving the Treasurer's report, announced the receipt of $395.50 as "In Memoriam" givings and $100.00 in contributions during the first half of the Society's year.

A Centennial Daffodil Tea and Bake Sale will be held in April in the IOOF Hall. Contributions of baking are welcomed as many persons who do not attend the Society are interested in the work which is being done. Mrs. Blight will be in charge of decorations and Mrs. Harry Belbeck will be responsible for making the tea. Bake Table Committee—Mesdames Ben Johnson, Harold and Mrs. David Wilson Sr. Mrs James Duxbury will convene the Tea Table and Miss Myrtle Johnson will make the posters.

June 7th was set as a tentative date when guest speakers would be asked to show new pictures showing the dangers of neglect and the new discoveries in Cancer research. This meeting would also be slated for the IOOF Hall and the citizens of Jarvis invited to attend.

Mrs. R. A. Miller gave the report of the Noon Luncheon attended by nine of the Jarvis members in Simcoe in January when Mrs. M. C. Sherriff, Education and Publicity Chairman of Don Mills was guest speaker, other speakers being Mrs Harry Brook and Mrs. W. D. Jackson o Simcoe and Mrs. C. N. Walters of Delhi.

The lunch committee, Mrs. Hesketh and Mrs. George Anderson served a dainty lunch.

MANY HAPPY RETURNS —

Best wishes for a Happy Birthday to Mrs. Edith Russell, Talbot Street East, who celebrated her 88th birthday on Wednesday, March 22nd.

IN MEMORIAM

EVANS—In memory of my dear Sister, Lillian.

So lets make her life like a rose
In a garden.
Just a bud at the break of the day
As the petals unfurl spread a fragrance
For some strangers on life's lonely way,
Bye and bye now the journey is ended
And her beauty all faded and gone
May her friends think of her as a rose in the garden of life
And hear the words of the Master. well done.
— Harvey Evans

WALKER—In loving memory of a dear father, Mr. John Walker, who passed away March 26th, 1965.

In the garden of rest, no worries or pain,
In God's own time, we shall meet again.

Always remembered by the Family.

NOTICE

Will the person who by mistake, picked up a dark brown man's hat at the Jarvis Presbyterian Church Supper on Friday March 17th, please contact the Jarvis Record and exchange it for his own. Thank you.

BOY SCOUT NOTES

On Monday. March 20th the 1st Jarvis Venturer Company met with a poor turn out, but things ran normally. We were honored with the presence of a possible Assistant Adviser, Allan Smith and his help will be welcome. The fire map was the main subject and with everyone taking part, a great deal was accomplished. We are receiving many comments on our "Centennial Display" and we thank you.

Next week we are going to have a visit from Roy Finch and he will be showing us a couple of films on Wildlife and speaking on gun safety.

DAVID WILSON SR. GETS CLERK-TREASURER POST

David Y. Wilson, of Jarvis, was appointed Clerk-Treasurer of the Township of Walpole last Thursday Mr. Wilson's appointment fills the vacancy arising from the resignation of Charles Cox earlier in the year.

It is understood the Council considered several applications before making the new appointment.

Mr. Wilson is a native of Dundee, Scotland. He came to Canada in 1957 and was associated with a Bakery Equipment Firm in Victoria B. C and Toronto, Ont., before moving to Jarvis in April 1966.

His son, David Wilson Jr., is manager of the Norfolk Co-operative Co. in Jarvis.

MEETING REVEALS BUSY YEAR AT WEST HALDIMAND GENERAL HOSPITAL

The annual meeting of the West Haldimand General Hospital on Monday night revealed a busy past twelve months for the institution.

Chairman E H. Montague called for reports from Dr. D. R Weylie, Chief of Medical Staff and Mrs. J. E. Vanloon, President of the Auxiliary. Both reports reflected a busy year in these departments. The financial report was given by Dr. R G. Hyde.

Gross earnings for the Hospital for the year ending Dec. 31, 1966 was $554,269.98. Operating expenses amounted to $550,990.88.

The hospital now employs 130 full and part time employees, and the occupancy rate for 1966 was over 100 % for the year. Major operations in the Hospital increased by 50 % over 1965. The physiotherapy department continues to be one of the busiest in the Hospital with 3,723 treatments given in 1966. Laboratory services are also on the increase with 38,984 units of work being processed during the year.

There are now 32 doctors associated with the Hospital on the Medical, Associate, Courtesy and Consulting staffs.

The report of the nominating committee given by former chairman A Arrell Martindale recommended the appointment of W. J. Heaslip, W. R. Slack, S. G. Hoover and W J. Filsinger for a 2-year term on the Board of Directors. The report was adopted.

Progress on the new addition to the hospital which will add 24 more beds is progressing on schedule with the goal for completion on August 1st.

SOFTBALLERS PART OF NEW LEAGUE

Jarvis will be one of six teams in the newly formed Tri-County Fastball League, officially formed on Sunday afternoon at St Thomas The other five teams making up the league include St. Thomas, Port Colborne, Mount Hope, Dundas and Smithville.

The formation of the new league also marks the demise of the Haldimand - Norfolk Floodlight League that function ed so successfully for many years.

Jack Martin, Manager of the Jarvis team, states that all positions on the Jarvis Tri-County entry are wide open and anyone wishing to play should contact him directly.

JARVIS BAND GRATEFUL FOR SUPPORT RECEIVED

Only a few weeks have past since the article appeared in The Record inviting those interested in becoming members of the Jarvis Christian Brass Band "Crescendo" to make their wishes known. The results were more than we ever dream ed about Several people joined our Band and others donated a nice amount of money to support us. We had about eight instruments available for new members and they are all gone at the present time and more are needed to supply other young people who are interested in learning to play an instrument

Again we are calling on the people of this community to help us out. Do you have any brass instruments in your homes which you do not use any more? If so, we would be glad to buy them from you. Please note that the Jarvis Band is a Brass Band in which we do not use any woodwind instruments such as clarinets, piccalos, flutes, etc. The kind of instruments we need are trumpets, cornets, altos, baritones, trombones, euphoniums, drums and saxophones. If you have any of these instruments laying around, please phone 587-2743 and we will be glad to call on you at your home.

At the present time we have Twenty-seven members and in an active community like ours, we should be able to boost this figure up to at least fifty By doing this the Jarvis Band would be most likely the biggest town band in Ontario and the only way we can do this is to let your youngsters join our band and give us all the support you can, not only by joining, but also by giving a small donation. To operate a band is an expensive business. Most of the instruments are bought for approximately $100.00, so you can see that it takes a lot of money to keep a band on it's feet. Also repairs on instruments are quite high and an average repair bill usually runs from approximately thirty to forty dollars and more in some cases

All playing members of our Band pay 50c a week to pay for expenses and we are happy to do this if it will keep the band going, but at the present time many instruments are in need of repair and new ones are to be bought, but there is not enough money in our possession to do this, so we must call on our community to help us out.

On April 28th we are planning to give a Spring Concert in the Jarvis Community Hall and we are busy working on the program now The program will consist of band music and also we are trying to work in some country and western songs, trumpet duets and solos. So if you are interested in some good music, this may be a good place for you to go. See you there.

HEART ATTACK FATAL TO HAGERSVILLE FIRE CHIEF

Reginal Cecil House, Fire Chief for the Village of Hagersville, died Saturday night while fighting a mobile home blaze on Main Street South, Hagersville.

Haldimand County Coroner, Dr. C. M. Awde, said a Post Mortem revealed that death was due to a heart attack.

The Fire Department had responded to an alarm at the south end of the Village when fire broke out in a mobile trailer occupied by Romeo Rochette.

The late Mr. House was in his 43rd year, a native of Hagersville and was a son of Mr. and Mrs. Cecil House. He received his Public and High School education in Hagersville, was a farm distributor at B. A. products and served overseas with the RCA in World War 2. He was a member and elder of St. Andrews Presbyterian Church, past president of the Legion Branch, Past President of the Hagersville Progressive Conservative Association and was on the Board of Directors of the Hagersville Lions Club.

Besides his parents, he is survived by his wife, the former Maxine Lint, son, David, daughters, Carol and Beth, all at home, and two sisters, Mrs. Lloyd Simington (Ruth), Hagersville, and Mrs. James Hall (June) of Hamilton.

The funeral was held from the Mott Funeral Home, Hagersville, on Tuesday afternoon. Members of the Hagersville Fire Department formed a guard of honor at the service which was conducted by Rev. Kenneth Matthews.

Pallbearers were: Caldwell Kett, William Brooks, William McClarty, Douglas Thomas, Cloyce Sitter and Wray Simington. Interment took place in Hagersville Cemetery.
