W. H. HAMMOND, Teacher.

COMPOSITION.—The following is a school boy's composition on an editor:—

An editor is a mule whos business is to investigate a newspaper. He writes editorials, grinds out poetry, inserts deaths and weddings, sort of manuscripts, keeps a wast basket, blows up the "devil," steals matter, fits out other people's battles, sells his paper for a dollar a year, takes white beans, apple sas for pay when he can get, razes a large family, works nineteen hours out of 24, noze no Sunday, gets damed by everybody, lives poor, dies middle aged and sometimes broken hearted, leaves no munny, and is rewarded for a life of toil by a short free obituary puff on a nuspaper.

OYSTER SUPPER.—The Garnet Orange lodge has during the past year enjoyed a large measure of prosperity, and at their meeting, Tuesday evening of last week three candidates were initiated in the mysteries of the order and two others proposed for membership. A number of brethren were present from Erie, Chesapside and Hagersville. After the work of the lodge was over the company adjourned to Brock's Hotel, where the anniversary of "Gunpowder Plot" was celebrated by an oyster supper, followed by loyal toasts and songs. The host and hostess had a splendid repast prepared, all the delicacies of the season being in profusion. After thoroughly enjoying the hospitality of the Garnet brethren, and passing votes of thanks to the ladies and others who had contributed so much to their enjoyment, the gathering sang "God Save the Queen," and dispersed to their several homes.

GRIP'S COMIC ALMANAC.—There are few people in Canada who do not see this entertaining annual. It has just made its appearance for the eleventh year; and in many respects the new book is ahead of any predecessor. The illustrations are abundant; and all of the contents are of a very amusing character. A new feature is the calendar of "Remarkable Events," which runs through the year, and which, alone, is worth far more than the price. In this department it is certainly entertaining and helpful to be told the day and year when pancakes were invented, when the half-holiday agitation was started, or washing-day instituted, or stolen sermons first used, or Frank Smith was ruined by the street railway (Jan. 15, 2096), or mother-in-law joke invented, or Chicago morally reformed (A.D. 5969), or boot-lacks first used as a cat cure, or the streets of Toronto finally fixed, or Friday discovered to be an unlucky day,—information on all of which, as illustrations, may be found in the January calendar. And the other months are quite as communicative. This book contains 32 pages, and sells at all bookstores at the old price, 10 cents; or send to publishers, Toronto, and receive the book, post-paid, by return mail.

Mr. John Morley, in reply to the Socialists nationalization and all such schemes are either folly or robbery.

In the jumping contest at the Chicago horse show on Saturday evening between the horses Ontario and Rosebery, who tried at 6ft 10 1/2 in. on the previous Wednesday, the latter leaped 6 ft 11 1/2 in. winning the championship and further improving the record by an inch.

The Tale of This Trail

Would be as romantic and interesting as the tales of those trails trodden by adventurers and pioneers, the advance guard of emigration and commerce in the Great North West. The steady advance of our army of customers has worn a trail every step of which is a memento of some prejudice overcome, some doubt dissipated. When in doubt where to go
