The annual meeting of the Ontario Branch of the Dominion Alliance will be held at Toronto, commencing on Wednesday, December 18th, 1889. It is confidently anticipated that this will be one of the largest and most influential gatherings of the kind yet held, and an earnest appeal is hereby made for the attendance and co-operation of all in sympathy with the movement, and its objects. Among the many important questions to come up for discussion at this meeting, there are two, to which we call special attention. 1. "The Securing of Immediate Prohibitory Legislation, as far as the same is within the competence of the Local Legislature." 2. "Electoral Action for securing of legislators in the favor of Prohibition."

We have made arrangements to club the Weekly Mail and Farm and Fireside with the JARVIS RECORD and will furnish the three papers from now until Jan'y 1st, 1891 for \$1.75. For one dollar more we will furnish Charles Dickens' works in twelve large volumes. Subscribe at once. Cash in advance.

It is about time to sow the seed for a good crop of holiday business. You, personally, may know just where your store is located, and that which you have to sell, but if you do not get these facts before the public, how do you expect to obtain patronage? There is always somebody to buy, if you will only let them know that you have for sale the exact article they want.

Mr. Walker, of Caledonia, was in town last week trying to organize a court of Canadian Order of Foresters, and intimated to some of our citizens that it cost \$13.50 to become a member of the Independent Order of Foresters. Allow me to correct this statement as it only costs \$8.50 to become a member of the I. O. F.—J. W. Rodgers, C. R.

### Literary Notes.

The Musical Journal for November contains some very interesting articles, well worthy of perusal by both amateur and professional musicians. It is well edited, well printed, and should be well supported. The subscription is very small (50 cents per annum), placing it within the reach of every one. We commend it to our readers. ## Prof. Loiset's MEMORY

**DISCOVERY AND TRAINING METHOD**  
In spite of advertised imitations which miss the theory and practical results of the Original, in spite of the grossest misrepresentations by obvious would-be competitors, and in spite of "base attempts to rob" him of the fruit of his labors, (all of which demonstrate the undoubted superiority and popularity of his teaching), Prof. Loiset's Art of Never Forgetting is recognized to-day in both Hemispheres as marking an Epoch in Memory Culture. His Prospectus (sent post free) gives opinions of people in all parts of the globe who have actually studied his system by correspondence, showing that his system is used only while being studied, not afterwards; that any book can be learned in a single sitting, mind-remembering cured, etc. For Prospectus, Terms and Testimonials address Prof. A. LOISETTE, 227 Fifth Avenue, N. Y.
