Nearly all colds are slight, at first, but their tendency is to so lower the system that the sufferer becomes a ready victim to any prevalent disease. The use of Ayer's Cherry Pectoral, in the beginning of a cold, would guard against this danger.

A man giving the name of James Ward, but turned out to be George Horsley, of Elsinore, attempted to get some forged notes discounted at Chesley, Ont. Thursday. No remedy for blood disorders can equal Ayer's Sarsaparilla. Though concentrated and powerful, this medicine is perfectly safe, and may be taken by children as well as adults. Physicians recommend it in preference to any other. Price \$1. Worth \$5 a bottle.

### The Wilson Scales.

We would call attention to the advertisement of the Wilson scales. We seldom say anything in favor of articles advertised in this paper; but we cannot refrain from saying something in favor of the improved Wilson scales, because any person having anything to do with scales will acknowledge them as a true standard of correctness, and the largest concerns in the country are using them in preference to any other make. We would like every farmer to have one of them in his barn, and not take the word of the buyer every time he comes to town to sell his grain.

Edward Bradley, known as Cuthbert Bede, is dead. He was a favorite contributor to nearly all the English periodicals.

Chims amounting to \$200,000 have been sent in to the Government at Ottawa by sufferers from the rock slide at Quebec.

The third page of the Toronto Daily Mail is noted for "Want" advertisement. If you want a situation, a mechanic, a business, machinery, lodgings, if you have lost or found anything, or if you want to find out where anyone is, advertise in the Toronto Daily Mail and read the advertisements on the third page of that paper. The charge is two cents a word each insertion. Address The Mail, Toronto, Canada. 43-ly

## Ayer's Hair Vigor

IS the "ideal" Hair-dressing. It restores the color to gray hair; promotes a fresh and vigorous growth; prevents the formation of dandruff; makes the hair soft and silken; and imparts a delicate but lasting perfume.

"Several months ago my hair commenced falling out, and in a few weeks my head was almost bald. I tried many remedies, but they did no good. I finally bought a bottle of Ayer's Hair Vigor, and, after using only a part of the contents, my head was covered with a heavy growth of hair. I recommend your preparation as the best in the world."—T. Munday, Sharon Grove, Ky.

"I have used Ayer's Hair Vigor for a number of years, and it has always given me satisfaction. It is an excellent dressing, prevents the hair from turning gray, insures its vigorous growth, and keeps the scalp white and clean."—Mary A. Jackson, Salem, Mass.

"I have used Ayer's Hair Vigor for promoting the growth of the hair, and think it unequalled. For restoring the hair to its original color, and for dressing, it cannot be surpassed."—Mrs. Geo. La Faver, Eaton Rapids, Mich.

"Ayer's Hair Vigor is a most excellent preparation for the hair. I speak of it from my own experience. Its use promotes the growth of new hair and makes it glossy and soft. The Vigor is also a cure for dandruff."—J. W. Bowen, Editor "Enquirer," McArthur, Ohio.

"I have used Ayer's Hair Vigor for the past two years, and found it all it is represented to be. It restores the natural color to gray hair, causes the hair to grow freely, and keeps it soft and pliant."—Mrs. M. V. Day, Cohoes, N.Y.

"My father, at about the age of fifty, lost all the hair from the top of his head. After one month's trial of Ayer's Hair Vigor the hair began coming, and, in three months, he had a fine growth of hair of the natural color."—P. J. Cullen, Saratoga Springs, N. Y.
