Margaret Johnson Speaks To The Evening Auxiliary

Mrs. Rhoda Anne Malcolm chose the theme — "Keynote To Liberty" for the special meeting of the U. C. W. Evening Group at the November meeting. The most interesting meeting was held at the home of General President, Mrs. Glenna Murdoch, Main Street North.

The hymn "I Love Thy Kingdom God" opened the meeting, followed by a reading "I Have a Goodly Heritage" and prayer by Mrs. Julie Rule.

Everyone joined in singing "He Leadeth Me" followed by Mrs. Doris Speller reading a portion of Scripture, Psalm 67. Mrs. Rule received the offering which was dedicated by a prayer for all nations presented by Mrs. Malcolm.

Special guest speaker of the evening, Mrs. Margaret Johnson of Jarvis, was capably introduced by Mrs. Madeline Curnow. Mrs. Johnson spoke and showed slides of the recent trip she and her husband had taken to Russia early in September. During her most interesting and informative talk, Mrs. Johnson commented on the poor lighting system; the lack of single dwelling places; told of 50 churches functioning for 8 million and she saw only one small chapel.

Mrs. Johnson was impressed with the immaculately clean streets, as positively no littering is allowed, since the older women and men are continually sweeping the sidewalks. She stated the average pension is $70 per month, and also mentioned that guards are seen everywhere one may go. They may be seen in every room of a museum, etc. Other important facts she told of the Soviet were - Nylons costing $15 a pair; 141 miles of subway in Moscow; 70% of their medical doctors are women; abortion is legal and free; their divorce rate is extremely high, also alcoholism is very evident; as well as T.B. She said the city of Leningrad was a beautiful and much - restored city, which contains 80 bridges and 15 churches. It also has a population of three and one - half million people. In closing, Mrs. Johnson said she was extremely happy to return to Canada, even though she enjoyed the trip to the Soviet Union.

The general conclusion she presented, was that we, as Canadians, really do not appreciate all that we have, especially when it is seen in cities of Russia, where citizens are not allowed these great freedoms.

Mrs. Margaret Henderson expressed appreciation to the guest and presented her with a gift from the Evening Group. Roll Call was taken by Secretary Marg Lougheed and showed 17 present, including several visitors. She followed by reading the minutes of the previous meeting, as well as several items of correspondence.

The Treasurer's report was presented by Mrs. Helen Hunter followed by a Visitation Report given by Mrs. Hilda Atkinson.

The up - to - date happenings of the newly-started Time - Out program was given by Mrs. Julie Rule, who stated the weekly Tuesday sessions would conclude the early part of December, and would commence again early in January. Several items of business were discussed at length, one regarding a C. E. Director, as referred to in a letter read by the Secretary. The meeting closed with the Mizpah benediction and a social time was had, with lunch served by the committee.

Christmas Fire Safety

(continued from page 1)

by burning paper around the base.

* Set up the tree away from heat sources such as fireplaces, TV sets or radiators. Do not allow it to block access to doors or windows in the event of fire. Switch off tree lights at bedtime or when leaving the house.

Chief Walker points out that tests have proved that the safest tree is a tree with its butt set in water. If a tree has dried out before it is set up, it cannot regain its safe moisture level. A dry tree can be ignited by a single match, to burn violently to a charred state in a few seconds.

Even artificial trees can be serious fire hazards. Metallic trees are conductors of electricity, and should not be decorated with strings of lights, but illuminated with floodlights. Some plastic trees, made from styrene materials, are flammable, unlike those made from polyvinylchloride.

All trees should be removed from the home as soon as possible after the Christmas celebrations.

Five Enrolled In Jarvis Girl Guide Company

The enrollment of five girls into the Jarvis Girl Guide Company took place Nov. 28th at St. Paul's Parish Hall.

Before enrollment, a girl has to be able to pass the Tenderfoot test, which includes Guide history, knowing and understanding the Guide motto, promise and law.

Kim Dennis, Judy Montague, Kristine Rungis and Joanne Stewart, each promised captain Mrs. Doug Perry to do her best, to do her duty to God, the Queen and country, to help others everyday and to obey the Guide law.

The games were led by the Oriole partol; and lunch was served to the Guides and guests by the Bluebird patrol and girls working toward their hostess badge.

Songs were led by the Scarlet Tanager patrol, accompanied by Lieutenant Miss Adrienne Perry with a recorder.

Girl guides are girls ten to fourteen years of age and learn new things through the programme and learn to get along with other people.
