W.H.G. Hospital Auxiliary Holds Annual

by Ruth Mounk

The tenth annual dinner meeting of the West Haldimand Hospital was held in the McMillan Hall of the Presbyterian Church in Caledonia, April 4th at 6:30 p.m.

Mrs. Helen Snowden, President, welcomed approximately 174 auxiliians and guests who sat down to a delicious roast turkey dinner prepared by the Presbyterian Ladies. Mrs. Julia Nauman offered Grace followed by a toast to the Queen.

Following dinner, Mrs. John VanLoon led the group in a lively and enjoyable sing song. Mrs. Leone Slack thanked Mrs. Van Loon. Mrs. Ruth Mounk gave the courtesy to the ladies of the Presbyterian church for the delicious meal and also to the Caledonia Unit for hosting the evening. Mrs. Helen Brown introduced the head table guests and Mrs. Gowan then took roll call.

Greetings from head table guests were brought from Mr. W. Heaslip, chairman of the board, who thanked the Auxiliary for all the efforts put forth. Mr. Bohan, Administrator of W.H.G.H., is very proud of the great work and contributions done for the hospital by Auxiliians.

Dr. Lyons, representing the Medical Staff, added a special thank you for making our hospital second to none. Mrs. B. Webb, director of Nursing, thanked the Auxilians for all they are doing. Mrs. J. Becker, chairman of Zone 4, brought greetings and said she has looked forward to this night as she enjoyed it so much last year. Mrs. Phelps, District 4 secretary, accompanied Mrs. Becker.

One minute silence followed by the Auxiliary Prayer, read by Mrs. J. Becker, in memoriam for Mrs. George Brennan and Mrs. Fred Stuart, was observed.

Mrs. Helen Snowden, president, conducted the business which included a luncheon in St. Catharined, April 12th.

Moved by Mrs. Madeline Thomson and seconded by Mrs. Barb Held that the reports be accepted. Carried.

Mrs. Julia Nauman announced that we were asked to put out a cook book and she would like each person to contribute one recipe.

Election of officers for the coming year then took place with installation by Mrs. J. Becker of Grimsby. Installed is Mrs. S. Brown, Past President; Mrs. H. I. Snowden, President; Mrs. R. Slack, 1st Vice-President; Mrs. A. Doyle, 2nd Vice - President; Mrs. R. Smith, Recording Secretary; Mrs. H. Hewitt, Corresponding Secretary; Mrs. W. Held, Treasurer; Mrs. H. Bray, Sewing and Pegboard convenor; Mrs. M. Mounk, Public Relations; Mrs. K. Schaus, Library and Records; Mrs. C. Thomson, Volunteer Convenor; Mrs. E. Bacher, Assistant Volunteer Convenor; Nominating Committee will be Mrs. S. Brown plus one from Fisherville, Jarvis and Springvale Unit. Best wishes to the new executive.

Business completed, the Queen was sung. The anxious moment of the evening for the three money draws took place, - $300 won by Cheryl Giles from Cayuga; - $200 won by Brian Doughty of Jarvis; - $100 won by Mary Keen from Jarvis. Thanks to all who supported our draw and congratulations to the winners.

Draws were made throughout the evening with lucky ladies taking home prizes donated by units and individuals.

Our entertainment helped us to see how talented our young people of to-day can be. Tommy Halyck, Andrea Halyck, Tracy McIntosh and Kerry Fearman of Caledonia Public School presented us with four lovely songs accompanied at the piano by Mrs. McMillan.

Luanne Lawrence of Caledonia Public School presented a speech on macrame. She has taught herself and showed us several articles which she had made such as a belt, purse, vest and wall hanging etc. We appreciate the efforts of the drama club from Hagersville under the leadership of Mr. Whitman bringing us a very entertaining play, which we all enjoyed. Mrs. H. Snowden, president, presented each of the participants with a gift from the Auxiliary.

Coffee and squares brought to a close another enjoyable Annual Dinner. The executive will meet May 2nd in the Board Room.

We would like to thank the Community and friends of West Haldimand for their support to help make it another successful year.

Golden Bar Ceremony

The Brownie meeting held at the Presbyterian Church in Jarvis April 10th began with each Six (or group of girls) coming into the Brownie Ring as Springtime.

After the Ring was formed, the girls who were to receive their Golden Bar badge were brought to the Golden Ground near the Toadstool and presented to Mrs. Ivan Church, Brown Owl.

These girls remade their promise and Brown Owl presented them with their badges and congratulated Sheila Austin, Jane Church, Laurie Ann Fallis, Tricia Miller, Louise Mitchell, Lynn McDowall, Sandra McMillan and Jacqueline Singleton.

These "Golden Bar" Brownies were honoured by their friends with the Grand Howl. The test work for the Golden Bar badge includes nature lore, helping at home with specific tasks and knowledge of the Canadian flag.

After inspection, the Fairy Queen, Cathy Mewhimney, collected the fairy gold. Two games were played, then lunch was served by Laurie Ann Fallis, Tricia Milier and Jackie Singleton, assisted by Snowy Owl, Mrs. Leonard Reu.

While the girls were drinking their freshie, Brown Owl told them a story about Brownies in Japan. They also heard about Casa Loma, the castle in Toronto built by Henry Pellatt for his wife. Lady Pellatt was Chief Commissioner for Guiding in Canada from 1912-1922. And now that the Kiwanis Club in West Toronto are going to refurbish the castle, they are giving one room on the second floor to the Girl Guides of Canada - Guides du Canada- to decorate and display Lady Pellatt's Guiding things. So each girl will be bringing one penny to the next meeting to help the Girl Guides of Canada with this project.

Some interest Badges were presented by Brown Owl; cook's and book lover to Janice Bartlett, collector to Gail Reu and housekeeper to Laura McDowall.

All the Brownie's made invitations to take home to their mothers for the Mother and Daughter banquet. The visitors were thanked by Christine Rungis and the meeting closed with Brownie Taps.

Oral Disease Is As Old As Man

Fossilized remains of man show signs of tooth decay and gum disease dating back to the Stone Age. The most common disorder was excessive wear of teeth, probably the result of chewing coarse foods. There is no evidence of treatment until 700 B.C. and then any advances were kept secret. Rapid advances are now made through research and science but there are not enough dentists to correct all damage so prevention is important.

There is no single way to prevent tooth decay but measures can be taken to reduce it. Tooth brushing removes food particles from the teeth and prevents the accumulation of dental plaque. Plaque is a gluey substance sticking to our teeth, harbouring harmful bacteria. If unable to brush, rinse well with water.

Reduce the amount of sweets in your diet particularly in between meals. Foods containing a lot of sugar should be eaten at mealtime and the teeth cleansed immediately after. Snacks should be limited to fresh fruits, cheese, nuts, popcorn and other foods with little or no sugar content. By eating nourishing foods at mealtime snacking will not be necessary.

The application of fluoride to the teeth strengthens the enamel making it more resistant to decay. Fluoride in the community water supply is most effective as it is ingested everyday. However, fluoride can be applied directly to the teeth as well. This preventive treatment is done in a dental office.

Visiting the dentist on a regular basis can prevent dental disease. He can observe the growth and development of our teeth and prevent pain that could result from badly decayed teeth. If there are any problems he can correct them easily and quickly in the early stages.

- Canadian Dental Association

Hypnosis

Certain emotionally disturbed dental patients, the physically handicapped and some of those allergic to local anesthetics might be helped by hypnosis in the dentist's chair.

Too often people who are allergic to the "freezing" needle avoid regular dental treatment due to their fear of reaction from the anesthetic. Just the thought of dental treatment keeps others away.

The neglect eventually takes its toll and the patient may have to undergo extensive restorative treatment or face the complete loss of teeth.

Specially trained dentists have used hypnosis to kill pain. Also in some cases, where the source of a particular allergy was found to be emotional rather than physical, the hypnosis has helped the patients tolerate local anesthetics and dental treatment.

Some emotionally and physically handicapped people have also benefitted in the dentist's chair through mind relaxing and suggestions brought about by hypnosis. The patient under hypnosis in the chair is not asleep. He is more help to the dentist when awake.

- Canadian Dental Association

Saddle Club News

The Dry Lake Saddle Club had a very successful trail ride on Sunday. Lovely weather blessed the 33 riders for their first ride of the season. Many thanks to Ben Allison for hosting this ride.

Our next trail ride will be May 6 starting from the Decewsville Hall at 1:30 sharp.

Please note that the dance for this Saturday night, April 21 has been sold out. We have had overwhelming response and the tickets are completely sold out already.

We regret that we cannot accommodate everyone that would like to come, but perhaps next time.

Don't forget our first show of the season on May 20th at the Decewsville Hall.
