New Fancy and Plain Colored Flannels. Large assortment of new Pillow Cotton. One hundred men broke open the jail | Sheetings, Blankets, Quilts and other House-furnishings, new French Opera Flannels. Also a very choice assortment of at Morgantown, N. C., Wednesday last, Chenille and Fancy Makes in Window Curtains, Elegant Patterns in new Lace Curtains. Also Sash Cartain Muslins took out Franklin Stark (white) and land Nets. Beautiful new Drapery Fringes, very deep widths. New Furniture Plushes, new styles of Table Scarfs and David Boone (negro) and hanged them. Covers. Curtain Serim, Newest Patterns, only 10c. per yard. A very large assortment of new Mantle cloths. Also James McInerney, supreme trustee of Sealette Mantling, Courtauld's celebrated Crape, two cases Plushes and Velvets, five cases Dress Goods, four cases Ladies' the Catholic Knights of America, drop- and Men's Woolen Underwear, seven cases Dress Linings and a host of other new Goods. Remember the special sale of Carpets to be continued during this month. Take a look in the Carpet Room, it will pay you to secure some of the bargains offering. Remember the "Right House" is on King Street, one door west of Hughson Street. Be sure and enter the store east of the Carpet Window as many make mistakes and do not get into the "Right House." THOS. C. WATKINS.

Hamilton, Aug. 24th, 1889.

#### Coal Near St. Thomas.

A despatch from St. Thomas of the 13th inst., says: - A few weeks ago a Lawrence station, foune an excellent sample of hard coal at a depth of seven-A bieyele locomotive has been built at teen feet under the hard pan, while Portland, Maine. It has the usual num- sinking a well on his farm. Another ber of wheels on each side, but that well was sunk in a different part of the field, and at the same depth as in the is an immense driving-wheel nine feet first well a layer of coal was again Mr. W. Armstrong, a mining engineer It is this which is expected to send the and expert, of this city, who, after a engine along at the rate of eighty miles careful examination, pronounced the an hour. People can perhaps manage to sample to be an excellent grade. A peg along easily at this rate until Mr. | company has been quietly formed for ). It is reported that the Thomas iren to run five miles a minute, is ready to believed to await the advent of the works at Hokendagua, Pa., will be sold receive passgeners. At present it is miner under Mr. Rochester's farm, to an English syndicate for \$8,500,000. intended only for the carriage of mail which had been bonded, together with ed that the work of sinking a shaft will be begun the first of the coming week. Those interested in the scheme are Gentle reader, did you ever rush into confident of finding coal of good quality a newspaper office and tell the editor to in large quantities not far from the

#### The Wilson Scales.

We would call attention to the adver tisment of the Wilson scales. We seldom say anything in favor of articles advertised in this paper; but we cannot refrain from saying something in favor of the improved Wilson scales, because any person having anything to do with scales will acknowledge them as a true standard of correctness, and the largest concerns in the country are using them in preference to any other make. We. gored. Therefore do not kick when would like every farmer to have one of your request is refused. The editor is them in his barn, and not take the word sorrow you are in trouble. But busi- of the buyer every time he comes to town to sell his grain.

Rosemond Cormier was a short time ago ordered by regulators to leave Lonisiana. He failed to obey, and, along with his 15-year-old daughter, has been murdered.
