You do not and can not unridule the enigma nuless you are in possession of facts not known to the public in general. We are not surprised that some skeptical persons think the value we offer mythical. We admit it is a little absurd to offer Men's Overcoats, worth \$5.50, for \$2.75, but it is a fact. However, we do not ask you to take our word for the extraordinary statement. Visit our Store, investigate for jourself, nail it as a lie or substantiate it as a fact. We are heavily overstocked. We bought a large Clothing Stock at half the actual value and are selling likewise.

# Luxuriant Hair

Can only be preserved by keeping the scalp clean, cool, and free from dandruff, and the body in a healthful condition. The great popularity of Ayer's Hair Vigor is due to the fact that it cleanses the scalp, promotes the growth of the hair, prevents it from falling out, and gives it that soft and silky gloss so essential to perfect beauty.

Frederick Hardy, of Roxbury, Mass., a gentleman fifty years of age, was fast losing his hair, and what remained was growing gray. After trying various dressings with no effect, he commenced the use of Ayer's Hair Vigor. "It stopped the falling out," he writes; "and, to my great surprise, converted my white hair (without staining the scalp) to the same shade of brown it had when I was 25 years of age."

#### Ten Years Younger.

Mrs. Mary Montgomery, of Boston, writes: "For years, I was compelled to wear a dress cap to conceal a bald spot on the crown of my head; but now I gladly lay the cap aside, for your Hair Vigor is bringing out a new growth. I could hardly trust my senses when I first found my hair growing; but there it is, and I am delighted. I look ten years younger."

A similar result attended the use of Ayer's Hair Viger by Mrs. O. O. Preseott, of Charlestown, Mass., Miss Bessie H. Bedice, of Burlington, Vt., Mrs. J. J. Burton, of Bangor, Me., and numerous

The loss of hair may be owing to impurity of the blood or derangement of the stomach and liver, in which case, a course of Ayer's Sarsaparilla or of Ayer's Pills, in connection with the Vigor, may be necessary to give health and tone to all the functions of the body. At the same time, it cannot be too strongly urged that none of these remedies can do much good without a persevering trial and strict attention to cleanly and temperate habits.
