We are glad to hear that D. Hill, of the American has got around again after an illness of a few days.

John Hawthorne thrashed 40 bushels clover seed in 11½ hours for Mr. Samuel Hunter, the other day. Who can beat this?

All parties having premiums not taken up in the Walpole Agricultural Society will forfeit them unless taken up by the 31st of December.

The Printer is now working on a catalogue for the Mechanics Institute which will be out in a few days. Look out for them, the price is only 5 cts.

The Ontario Fish and Game Commission held their first meeting Thursday at Toronto. The business of the day was chiefly routine, and included an address from the Provincial Secretary as to the scope and object of the commission.

A Galt man claims to have a wife who never asks him at any time for money. He neglects to say whether the woman has been speechless from birth or whether she simply holds him down and goes through his pockets without wasting any breath.

Another circular has been issued by the Inland Revenue Department in reference to the destruction of cigar boxes. It states that dealers who desire to keep empty cigar boxes in their shops as "dummies" may do so if they will cut diagonally one cover of each empty box, the portion removed to be at least three inches on one side from the corner.

The annual Christmas Tree entertainment for the benefit of St. Paul's Church Sunday School will be held in the Music Hall on Monday evening, Dec. 22nd. We are in receipt of a copy of the Delineator, a journal of fashion, culture and fine arts, published monthly by the Delineator Publishing Co., Toronto. "If you and your mother had your way, by Jove," said Spickley, "I'd be arrested for bigamy."

"Why, John Spickley, how can you say such a thing?"

"It's so—but the sooner you understand that I married you and not your whole family the better it will be for all of us."

The Rev. J. O'Banyoun and his troupe of Jubilee Singers will give a grand concert of slave melodies in the Methodist Church here on Christmas night. This troupe is highly recommended by the Canadian press everywhere, and all who wish to hear the best musical compositions ever written on the negro slave songs should not fail to attend this concert.

The holiday season is upon us, and, as in former years, our merchants are making elaborate preparations to meet the demands of the occasion. The shelves and counters in many of these establishments are literally packed with seasonable goods. The very best houses with which to trade are represented in the advertising columns of THE RECORD and it will be to the interest of the public to carefully peruse those columns each week for trustworthy information in this regard.

"RAISE THE FLAG."—We are glad to notice that the words and music of the patriotic song and chorus "Raise the Flag" have been published in sheet form by the Empire. There is a tone and swing about the composition which should recommend it at once, both from the musical and the patriotic standpoint. It ought to be given into the hands of our children and take a place in the schools with "The Maple Leaf." The words and music were written by Mr. E. G. Nelson, of St. John, N.B., in connection with the movement for hoisting the Canadian flag on the schoolhouses of the Dominion. In order to put it within the reach of all, the Empire places the price at 10 cts., and has put the song on sale by all newsdealers.

## Police Village Petition.

The petition which was circulated around the town last week to erect Jarvis into a police village is knocked in the head by a contra petition. So endeth the first chapter.

Proofs of the above can be had after the setting of the County Council.

It was a noble affair all the same.
