The Wilson Scales.

We would call attention to the advertisement of the Wilson scales. We seldom say anything in favor of articles advertised in this paper; but we cannot refrain from saying something in favor of the improved Wilson scales, because any person having anything to do with scales will acknowledge them as a true standard of correctness, and the largest concerns in the country are using them in preference to any other make. We would like every farmer to have one of them in his barn, and not take the word of the buyer every time he comes to town to sell his grain.

The third page of the Toronto Daily Mail is noted for "Want" advertisement. If you want to buy or sell anything. If you want a situation, a mechanic, a business, machinery, lodgings, if you have lost or found anything, or if you want to find out where anyone is, advertise in the Toronto Daily Mail and read the advertisements on the third page of that paper. The charge is two cents a word each insertion. Address The Mail, Toronto, Canada. 43-ly

COLD IN HEAD CATARRH

THE 4 STAGES

CONSUMPTION DEATH.

There is positive danger to health and life in neglecting a case of Cold in the Head or Catarrh, and at this season with its changeable weather, unusual moisture and sudden changes from heat to cold, there is peculiar liability to cold in the head. A neglected case of Cold in the Head rapidly develops into Catarrh, and neglected Catarrh just as certainly develops into Consumption and leads to premature Death. Medical testimony proves conclusively that a large percentage of all the deaths occurring from Consumption had their origin in a neglected Cold, which, by gradual stages, developed into Catarrh, and then into Consumption, that dread disease with which medical science is as yet unable to cope successfully. If you are suffering from Cold in the head, or from any of the numerous symptoms of Catarrh, such as bad breath, dull oppressive headaches, droppings from the head into the throat, hawking and spitting, copious discharges from the nostrils, loss of sense of smell, or taste becoming dull, hacking cough, or a general feeling of debility, husky voice, a wheezing or crackling sound in your chest when breathing, a feeling of dizziness, particularly when stopping, a feeling of tiredness and indisposition to exertion, a feeling of nausea in the morning when attempting to dislodge accumulations in the throat. Do not neglect them. These are but a few of the many symptoms of Catarrh, and if you experience any, **BE WARNED IN TIME.** Do not permit them to run under the mistaken impression that the disease will wear away. It will not, but on the contrary will wear you away as it has thousands before. Procure at once a bottle of **NASAL BALM**, the only certain and speedy cure ever offered the public for Cold in the Head and Catarrh. This is no idle assertion, but an unquestionable fact, which is verified by the thousands of testimonials in our possession telling of marvelous cures. These testimonials we have received from all parts of the Dominion, and we append a few, selected at random, as a fair sample of the whole:—

Mr. Alex. Burns, of Sudbury, Ont., says: Gents, I may state that I have been affected with Catarrh for seven or eight years, and it was attended with consequent symptoms such as foul breath, constant droppings into the throat, hawking and spitting, partial deafness, ringing in the ears, and sickening pain in the head directly over either eye. I have used powders and douches, but all to no effect the only relief arising from the use of such was temporary relief followed by the usual symptoms in a more aggravated form. The results arising from the use of Nasal Balm are sweet breath, stoppage of the droppings into the throat (consequently less hawking and spitting), clearness of hearing, and not once since I began its use have I had pain in the head. In fact it is my opinion that a careful and persistent use of the "Balm" will effect a cure in the worst case of catarrh.

James H. McLeod, Mink River Road, N.S., says:—I have tried other remedies for Catarrh, but received little or no good from them. Your NASAL BALM is certainly the BEST REMEDY I have tried, and all you claim for it. The fact that it is pleasant and convenient to use adds greatly to its value, but its chief worth lies in being a CERTAIN CURE for that unpleasant disease—Catarrh.

W. Chas. Hanley, postmaster, Spry Bay, N.S., says:—I submit the following to the public that any who may be afflicted may be benefited by the same remedy. Two bottles of your NASAL BALM has RESTORED to PERFECT HEALTH a four year old child of ours, suffering from Catarrh.

Henrietta Blackwell, Parker, Ont., says:—Your NASAL BALM is the BEST REMEDY I have yet used for Catarrh. I can breathe more freely than before and my breath has regained its sweetness. I consider NASAL BALM a boon to the suffering.

A CAUTION.—Beware of imitations. If your dealer has not NASAL BALM in stock do not let him persuade you to take any other remedy which he may say is just as good, but send direct to the undersigned and it will be sent you on receipt of price—50 cents and \$1.00 a bottle.
