The result of the 3rd and 2nd class examinations will not be known for two or three weeks yet.

The voters' list for the township of Walpole is in the printer's hands and will be completed in a few days.

Caledonia is to be lighted by electricity. It is expected everything will be in running order on October 1st next.

We learn that wheat is yielding in some places nearly 30 bushels to the acre, and that the crop is surprisingly good.

Notice.—All those holding \$20.00 tickets at T. E. Morrow's are requested to call and get their silver butter dishes.

C. V. DeLong, Lynedoch, has sold the well-known stallion "Judge Livingstone" to Joseph Palmer, of the Palmer House, Simcoe.

Remember the adjourned meeting of the Walpole Agricultural Society in the Music Hall to-day at 2 p.m. A large attendance is requested.

The Campbell House, Cayuga, has been re-purchased from Mr. Chas. Farrel by Mr. John A. Hoshok, its former genial proprietor. Mr. Farrel returns to Brantford.

Mr. David A. Cheyne, of Toronto, and Mrs. Walker and daughter, of Hamilton, are the guests of Mr. James Noble this week. Mr. Walker returned home after spending Sunday in town.

This is the time of the year when all who can afford to do so throw the cares of business aside and go in for relaxation at the seaside summer resort, of a quiet rural retreat.

We have received a prize list of Canada's International Fair, to be held at St. John, New Brunswick, from Sept. 24th to Oct. 4th. The list is a large one and is open to the world.

BINDER TWINE.—We have still a good stock of Binder Twine at close prices. Thrashing Belts and Suction Hose, Machine Oils. A. D. ELLIS, Simcoe.

A petition was circulated on Saturday and largely signed by the business men of Jarvis to hold Monday, August 11th, as our Civic Holiday, that day being the date of Brantford races and Hamilton's band tournament.

Rev. A. Slaght, who was a few weeks since, appointed Inspector of Mines by the Mowat Government, left last week to attend duties connected therewith and will be absent about a month.—Star Waterford.

He who helps to circulate a piece of gossip is as bad as the one who originated it. To put their fists in a tar barrel and then go around shaking hands with everybody suits some people, very pertinently remarks an exchange.

We are sorry to hear that Mr. J. Kelty, of Woodhouse, has had the misfortune to break two of his ribs caused by his horses taking fright at a threshing machine tank. We hope, however, that Jack will soon be around again in his usual health.

Mr. Mat. Laughlin, formerly of Cayuga, was killed on July 19th by a train running over him in the yard at Tacoma Washington Territory, where he was station agent. His friends here will regret to hear of his sudden death.—Advocate. Mr. Laughlin was at one time operator at this station.

We have received from Mr. George W. Childs, the well known Philadelphia philanthropist and publisher, a complimentary edition of his "Recollections of General Grant." It is rich with reminiscences of famous persons and accounts of exceedingly interesting occurrences. The recollections of such a life are necessarily full of interest, and doubly so when told by such an

Waterford will hold her Civic Holiday to-day.

The wheat threshers have commenced operations already in this locality and the crop is turning out much better than was expected in the early spring.

We are glad to notice among the names of appointments to offices in Grand Lodge A. F. & A. M. made by J. Ross Robertson, Grand Master of Masons of Canada, that of our friend D. T. Hind as Grand Director of Ceremonies. We agree with the Grand Master in thinking that Daniel will make a good officer.

The junior baseball team visited Simcoe on Tuesday of last week and defeated the Simcoe juniors by 15 to 9 and an innings. The following is the score by innings:

Jarvis.....3 1 0 0 0 1 4 6 *—15
Simcoe.....0 0 0 3 0 1 2 3 0—9

The young Canadian trotting stallion Alvin, of Simcoe, is now the property of W. H. Wilson, of Cynthiana, Kentucky, who paid \$10,000 for him after the Cleveland race in which he won in straight heats, best time 2:18. Alvin will start in the Flower City \$10,000 stake at Rochester next week.

Toronto is asked to give \$200,000 in aid of the Provincial University. The University has long been Toronto's distinguishing glory, conferring upon the city many direct and indirect advantages. The University has done great things for Toronto, and a little reciprocity in the University's hour of need would be the right thing.

About 11 o'clock on Saturday fire broke out in the tannery of Edward Conlin, at Delhi, totally destroying it, together with a barn at the rear. By strenuous efforts the dwelling house and a portion of the stock of the tannery were saved. Loss in the neighborhood of \$5,000; insured in the Royal for \$1,000.

On Friday evening last Mrs. D. J. Lynch, wife of one of Hagersville's leading merchants, together with her four little girls and her two sisters, the Misses Murphy, of Cayuga, were driving into Hagersville from the last named place the horse became frightened and shied to one side, tipping the carriage over into a deep ditch. The horse finding himself unable to rise, began to kick. Mrs. Lynch and two of the little girls received several blows about the head. One little girl, Zita, aged three years, received a severe kick just over the left eye, and died in a few minutes. The rest of the party, although badly shaken up, are in a fair way toward recovery.

Obituary.—One by one they that were born in the early part of this century are passing away. Those who have personal recollections of Waterloo and the stirring wars at the beginning of the century, and the introduction of the railway and other mechanical inventions of the thirties, will soon be with us no more. Another old resident of Walpole has gone in the person of James Atkinson, who peacefully passed away last Wednesday at the residence of his son-in-law, Anthony Jaques. Deceased was in his eighty-fifth year. He was born in Sandford, Westmoreland Co., England, where he resided until 50 years of age when he came to Canada and has been a resident of Oneida and Walpole since. He has been about 60 years a member of the Manchester Unity of Oddfellows. In religion he was a Methodist; in politics a Reformer.

The Jarvis baseball team played a friendly game with the Hustlers, a picked team from South Norfolk, on the Simcoe grounds on Saturday, defeating them by the score of 11 to 8. The Hustlers did not show up on the grounds until six o'clock and seven innings were played when it became too dark to complete another innings, our boys preparing to leave the field. The Hustlers being anxious to play another innings Mr. Watson of Simcoe, who officiated as umpire called play, knowing at the same time that the players could not see to play another innings each, and after waiting two minutes to resume play decided the game in favor of the Hustlers by the score of 9 to 0. The umpire gave good satisfaction to both teams throughout the game, but was away off in calling play when it was acknowledged by the spectators as being too dark. The score:—

Jarvis.....1 1 1 2 0 5 1—11
Hustlers.....2 2 0 1 1 1 1—8
Batteries—Husted and Kindree; Taylor and Pettit.

Another swindle is on foot for the special benefit of the agricultural community. A firm advertising under the style and title of McDonald Howard & Co. woollen manufacturers and importers are sending circulars all over Canada to the farming community, offering to supply woollen goods at fabulously low prices. They have agents out in every direction and are anxious to sell not for cash but for notes payable in three or six months. The exact location of their advertised places of business are as difficult to find as that of Jack the Ripper, but the note always turns up all right, and has to be paid and the profits instead of being similar to those in legitimate business are as large as an elephant. Let our farmers be on the alert for agents of this class and give them the boot directly they announce their business, for the more they talk the greater the danger of being seriously victimized becomes.
