A boy about ten years old, who lives with his uncle, Caius Swift, of Bealton, had a narrow escape from drowning the other day. He fell off a bridge near his uncle's residence into the creek, where the water was about six feet deep. Some girls observed his hat floating and gave the alarm, when Wm. Burke went to the rescue and found him under the bridge struggling for his life. He was borne to the house and restoratives applied, and after a time recovered.

They are ornamental - they are handy - they are just what you want on your Windows instead of the troublesome old fashioned curtains. We mean those opaque oiled Hollands Window Shades with automatic Spring Rollers, that all sensible people are buying at MILLIS BROS. Drug and Book Store. 36.

A BAD AMERICAN DOLLAR. - A new counterfeit dollar is being circulated rather freely in the Western States. It will probably soon make its appearance in Canada. The bad coin is a good imitation and likely to deceive the unwary, being made of brass with a thin coating of electro plate. It rings much like the genuine, but a little sharper. At a casual glance it has the appearance of having been carried in numberless pockets, the stars and statue of liberty looking much worn, but the date, 1861, is sharply cut and fails to carry out this impression. The pressed parts of the two sides are slightly off color, looking blue when placed beside a genuine coin.

Mr Robert W. Meade, of this town, has leased will take possession of the Dominion House, Port Dover on the 1st of May. "Bob," as he is familiarly known to the travelling public, has had considerable experience in the hotel business, and as manager of the Battersby House established a high reputation both from the sojourner as well as his townsmen. Summer visitors will appreciate him as "mine host" of the Dominion House, and we predict that during the coming "heated term" his courteous and kindly services will be largely called into requisition. While we regret losing him from our town, we hope his new venture will be highly successful. - Canadian, Simcoe.
