Hagersville Group Passes Skating Test

Congratulations to Amy Almas, Lisa Anderson, Robert Hardie, Kelly Holstein, Lynn Hunter, David McKellar and Lori Teal who were all successful in passing their preliminary figure tests. These children, all members of the Hagersville Figure Skating Club, attended the Kell-Am-Mar Skating School in Brantford during the spring, summer and fall sessions. They were all under the instruction of Lorinda Wright, one of our club professionals for the coming season.

* * *

During September, four executive members attended "Skate-In '71", near Orillia. This was a two day seminar at which various lectures were offered to help the clubs to become better organized and run more efficiently. A great deal of information was gathered which should help us during the coming year.

* * *

On Sept. 19, several of the executive, and their wives and husbands travelled to London to see "Ice Champions." This was a review of the 1971 Figure Skating Club Champions including Karen Magneson, Ladies Senior Canadian Champion, Toller Cranston, Men's Senior Canadian Champion and also the dynamic skating of Ron Shaver of the Stoney Creek Club. All proceeds were for the skaters bursary fund and it was an excellent show, very much enjoyed.

We are now looking forward to the "Canadians" (the Canadian Figure Skating Championships) which will be held in London this coming January.

A Reminder — watch next week's issue for Registration Dates and information.

COMING EVENTS

WALPOLE NORTH Home and School Association meeting Monday Oct. 4, at 8.15 p.m. Come and hear a discussion of the cross-grading system being implemented this year. Mr. Copeland will discuss the proposed program and explain how your child will benefit. Visit the classrooms, see pupils at work, meet the teachers. Lunch and coffee.

CANADIAN COAST to Coast Calorie Counters, Selkirk Branch, open for new membership, meeting every Wednesday night at 7.30 at the Selkirk Centennial Hall.

CALMNESS HELPS

Toronto (CP) — Man is capable of facing death if he uses his brain and is realistic, Rev. John H. Morgan told the First Unitarian Congregation in Toronto recently. "There has been a lot of thinking on death. I suppose it is unavoidable for death is frightening. We hear all kinds of fantasies, some of which wildly twist the obvious fact of death. Unless we use the brain to register what is real we miss the meaning of life," he said.
