GENTS.—My daughter had a severe cold and injured her spine so she could not walk, and suffered very much. I called in our family physician; he pronounced it inflammation of the spine, and recommended MINARD'S LINIMENT to be used freely. Three bottles cured her. I have used your MINARD'S LINIMENT for a broken breast; it reduced the inflammation and cured me in ten days.

The Pullet and the Lynx.

A pullet who had been roosting high and doing considerable thinking on her own account went to the fox one day and, with a blush of embarrassment mantling her fair cheek, while a look of determination was at the same time to be read in her eye, thus observed:—"Mr. Fox, I have come to you to learn how to be sharp and keen. If you will give me per term I will—" "My dear Miss Pullet," replied the fox, as he wrung her innocent neck, "you have come to the right party, and my terms will be very low for cash on the nail. The first advice I shall give you is to keep away from the fox." Moral—It is very wicked to play poker, but if you must learn get some innocent old farmer to teach you.—Detroit Free Press.

COLD IN HEAD THE 4 STAGES CONSUMPTION CATARRH DEATH.

There is positive danger to health and life in neglecting a case of Cold in the Head or Catarrh, and at this season with its changeable weather, unusual moisture and sudden changes from heat to cold, there is peculiar liability to cold in the head. A neglected case of Cold in the Head rapidly develops into Catarrh, and neglected Catarrh just as certainly develops into Consumption and leads to premature Death. Medical testimony proves conclusively that a large percentage of all the deaths occurring from Consumption had their origin in a neglected Cold, which, by gradual stages, developed into Catarrh, and then into Consumption, that dread disease with which medical science is as yet unable to cope successfully. If you are suffering from Cold in the head, or from any of the numerous symptoms of Catarrh, such as bad breath, dull oppressive headaches, droppings from the head into the throat, hawking and spitting, copious discharges from the nostrils, loss of sense of smell, or taste becoming dull, hacking cough, or a general feeling of debility, husky voice, a wheezing or cracking sound in your chest when breathing, a feeling of dizziness, particularly when stopping, a feeling of tiredness and indisposition to exertion, a feeling of nausea in the morning when attempting to dislodge accumulations in the throat. Do not neglect them. These are but a few of the many symptoms of Catarrh, and if you experience any, **BE WARNED IN TIME.** Do not permit them to run under the mistaken impression that the disease will wear away. It will not, but on the contrary will wear you away as it has thousands before. Procure at once a bottle of **NASAL BALM**, the only certain and speedy cure ever offered the public for Cold in the Head and Catarrh. This is no idle assertion, but an unquestionable fact, which is verified by the thousands of testimonials on our possession telling of marvelous cures. These testimonials we have received from all parts of the Dominion, and we append a few, selected at random, as a fair sample of the whole:—

Mr. Alex. Burns, of Sudbury, Ont., says: Gents, I may state that I have been affected with Catarrh for seven or eight years, and it was attended with consequent droppings into the throat, hawking and spitting, partial deafness, ringing in the ears, and sickening pain in the head directly over either eye. I have used powders and douches, but all to no effect the only relief arising from the use of such was temporary relief, followed by the usual symptoms in a more aggravated form. The results arising from the use of Nasal Balm are sweet breath, stoppage of the droppings into the throat (consequently less hawking and spitting), clearness of hearing, and not once since I began its use have I had pain in the head. In fact it is my opinion that a careful and persistent use of the "Balm" will effect a cure in the worst case of catarrh.

James H. McLeod, Mink River Road, N.S., says:—I have tried other remedies for Catarrh, but received little or no good from them. Your NASAL BALM is certainly the BEST REMEDY I have tried, and all you claim for it. The fact that it is pleasant and convenient to use adds greatly to its value, but its chief worth lies in being a CERTAIN CURE for that unpleasant disease—Catarrh.

W. Chas. Hanley, postmaster, Spry Bay, N.S., says:—I submit the following to the public that any who may be afflicted may be benefited by the same remedy. Two bottles of your NASAL BALM has RESTORED to PERFECT HEALTH a four year old child of ours, suffering from Catarrh.

Henrietta Blackwell, Parker, Ont., says:—Your NASAL BALM is the BEST REMEDY I have yet used for Catarrh. I can breathe more freely than before and my breath has regained its sweetness. I consider NASAL BALM a boon to the suffering.

A CAUTION.—Beware of imitations. If your dealer has not NASAL BALM in stock do not let him persuade you to take any other remedy which he may say is just as good, but send direct to the undersigned and it will be sent you on receipt of price—50 cents and \$1.00 a bottle.

Miss Maggie M. Martin, Terwood, Pa., says:—Through a friend in Canada I became acquainted with your NASAL BALM. I have suffered for years with Catarrh, and it is the first remedy from which I have experienced relief, and I feel certain it will cure me.

Miss Minnie McNairn, Mille Roches, Ont., says:—Your bottle of NASAL BALM did me much good. The pain in my head disappeared before I had used the bottle, and I find myself receiving the greatest benefit. I am certain NASAL BALM will cure my Catarrh if its use is persevered in.

Mr. John H. Adams, merchant, Brantford, Ont., says:—I have used NASAL BALM for Catarrh, and found it to be a CERTAIN CURE.

W. A. Doyle, Beulah, Man., writes:—As a family medicine to check Catarrhal affections of Cold in the Head, NASAL BALM HAS NO EQUAL. We prize it highly.

Mr. A. Schlenzig, Toronto, says:—For a number of years my wife has been badly troubled with Catarrh. Dr. — here promised to cure her, but after using his remedy for six months she became worse and weaker than before, and I found that I had spent \$36 for medical treatment that did no good. My wife then began to use your NASAL BALM and has improved wonderfully, and she is better and stronger than for years. Your remedy is the best in the market and you can use this as testimony.

Emilie Pelletier, Grenville, says:—I can scarcely find words to tell you how highly I prize NASAL BALM. Its effects in my case have been wonderful.

Alpha H. Dales, Tarbert, Ont., writes:—Your NASAL BALM has made a new man of me. I have never used a remedy so satisfactory.

If your dealer has not NASAL BALM in stock do not let him persuade you to take any other remedy which he may say is just as good, but send direct to the undersigned and it will be sent you on receipt of price—50 cents and \$1.00 a bottle.
